OPERATION LOCK & LOAD Part VII:

BLACKBELT

Ekklesia Strategies for Victory to Take Back America From Dark Forces and Prepare Her to Fulfill Her God-Given National Destiny...

Prayer of Repentance:

Almighty Lord & King, we come before You with heavy hearts, and we cry out for mercy. Father in Heaven, forgive us for squandering the blessings and wealth You have bestowed upon our nation. Forgive us for not living up to the potential You have placed within us. You created America for Your divine purposes, and we have greatly fallen short of living up to Your expectations and plans for our great nation. Because of our lack of stewardship and poor management of this nation, it has been infiltrated by enemies who contaminated the land with idols and immorality. They seduced us to fall away from You, to turn our backs on You. They lulled us into a deep slumber, and the spirit of sleep has cast a spell of delusion and aimless drifting upon our nation. Our people's spirits have been crushed and broken. Our nation has been bleeding profusely. We need You, great God, to stop the carnage. We need You to stop the wanton wasting of Your people, of Your purposes, Your plans and Your vision for America.

Father forgive us. Addiction has been at an all-time high. We have forsaken our children. The jails have been overrun. Mental health has become a national crisis of epic proportions. Suicide has become a pandemic. We have neglected our duties and responsibilities of freedom for the benefits and comforts of slavery. We have allowed the oppressor to think for us, to educate and raise our children, to formulate ungodly curriculums while we idly stood back and allowed the oppressor to provide and plan for us. We forsook accountability. We have left the children of America to be fathered and mothered by satan's hordes of hell. So many of our children are broken, depressed, addicted, fornicating, full of self-hatred, self-rejection, self-loathing and self-sabotage. They have been rebelliously serving satan. The mutilation is too much to bare. Our children have been molested, raped, trafficked, brought up by the evil state foster system. They have been dishonored, unloved, uncared for and utterly forsaken by us. We have failed them. Oh God of mercy, forgive us. Forgive us and bless our children. The need is greater than we can meet in the natural realm. We need Your wisdom, Your Spirit, Your guidance, Your truth, Your Kingdom solutions. Help us access the empowering dunamis grace that can lift us to do all the things we cannot do in our own strength. Cause our hearts to align with Your heart for the children of America.

Father forgive us for operating in religion. For being all talk and no action on so many occasions. Forgive us for all the times when we have been hearers only, and not doers of Your Word.

(PRAYER LEADERS: *Instruct prayer warriors to take a minute and reflect. Please do not skip this crucial step.* **EACH PERSON:** *Quietly ask Holy Spirit to reveal where each has missed the mark.*)

Lord, forgive us. We have pointed fingers at others and have acted religious, but have not fully followed Your commandments in a spirit of humility, love and peace. Remove the satanic triggers that hinder our anointing from fully flowing. Forgive us for the self-righteousness that puffs us up. Remove the dark thoughts, remove the silent complaining we do in our minds. Help us to appropriate the mind of Christ. You called us to be a light. You called us to be faithful husbands, wives, fathers, mothers, watchmen, warriors, and Kingdom Ambassadors to be compassionate, to speak up for the fatherless, and to give to those in need, but we have been stubborn, arrogant, insolent and indulgent. We have allowed the state to raise our children and to indoctrinate them with idolatrous lies. We have walked in an iniquitous fashion before You. Forgive us. We commit to taking back our children from the grips of satan.

Father, You created nations for a specific time and purpose. You created nations so that men may seek You, find You and depend on You. You created nations so that we would all be a kingdom of priests unto You. Mighty Lord and King, we know that the nations that do not serve You, that do not represent You, that have wicked laws and legislation, these nations will be wiped from the earth by You.

Forgive us Lord for our nation has not fully served and represented Your Kingdom laws, values, culture, language, moral standards, respect and commitment to unity. Instead, we have been complacent, apathetic and lethargic in the face of our national purpose. We stood idly by watching our crumbling national vision, crumbling national moral code, crumbling national divine reference to You as our Higher Power, crumbling value system, social consciousness, and a crumbling national spirit of love and respect for one another.

When foreigners come to our nation, they have seen the morally corrupt standards of Broadway, Hollywood and the mainstream media's marketing everywhere. Our people, youth, businesses, culture and values have exhibited debauchery, perversion, violence, waste, consumption, gluttony, pride, rebellion and dishonor. You created this nation so that when people see it, they see God, so that when people come to America, they feel the presence of God. You created America so that our policies, legislation and culture would reflect You to a world in desperate need of salvation and deliverance. Forgive us for falling short of Your purpose for this nation. Forgive us for not only allowing the idols, but for giving them room in our hearts, minds, homes and families, to steal away Your presence, Your Spirit, Your anointing and Your light from us, for we are Your chosen ones called to be carriers of Your Spirit, anointing, truth, life and light. Forgive us. We cry out to You for mercy.

We have almost completely missed the timing for America...the timing that You designated for this nation to disciple the nations and preach the gospel of Your Kingdom in all the earth. How, oh how can we be on schedule with Your will, when we have fallen into so great a sleep, and our own nation lies in waste and devastation? We take full responsibility for the state and condition of our nation now, and again we humbly ask for Your forgiveness.

Save us oh Lord our God. Gather us from the lies, the schemes, the idols, the traditions, the callousness of our hearts and minds, and the icy condition of our hearts toward You and Your great and wonderful heart for all of creation. We have stayed silent and have not fought for Your name in the schools, for abortion to be vanquished, for gay marriage to be forbidden. We allowed prayer to be eradicated from the schools, for Your name to be taken out of our government buildings and from being used on the air waves, through tv waves, from the entire spectrum of sound and light. We stood by and shook our heads, yet we did not stop or reverse these atrocities.

We may have even made an open show of our disapproval, but we did not operate in the fullness of the Kingdom authority You have bestowed upon us. We waited on You, like spoiled children in the wilderness, instead of growing up and believing that You did give us dominion, and authority, and the keys to the Kingdom of God. We have mismanaged the keys, dominion and authority. Forgive us for coming into agreement with the lies of the oppressor that have caused us to operate with dull hearts that have lacked zeal for Your life sustaining ways. We have been captivated by the benefits of slavery, so much so, that we stopped longing for the responsibilities associated with freedom. Deliver us and restore in us a rightful spirit, a warrior mentality that will press forward into Canaan and will face every giant with bold, fearless faith in You.

We have wasted valuable time and precious potential by living by the world's systems and way of doing life, instead of Your way. We have been riddled with debt so that we could not concentrate on developing the talents and gifts You have given us. We have not built wealth so that we would be prepared for the times of crisis. Instead when crisis came, we initially reacted with fear and trepidation, instead of being bold as lions. Forgive us Father. We commit to You that we shall arise in the fullness of who You made us to be to appropriate Your Kingdom. We will seek Your Spirit of Leadership and we will learn to operate in a spirit of excellence, stewarding all You have placed within our care to manage and multiply for Your glory.

We ask You to reveal Your heart to us, and give each of us a measure to carry Your heart into our spheres of influence, and everywhere You call us to go; and also so that we can always govern and rule according to Your perfect will on earth as it is in Heaven. Your heart is love and it never fails. Empower us to carry the Victory found in Your perfect Love into all of the earth.

Father, thank You for listening to our heart's cry. By faith in the shed blood of our Messiah, we know that You are faithful and just to forgive us of all sins and to cleanse

us of all unrighteousness. We receive Your forgiveness and cleansing. We thank You for it. We apply the shed blood of Christ to our hearts and minds. We breathe out all heaviness, and we shake off any thoughts of condemnation or shame. By faith, we receive Your Spirit, Your heart, Your love and Your empowerment to fulfill our God-given purposes as Your called and sent ones.

And so, we firmly attach our breastplates of righteousness, and in the righteousness of Christ, we come together boldly as lions to Your throne, seated in Christ, in Your Holy reverent presence, grabbing forcibly the keys to the Kingdom of Heaven, as co-laborers with Christ, we appropriate our God-given dominion and authority as Your Ekklesia, and we hereby decree:

- Let all God-hating soul ties and roots of communism within America be immediately uncovered, exposed, uprooted and annihilated in Yeshua's name.
- Let God's perfect law and righteous justice come forth! We call forth a new era of godly laws and justice to permeate the nations. Let a new crown and mantle rest upon the Body of Christ, and Your glorious Bride. Let the mantle of Esther come forth executing divine justice into every state. Our requirement of this great nation is that America is obligated to refer all legal decisions over to God as our national Divine reference. Let judges and legislators aligned with God's Kingdom hold every judicial and legislative office. We shall uphold this requirement to the best of our ability in Christ.
 - Let a national spirit of love and mutual respect be restored within this nation. Spirit of God breathe life into this nation, its heart and soul.
 - Let the prodigals receive wisdom and come home. Let revelation and illumination fill their hearts, minds and wills. Father deliver each from emotional abandonment, neglect, trauma and abuse. Heal their brains. Bring them into maturity.
 - Let all arrested development and bewitchment be broken off the people of America. We declare let the will of the American people be restored to strength. Lord align their hearts to the sound of Your voice.
 - We loose identity in Christ and God-given purpose & destiny upon America and upon every single person in the nation.
