Almighty Lord & King, we repent on behalf of America, for all those who did not stand up, speak out and vote for righteous leaders. Lord, we especially repent on behalf of the church that has voted for the party of death, and not for righteousness. Forgive us Lord for all the hatred, division, bitterness, anger and strife within the church in America. We thank You for Your divine mercy upon us, the Ekklesia, the churches of America, and our great nation, and we call upon You, great merciful King, to come to our aid and defend America now, in her greatest time of need. Deliver us from all evil. Strengthen us, equip us and empower us to successfully uproot every demonic stronghold and principality from the mind and heart of this nation.
