

## **Ekklesia Decrees Against Pharmakeia**

The Ekklesia of Christ stands together in unity to come against the strongholds of pharmakeia within the nations, especially and specifically within the United States of America.

Father God, we humbly come before the throne of Heaven and we ask forgiveness on behalf of all Americans for succumbing to the cultural lifestyle strongholds of pharmakeia.

Forgive us Lord for not standing strong against this evil sorcery and witchcraft. We ask You to forgive us and our ancestors for being passive as pharmakeia has slowly and insidiously weaved its webs into the very fiber of our lives, from our education systems, to the way we eat, exercise, think concerning health, and how we take care of our bodies.

Our nation has been utterly deceived by the lies of pharmakeia and its white-lab coat prognosticators, soothsayers and agenda-filled scientists, doctors and directors that have stolen our peace of mind via their continuous outreaches through the wicked “mainstream” media puppets.

Forgive America for the sin of forsaking Your truth and for allowing these individuals and organizations who present themselves as life-sustaining scientists and experts on health, to becoming the governing, ruling, reigning authorities over the health of our nation. We declare no more from this moment on!

Father, practicing health and teaching health is a responsibility that You have bestowed upon us as Your children and also as Your sons and daughters on the earth. We are the ones You have positioned and placed in authority to govern and rule and reign in all spheres of life, including health. Forgive us for not stewarding this responsibility to the best of our ability. Forgive us for not knowing or understanding Your Kingdom principles concerning how to fully live in true Kingdom health.

Forgive us for allowing sorcerers, diviners, witches, wizards and alchemists to usurp away the authority You have entrusted to us. We humbly ask that You wash us, Your Ekklesia and all of the United States of America fully clean and make us as white as snow by the blood of Yeshua in the name of Yeshua.

Father, by faith we receive Your forgiveness. Thank You Lord. We also ask You to fill us to overflowing with Your Holy Spirit, Kingdom insights, with understanding, with Your divine wisdom, revelation, and war-time strategies, so that we can fully uproot pharmakeia from our nation and see Your mighty deliverance come forth in the name of Yeshua.

***(Ekklesia, when you are together, I believe God is going to download supernatural strategies to you in person. So ASK now for those strategies and be open to hear what the Lord may say to you. Write them down if possible.)***

Lord of Hosts, as we head into battle, is there anything You would like to share with us concerning the nature of these cultural, lifestyle strongholds that we need to know in order to wage a victorious warfare?

Lord of Hosts, are there any Kingdom strategies You would like to share with us to uproot the demonic structures of witchcraft, sorcery, deception, alchemy, occultism, divination, satanism, barbarism, violence, death and the blatant manipulation of mankind's DNA?

***(LISTEN AND WRITE DOWN WHAT THE LORD GIVES YOU)***

- Administration for Strategic Preparedness and Response (ASPR)

**Including:**

- Administration for Children and Families (ACF)
- Administration for Community Living (ACL)

- Centers for Medicare & Medicaid Services (CMS) – formerly the Health Care Financing Administration.

Also including non-subordinate agencies such as the AMA (American Medical Association) and the EPA (Environmental Protection Agency), which at times, work in conjunction with the HHS, and particularly the CDC. Devil and your dark forces, we bind and forbid you from continuing to operate in these agencies.

We forbid the US dept of Health and Human Services, and all its centers, institutes, offices, divisions & branches including the CDC, from taking part in controlling, deceptive & manipulative tactics against the American public such as fearmongering, propaganda, and from over-extending their reach and their constitutionally mandated power.

### **CDC Directed Decrees:**

We bind every spirit of pharmakeia including shapona: the god of smallpox, as well as sorcery, witchcraft, occultism, satanism, barbarism, alchemy, violence, death and divination from operating within the US government and the US health care organizations and healthcare system in the name of Yeshua.

We bind every lying, propagandist spirit and prince of media from spewing deceptions within America concerning healthcare, disease, healing, deliverance, cures and health.

We forbid satan and all the kingdom of darkness from continuing to spew their propaganda and deceit concerning true healthcare versus the disease-proliferation system that has been at work within the USA. We forbid all the kingdom of darkness from continuing to create prognostic indexes, prognostic indicators and scoring systems for disease outcome predictions.

We take the key of David now and we command the foundation gates of this nation to be exposed for us to see with our spiritual eyes. We hereby examine the

foundations of our nation and declare that America is founded and firmly rooted upon the chief cornerstone, Yeshua the Christ.

As we examine our nation's foundations, we see many evil structures trying to overlap our true foundation. These structures are false foundations with deeply embedded roots of witchcraft, satanism, occult, sorcery, divination, death, violence, chaos, mayhem, darkness/ignorance and alchemy.

We take the key of David and we command every single false foundation gate to be uprooted from this nation. Let all demonic soul ties concerning these false foundations be severed and unraveled from America, our nation, our land and our people.

We declare full exposure to these false foundations now. We strike the ground ***(stomp your foot one the ground if you can)*** and we speak to these false foundations right now and we command them...

***(Point to the ground)*** False foundations of witchcraft, satanism, occult, sorcery, divination, death, violence, chaos, mayhem, darkness, ignorance and alchemy crumble to sheer nothingness. You are hereby forbidden from operating within America.

We take the key of David now and we seal shut the diabolic gates of hell from operating within America.

We take the key of David now and we seal shut the diabolic gates of hell from continuing to operate within the CDC and all other government organizations and agencies.

We take the key of David and we command that the foundation gates of the media organizations and all the anti-Christ corporations within America be exposed. Let every demonic foundation within America be uprooted and let all their demonic soul ties be severed, unraveled, and uprooted. Let all demonic false foundations crumble to sheer nothingness.

We take the key of David now and we seal shut the diabolic gates of hell from continuing to operate within media, healthcare systems, and health education systems.

We declare ownership rights of America have already been established and we refuse to tolerate or allow demonic trespassers to continue to steal, kill, deceive and destroy within our nation. It is over. Leave this nation. We declare ownership rights of the air space, of the frequencies and sound waves and all wavelengths within America. Therefore, we command all demonic influences be stripped of your power, authority and ability to inflict harm. Leave this nation at once. Leave our healthcare systems. Leave our governmental systems. Leave our air space. Leave our frequencies.

We declare that the CDC is an organization that was built on lies and the covering up of truth by propagandist systems working in conjunction for the sake of corporate greed and worldwide control. The CDC was started to end malaria, yet quinine had already existed and was being used to heal people.

Let the true purpose and mission of the birthing of the CDC be uncovered and exposed for all the world to see and know... Since its inception the CDC has been pushing a false narrative. This is not a case of a government organization gone astray. This is a government organization that was rotten to the core from its inception.

Lord, You knew exactly how to deal with the fig tree that would not produce fruit. You cursed it. Lord, You have given us the tree of life. You have given us all things needed to walk in the fullness of Victory here on earth. How much more should trees not of Your Kingdom be cursed?

Therefore, we curse every false-foundation government organization that does not truly exist for the enrichment of humanity, but rather exists to operate in witchcraft, sorcery, satanism, occultism, alchemy and divination for the destruction of life. We curse these organizations and declare just as Yeshua did for them to shrivel up and die. Let all their branches wither to sheer nothingness.

Let every demonic, propagandist, DNA manipulating, government structure within the USA, shrivel up and die. We curse the CDC for its evil, diabolic work in our nation. We curse all diabolic work and research within the NIH, HHS, state run health departments, the AMA and the EPA and any others not mentioned.

unholy marriages and alliances between the WHO and the CDC as well as any other government agencies be uncovered, exposed, uprooted and decimated in the name of Yeshua.

We forbid the continual, overextended, overreach concerning policies and procedures that have been treated as preeminent to God's laws and to the Constitution and the Bill of Rights.

We forbid the continual, overextended, overreach of the CDC and all government health organizations concerning health care for individuals from cradle to the grave.

We command a cease-and-desist of this dark disease proliferation system of witchcraft, prognostication / divination, satanism, DNA manipulation and sorcery from continuing to create policy for Americans.

We forbid the continual producing and broadcasting of reports, studies, case studies, experiments and procedural announcements from the CDC that are full of soothsaying, prognostications, inaccurate predictions, worse-case-doomsday-scenarios, witchcraft control, intimidation, fear-mongering and utter falsehoods.

We declare let there be light concerning God's way of doing health. Let the ways of darkness be fully uprooted from America.

We declare life is in the blood, and therefore, it is important to keep the blood free from all ingredients /items that do not belong within the blood, that do not serve to strengthen or build the blood, but in actuality work to clog the blood and prevent the free flow of blood cells, oxygen and nutrients.

We declare full exposure to all of the procedures, policies, mandates and tactics of the CDC and all other federal and state "health" organizations that have ulterior motives, cause biological, physical, mental and emotional harm. We command light to invade every hidden demonic agenda and agency, including state-run organizations that falsely present themselves as preservers and advocates of true health. Let all these lying, witchcraft controlling, sorcery-ridden organizations be exposed for what they truly are. Let them be stripped of power, influence, finances and ability to continue deceiving and harming the innocent. We declare every faulty, false-foundation will crumble and wither!

Let the truth come forth. Let blind eyes see what we see. Let deaf ears hear the Truth as we do.

Let the CDC and all other health organizations in America be stripped of all illegitimate authority that they have amassed over the years.

Let the CDC and all other health organizations in America be stripped of all overreaching authorities, power, influence and control that have been given unto them, whether due to emergencies, crisis, pandemics, plandemics, outbreaks or for any other reasons.

We forbid any more new world order, witchcraft-controlled emergency mandates from being issued anywhere within America, including all sectors of travel and our economy. Enough is enough. We say no more!

The Ekklesia of Christ forbids the CDC and all other health organizations within the United states of America from having powers that extend past biblical parameters set in place by the Almighty God. If they do not represent Him and His Kingdom, then their authority is illegitimate and must not govern us. We forbid it.

We forbid the satanic hypocrisy of driving the ten commandments out of public buildings or driving prayer out of schools, while allowing demonic idols to sit front and center on display in governmental buildings. The godly pay the taxes and therefore the godly forbid this taxation without true representation to continue in America.

We forbid the CDC from creating demonic soul ties with evil and corrupt governments and organizations such as the World Health Organization, the United Nations, the National Institutes of Health (NIH), the Dept of Health and Human Services.

Let divine justice come upon all those who operated within a conflict of interest, and even those who had legal loopholes that allowed them to profit off the shots.

Let full exposure come forth regarding the vaccine schedules and how people profit from them, along with who exactly has been profiting and to what extent.

We forbid any and all tainted vaccines that contain microchips or alchemist ingredients, including toxic heavy metals from continuing to be distributed within pharmacies, doctor's offices, hospitals and especially from being given to newborn babies within the hospital system. We forbid all these evil harmful vaccines from continuing to be administered in America.

We declare let full exposure of this morally corrupt, greed-driven, death inducing system of witchcraft and sorcery come forth now. Let the demonic systems at work within the USA be exposed and uprooted in the mighty name of Yeshua.

Let all individuals with a depopulation agenda within the CDC and any other government agency within the USA be exposed, stripped of their power, authority and influence and removed from their positions. Let divine justice come forth speedily.

Let all the propagandist publications, from books, to magazines, to journals, to online memberships be exposed for their falsehoods. Let truth and light come forth regarding the dangerous methods within Big Pharma and the CDC and other health care organizations. We forbid pharmaceutical commercials from television. We forbid the marketing of medications. No more, "Ask your doctor about \_\_\_." This is not a Kingdom mentality or culture of the Kingdom. No more promoting sorcery openly, not even in doctor's offices, in their propagandist 3-page brochures. Let all the lying and all the bribes be exposed in the entire healthcare system.

We forbid the continued broadcast of witchcraft pronouncements from the CDC and all other US health organizations and agencies.

We declare that the CDC and all other US government health organizations and agencies are hereby stripped of their authority to continue spewing falsehoods. Let their past track record expose them as the false authority they have been.

We declare that the CDC has not historically stood in integrity with its said mission to find a cure for malaria, but rather, they took advantage of a crisis for profit, control and other sinister reasons. Let all the truth be exposed.

We bind all the lies and propaganda coming out of the CDC, the CDC museum and the Morehouse School of Medicine.

Let every false narrative pushed by the CDC, by the CDC library and by all the directors of the CDC, past and present be exposed as the falsehoods.

We rebuke their "health equity matters" narrative. We command that every soul-tie cord of public manipulation be severed and unraveled from the minds and hearts of people nationwide, particularly people who have lacked the education or the critical thinking skills to be able to ascertain or discern whether these narratives are truth.

We take the key of David and open the gates of Heaven over America for truth to flood in. Let a Kingdom awakening sweep across this nation. Father, by Your Spirit, cause individuals to awaken from unfettering trust of government agencies. Cause people to awaken their questioning abilities so they can determine judiciously what is the best course of action for them and their loved ones.

We forbid these healthcare privacy acts that prevent loved ones from being able to help their family members or to know the status of their health condition. This is an attack on family rights and we rebuke it and forbid it from continuing in America.

We declare that decisions regarding healthcare rightfully belong to individuals and their families not to government agencies that have hidden agendas such as corporate greed and bribes.

Let any and all bribes made within the CDC and all other health care organizations be uncovered and exposed. Let divine justice flow swiftly.

Furthermore, let the truth about curing cancer come forth unhindered by satanic regulations. Let all those jailed for revealing truth be set free and pardoned.

We bind, rebuke, and forbid all unbiblical social justice, sustainable development, microchip vaccines, forced vaccines, graphene oxide, mercury and formaldehyde from vaccines.

We forbid the taking away of children from their parents because they do not consent to Big Pharma/American Medical Association harmful practices in opposition to God's way of doing health (Kingdom Health); and we bind, rebuke and forbid any and all witchcraft control, intimidation, fear, manipulation and sorcery,

Let his false narrative that “health equality matters” be exposed and uprooted. Let those who have been taken captive and beguiled by this language awaken to truth and escape the grips of sorcery and witchcraft and alchemy.

Let every evil alchemist, diviner, witch and sorcerer working within the HHS, the CDC and all other US health organizations and agencies be exposed, stripped of their power, influence, position and authority. Also let them receive true divine justice for all harm they have caused to the general public.
