

## Miracles of Supply for the Fighters

Miracles in a controlled economy, crashes, natural disasters and under the mark of the Beast system

1. There is no doubt about it, the elites have been planning a cash free, digital economy totally controlled by them, the ultimate in 'Big Brother', and they are rolling it out. The ultimate of course is the mark of the beast as it is Satan that they serve and he pushes them his way, fulfilling Bible prophecies of the end.
2. So what will God's children do when they are locked out of the system? Starve? Comply? Or is the Lord already preparing us for those days? Whether it comes in a year or ten, we

need to be growing in the faith to be supplied by miracles, and be training others in the gift of miracles. It is a gift of God and something that grows with obedience.

3. What does God usually do when the Enemy ups his power and control? God ups His power in us because we obey Him, serve Him and serve others with His Words. The power of Jesus Christ in us will be so great that people will be willing to give anything for our prayer, our words of life, or just to touch us. We will be dripping wet with the Holy Spirit.

4. Of course not everyone is living the life of a disciple, but I believe He will supply for His people in some way whether it is a job that is paid with assets, food, shelter, or protection, through friends and like minded people; through various other streams of living.

4 b. But for those on the front line giving their lives to feed others the truth, God is going to do out right miracles so that we can continue to pour out on others, for that is His will, His job, His message, His way of supply... that the gospels and book of Acts and Old Testament reflect.

5. At that time, people that have wealth, that own houses, companies and food, will be happy to give to us because we will be giving them what they do not have and that which costs us everything... the power of the Holy Spirit and Word of God... the living Word. Those of us who have prepared for the hard times will have the keys of life and death for others.

6. In those days all the theologians and bickering about interpretation will fall away because everyones goal will be to survive and the only way we can survive in very difficult conditions is to be close to the Lord and obeying Him. I'm so sure of this that I bet my life on it and tested it. It was not easy, but no new way of life is, and as we poured out on others, the Lord kept us going.

7. He will take what we have and pour His power on it; He will take our obedience and use it to bless us with supply. We won't care about luxuries and will only want what gets the job done, and to keep our families safe. He will take our obedience to give the truth and shine His light on it to supply.

The Lord gave me a super weapon of spiritual war in 1981 as I poured out the gospel at the University of Miami. He gave a beautiful wife, an airline stewardess, who was instrumental in meeting new people in the airline world, and later top people in business and government. We also had 3 kids that were instrumental in our work in Japan. Dalia left all to follow Jesus, giving up a good life, for a real one. (photo in Geneva 1985).

## **Story- Declaration of War**

8. When my family dropped out of Japanese society, living in a mobile home for 3 & 1/2 years, it was rough going at first. We would park in some spot provided by a friend, a stone quarry, an English school, a bowling alley, a friend's yard or whatever.

9. People would bring us food as they found out about what we were doing. They weren't even Christian, but they got the point of what we were doing, that we were living for others. Even the head of a local buddhist temple came and brought us food and money. The Lord can use some of the most unlikely people.

10. Then we discovered a miracle. As I pushed Candle, our handicapped daughter in her wheelchair, we would stop to talk to people, and she would hand them a gospel pamphlet or tract. She couldn't even speak, but they saw her smile and angelic face and just took it and read it.

11. Then after doing that for months to obey the Lord, to preach the gospel to every creature, we thought of making a donation box, put it on my daughters lap, and we found out people were willing to give us donations, even in Japan that has no culture of donations.

So then we were able to launch out traveling city to city, and just poured out on the whole country... because we could get enough donations to live; the Lord supplied but we did have to ask.

12. Yes it was radical and I got a lot of slack for doing this, but the fruit was so good, so many souls saved, so many people receiving the gospel all over the country, so that we could not deny it was the Lord blessing what we had, not even mentioning the joy of the Lord and freedom we had.

13. We can't be too proud to ask in serving the Lord, because that is His will for His disciples who are willing to do His job... we give all, and we ask for help to keep going. Our goal is to keep pouring out on others the Word and love of God and train others to be strong in faith. The Lord does supply but we have to ask to receive, seek to find, and knock for it to be opened.

14. Another time in Japan 30 years ago, we made a set of 12 audios and pamphlet of stories for kids that had a message in them, and we made it as an English learning device. We sold them as a year course, visited all the

friends we knew, and we found out that they really wanted them, bought and used them. **That personal touch of making something yourself works.**

15. So the Lord again took what we had, to supply for us because we stayed busy home schooling the kids and giving the gospel to others consistently in several ways. **God is going to take what you have, and supply for you and your family.** He will say.. **‘What is that in your hand’?** And you will say, Lord I just have two little kids; or I only have the gift of gab, or I know computers, or I am part of a ladies group, or I can only pray because I’m handicapped...

16. And He will say to you, take up that gift you have, and use it for Me with all your heart and I will supply through it. What gifts, talents or ideas we have to promote the Word to feed others, He will bless it, use it, as we are consistent to share with the world.

17. And the children of Israel complained and murmured to Moses saying, ‘we have no water’.. and Moses said.. Do I have to fetch water out of this rock, and smote the rock with his rod and water gushed out for all.

18. And the children of Israel murmured because they wanted food; and Moses prayed and the Lord said, I will provide food; tell each family to gather enough for the day and not more than needed for it will rot by the next day.

19. And the children of Israel when seeing the food covering the land like frost said. 'Manna, Manna, What is this, what is this, as God supplied food directly from Heaven, and it was like soft bread with taste of coriander. God dropped it out of the sky every morning.

20. And when the children of Israel complained that they had no meat like they had in Egypt, were tired of only manna, ... and it made God angry... but Moses prayed and the Lord accepted Moses' intercession, sent thousands of quail to them and they had meat.

21. And when His disciples came to Him and said, tell the people to leave and go to the towns to get food as it's getting late... and Jesus said to them, '**YOU** give them food to eat.' But the disciples said we don't have the food to feed thousands . And Jesus asked

what did they have? They said, just two fish and some loaves of bread.

21 b. He said bring it here, and Jesus prayed the prayer of faith connecting to His Father, and the food fed 5000 with baskets left over, as they poured out to the people, God kept creating more. We have to have a good connection with God, and obey Him to have miracles.

22. Where did Jesus and His disciples eat? They didn't have jobs; they slept outside many times.

And Jesus said, 'Zacchaeus come down from that tree, we are going to eat dinner with you tonight.' And the message is clear; those who bear the cross of sharing the gospel in God's way, in the power of the Holy Spirit, He will supply for them, and many times through people.

22 b. And whosoever shall give to drink unto one of these little ones a cup of cold water only in the name of a disciple, verily I say unto you, he shall in no wise lose his reward. Mathew 10:42)

23. And Jesus told his disciples to go into town, and they would find a donkey. Tell the owner that the Lord has need of it. Outright miracle of hearing the voice of God. Our connection with the Lord and doing what He leads, is the key to miracles. He will use people to help, such as Lazarus and family, and the many others that helped Jesus and His ragged, motley crew.

24. And Jesus said to Peter, Go cast your fishing line into the sea, and the first fish you catch will have a gold coin in his mouth. Go and pay your and my taxes with it. When all other ways of supply are exhausted, then the Lord does the miracles. He can and will give faith for outright miracles when we are in great need, when we are in His direct will.

25. You may say, but we are not Jesus nor His apostles, will He do the same for us? And Jesus said, **Greater things** shall you do than I did, for I am going to the Father. God wants His job done. He wants to reach every soul with the gospel. The key for us is to start now with starting a way to give to others. The seeds of obedience now of sharing the truth will open greater doors tomorrow.

26. When the hard times come, or when we go out on a limb for the Lord and saw it off, quitting our jobs, and dedicating our lives to giving others the truth, He will open doors for supply. That is His doing and we just obey our commander in chief, doing His work. But this is something HE has to do, not us. Much of the time we endure our jobs as good soldiers until His time to launch out.

### **How do we know what to do**

27. The first thing to ask ourselves when we need His miraculous supply is...are we doing His will or our own. Are we serving Him in His way or our own. Are we using what we have to reach the lost souls of this world with His truth. Are we obeying now in the little ways to share the truth. Are we staying clean spiritually from the world?

28. Then after you are desperate with God and hear from Him and He reveals what He wants you to do, He is going to bless that, or it will be a step to something even better, but the boat has to be in motion before the rudder can take effect. As you go, He will show; as you

obey, He will pay; and as we give, we can live. Life will take on new meaning.

29. He will lay on our hearts His direction, and we have to get desperate to confirm His will, and then do it with a passion. We show the Lord we are willing to obey even to our own hurt, and it will move His heart and hand to supply, because it is HE that wants souls to have a chance.

30. Confirm your leadings with the Lord; He will confirm it and show you the details as you commune with Him in prayer and in the Word. Be desperate to find His will, and it will be encouraging and inspiring, as well as a lot of hard work. Use the 8 ways to know God's will to confirm His leading.

#### Eight ways to know God's will

1. The Word– The Bible is the main blueprint for our lives. You never lose by living it.
2. The voice of the Word– As you read the Bible, the Holy Spirit will make a scripture come alive and the Lord will speak to your heart. That is the voice of the Word.
3. Direct Revelation– dreams, visions, prophecy– Jesus will speak directly to show His will through dreams and visions.

Ask for confirmations to prove and make sure His will.

4. Godly Counsel– make sure you counsel with the right people; those who are living the life of a disciple, not those who aren't.
5. Open and Closed doors– One way to know His will is what doors do you have that are open and which are closed. You will need confirmations as sometimes the Lord opens a door that was closed and closes others that were open.
6. Fleeces– One way to know His will is to 'lay a fleece', like Gideon did. 'Lord, if it is your will, then make the ground wet and the fleece dry'.. and the Lord did it.
7. Burdens– Heart's Desire– The Lord will put a strong desire in your heart for His will. This is the least reliable way to know God's will as we can be wrong in our desire, or desire strongly something that isn't His will at all. Get confirmations using several of the other ways.
8. Prophecy– One of the most sure ways to know God's will and to get the details of how to follow, is prophecy. You just have to make sure that your heart, mind and spirit are open to Him, fill your heart with His word, and then write down what He shows

in prophecy. Say, Jesus I ask You to speak to me in prophecy to know your will.

## Likeminded people

31. Jesus and His disciples often were helped by likeminded people. Jesus had friends that loved Him and helped. We have to have likeminded people both relatives and friends that will help each other in those hard times.

We share what we have and if you have been faithful to feed others souls, they will help when you need it. That is community, sharing all things with those who believe.

32. And all that believed were together and had all things common, shared their possessions and goods, and gave to those in need.

Begin to share the Word with those in your area, even relatives, friends, and co-workers. Eventually the Lord is going to bless it and open up doors.

God will bless those that keep His servants going.

## Assets

33. It's always good to have some assets that are not connected to the system or government. When stocks, currency, 401k's and banks fail, how will we survive. One of the answers is of course to save in assets. If the currency is in danger, don't save in monopoly money for it is worthless paper.

34. Always have a store of food, water, things to trade with and precious metals or other valuable assets instead of saving money in

banks or under the mattress so to speak. It doesn't matter how much they cost, it only matters if you have something of value when the crash or war comes.

35. Try living a week without using cash or credit cards, not being able to run to the supermarket, and this will give you the vision fast. If the government is not able to pay welfare, retirement money, or other aid, what are you going to live on? We have to grow in living by faith, and that means by obeying the Lord and getting His job done.

36. As we obey and continue to obey, He will lead and guide, will open doors and hearts, and we will be able to survive.

God is a tough commanding officer when it comes to His army of soldiers of the cross. It's a do or die situation; we obey or don't survive. That way He knows you have to do the job and that puts us in the center of His will and blessings.

## **Conclusion Comments**

37. We are coming into some of the hardest and trying times in history. We don't know

quite yet how things will unfold but eventually the End events will come, or disasters, loss of jobs, recession or a crash. Now is a time of being desperate with the Lord on how to obey Him to be prepared and how to give to others. His blessings are dependent on our obedience to His commission.

38. We have to implement all of our talents, opportunities and gifts to use them to further His work and Word. When we do that, then He turns on the miracles to supply. He will open doors for those faithful to serve Him and others. The seeds you plant today will become the fruit you eat tomorrow.

39. The obedience you do today will result in faith for miracles of supply tomorrow. My God shall supply all your needs in glory by Christ Jesus. He owns the cattle on a thousand Hills, but nothing is received without obedience and asking.

40. If you being evil know how to give good things to your children, how much more will your heavenly Father give to those who ASK Him.

Ask and you will receive; seek and you will find, knock and it will be opened to you. Seek you FIRST the kingdom of God and all these things shall be added to you.

## **JOBS**

41. Jobs are a way the Lord supplies for most of His people. The danger is always, do you own the job and use it for serving the Lord or does the job own you. Whether having a job or not in the system, we have to remain dropped out in spirit, clean from the filth of the world. If it doesn't make you compromise, then use the system to supply your work.

42. For the front line fighters, it is better to only have the gospel as our job, so we have the time and energy to live it and give it. That is only for the few who are able to do that kind of life style, and even for them, at times they must get a job. The goal in all of this is to do Jesus' job.

43 Some people can be more effective inside enemy territory, as they have access to people or services that can further the gospel even more than if they didn't have that job.

So the main thing is to get alone with the Lord and find out exactly what He wants you to do at the time... and He will lead and guide. The Lord can make you a fisher of people to save their souls in any situation.

## OBEYING WHEN IT IS AGAINST THE RULES or CUSTOMS

‘It’s NOT lawful for you to pick corn on the sabbath.’ Against the Customs and Laws?

44. And the pharisees complained to Jesus that His disciples were picking corn to eat on the Sabbath... and Jesus answered them and said, did not David when persecuted by Saul, not eat the showbread and wine that was for

the priests only? The sabbath was made for man, not man for the sabbath.

45. While we are commanded to obey the laws of the land, if we are living full time for the Lord, He does allow us freedoms that others could never do. He gives faith to do things others could not do, that are shocking at times.

John the Baptist ate locusts and wild honey to survive.

Elijah was brought meat by crows.

46. Hosea was commanded to marry a prostitute.

Ezekiel was told to eat dung to show Israel their sin.

Jesus the Son of God came through an unmarried teen.

Paul preached everywhere despite laws and customs.

Peter was told to eat unclean meat, which meant to witness to the Roman soldier a gentile, whom the Jews did not speak to.

47. The harvest is so plenteous and the real fighters, laborers so few, that the Lord has to do miracles to keep them going.

We preached the gospel inside communist East Europe and Soviet Union where it was against the law. But the Lord kept us safe despite the danger, and supplied everything needed. Despite being arrested and going to military court, His hand was on us and delivered us.

48. We lived in a camper for 3 years going city to city although it was not really legal to not have a home and address... and Japan is not a camping country, so the Lord had to do miracles for supply and places to park that had water and electricity. It was all out war. When He finds those that are willing, He will override anything to get the job done.

## **Prophecy** (inspired of Jesus)

**For those who continue in My Word, who feel My calling in their lives to serve Me, to be a disciple, who want to change the world, heart by heart, this message is for you.**

**I use military terms for it is the best way to describe the soldier of the cross who is fitted with armor and weapons of spiritual**

**war, for truly it is the ultimate war, the war of the spirit, for the souls of all people.**

**You are at war with an enemy who is stronger than you, but not stronger than Me and My forces. So the more in tune with Me you are, filled with the Holy Spirit and versed in the spiritual weapons of war, the better off you will be, the more victories you will be able to win, and more ground you will gain.**

**And from the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force. (Matthew 11:12).**

**This means that the kingdom must be taken by force of spirit, not the flesh. It must be taken in heart, mind and soul.**

**The kingdom of Heaven is connecting to the Father through Me. It is something that is taken by your fighting spirit to get ahold of Me in heart, and then delivering it to others. This takes active offensive spiritual war, going on the attack to win the spiritual battle.**

**For many have been lulled to sleep thanking that being a Christian is passive and not standing up for your beliefs, but rather let the world and the Enemy walk all over you. When I said turn the other cheek, that meant when you are actively giving the gospel, and fighting in spirit, and they persecute you, to stay on Me, to not give up, and not retaliate.. for I will repay.**

**The kingdom of heaven suffers violence because you have an enemy, Satan and demons who want to possess all humans. They are at war with Me, with the Angels and with the Father. It is intensive spiritual war.**

**So you are being armed now with all the spiritual weapons available so you can fight the good fight of faith, and WIN.**

**It is I who am arming you, training you in the art of spiritual war, to be the best soldiers, the most effective warriors that can get results. Those who can go into any situation and win, because you know how to connect to Me, be filled with the Spirit and wage war.**

**Satan and gang are increasing their power and take over of the world, and so am I. I will out match him anytime, but it is YOU who must take it, take these weapons and use them to win each battle.**

**Welcome to the Knights and Warriors of the End.**

**A Mighty Fortress. By Martin Luther**

**And though this world, with devils filled,  
should threaten to undo us,  
we will not fear, for God has willed**

his truth to triumph through us.  
The prince of darkness grim,  
we tremble not for him;  
his rage we can endure,  
for lo! his doom is sure;  
one little word shall fell him.  
That Word above all earthly powers  
no thanks to them abideth;  
the Spirit and the gifts are ours  
through him who with us sideth.  
Let goods and kindred go,  
this mortal life also;  
the body they may kill:  
God's truth abideth still;  
**AND WE WILL WIN THE BATTLE.**
