Welcome to 'EKKLESIA INSIGHTS' and to the Year of The House!

The purpose of 'Ekklesia Insights' is to ring in the new year and rally God's War Brigade with apostolic vision, identity, purpose and strategies for **DEPLOYMENT**. As we transition into 5782, there is an excitement and expectation in the air for what God is doing on the earth. The past few years have been challenging, but the Ekklesia has risen to overcome each difficulty with the resilience, determination, grace and strength found only in Christ.

**5782 is the year of "God's Governing House"**. The Ekklesia of Christ is being fully deployed as she comes into a deeper understanding of her identity and functionality as God's holy nation of both, kings and priests. This year is a synergistic year in which God's sons ignite their royal priesthood, their God-given identity and destiny as kings and priests in the order of Melchizedek, to fulfill God's mandate to advance His Kingdom throughout the earth.

In 5782, we continue to legislate God's will, intent and purposes into the earth through the releasing of Kingdom authority in our decrees and declarations. We continue to take responsibility and grow in our leadership capacity and influence as effective change agents. We increase our capacity to steward our commission to disciple the nations and raise up leaders and agents of change in every sector of life. **God's Governing House is Christ's Ekklesia**, King Yeshua's legislative council, His "sent ones", equipped with His power and authority to advance His Kingdom here on earth.

World crisis will continue to expand as destabilized governments fail. People are hungry for solutions to their problems outside of worldly systems. This new year is an opportunity to share solutions from Heaven's government, to confront the darkness that covers people's hearts & minds, and to demonstrate the glorious light of the Kingdom of God. Hope shall be ignited and multitudes of people will encounter God's supernatural redemption and restoration. **God's Governing House** has the great privilege and responsibility to advance the Kingdom of God throughout the world in 5782. We are well able. Let's do this Warriors!

## ‘NEW ERA PENTECOST’

*A Prophetic Word From Apostle Dutch Sheets to the Remnant...*

“This is what we’ve been waiting for. This is what we’ve been laboring for. We’re about to see everything we’ve been crying out for. We’re about to see entire nations transformed. **The earth has never seen anything like what’s coming now. This is not just a new season... It’s a new era.** It will be broader. It will be larger in scope. It will be worldwide. Nothing is going to stop this. And so, we’re gonna have to go down a new path. In many ways, we’re gonna have to make a new path because we’ve never been this way before. We’re gonna have to listen to what He (Holy Spirit) says.

There are thousands upon thousands of people in the Ekklesia right now that have been frustrated because they know they’ve not tapped in fully into who they are and what God has called them to do, but God has been preparing them in the hidden place and He’s about to release them now into what He’s been preparing them for. The greatest world changing generation that planet earth has ever seen is waiting now to come forth.

The signs, wonders and miracles that we’ve been prophesying for a few years now, that are coming, we’re about to move into that. Some of you have never put your hand on a person and saw a literal miracle through your prayer, with your very eyes, but I say to you... That this is the season, you’re about to see that. You’re about to see that in ways that will astound you. You’re about to see that, at times when you didn’t know it was gonna happen. **This is the hem of the garment season.**

This is when people will brush up against us and we’re in the supermarket and we don’t even know what’s happening, and they’ll get up off the floor and say, “*What did you just do to me? That tumor just fell off of me!*” or “*I can hear now!*” or “*My body is healed! What did you do to me?*”

This is a season unlike any we’ve ever experienced before. This is when we manifest who He is in ways we’ve never been able to manifest before. **This is when Jesus will be seen around the world through His body, the Ekklesia, the Church, like He’s never been seen before.** People are going to know it’s not about us. It’s all about Him!

You’re gonna shake hands with somebody when you meet them. You’re not even gonna be thinking about spiritual things but the power of God is going to hit them. They’re gonna be delivered just because you touched them.

### **Signs, wonders, miracles... EXTRAORDINARY MIRACLES!**

Translations. You watch and see if you don’t hear reports. People are going to get up in the morning and say, “*Did I really go to that village and preach the gospel last night or was that a dream?*”

I’m going to say this to you again: **“The earth has never seen anything like what’s coming.”** And it’s not because of who we are, and it’s not because we’ve asked and we want it. It’s because of who He is and what He wants. He is very intense, and He is very determined to bring in this harvest.

## ‘NEW ERA PENTECOST’

*A Prophetic Word From Apostle Dutch Sheets to the Remnant...*

And if you think that any stronghold, any demon, any dictator, any king, any government agency, or any group of people is going to stop Him, you are very, very wrong. **He will not be stopped!** He's going to restore people back to what they're supposed to be. He's going to restore prodigals back to what they're supposed to be. He's going to restore bodies back to what they're supposed to be. He's going to restore cities, inner cities, nations, into what He determined they're supposed to be. **The restorative, resurrecting, recreating power of the Most High God is about to be released on this planet like never before!**

**If you're an intercessor, you're coming into your finest hour** because this is not just gonna be priestly intercession. This is gonna be apostolic intercession. This is gonna be declaration and decree. You're gonna decree something and you're not gonna wait 10 years to see it happen.

He is who He says He is and He's going to do what He says He will do. And **the Ekklesia, that He has now prepared, will indeed be a glorious Church, that the gates of hell can not prevail against.**

I tell you, we're moving into an era where you're gonna see manifested, a group of people around the world, the Ekklesia that He talked about, that the gates and the government of hell WILL NOT PREVAIL AGAINST because of who He is. **You need to get rid of any theology that allows Jesus to lose.**

You need to get rid of any theology that says we're just barely gonna make it to the end, and maybe He's gonna rescue us. **We are part of an ever-increasing Kingdom and a King that can not be defeated, and He will do what He said He will do!**

Yes, we're moving into a literal Pentecost season. I kept hearing the Lord say, "Announcement". This is an announcement. He is announcing what He's about to do, where we're heading, what we're doing... Just as we experienced a literal Passover, we're gonna experience a literal Pentecost. Passover is not complete without Pentecost. We're not saved just to get to Heaven. We're saved to go to the next step and be indued with power from On High, baptized in fire, partnering with the King on the planet to turn the world upside down... That's who we are...

satan's not gonna be dealing with a group of people he's dealt with in the past. And if you don't think demons are nervous right now, you need to understand why there's so much warfare in this nation... It's a spiritual war and the enemy knows what God's been up to. I'm sure he doesn't like the fact that God has a bride and we've learned to worship at higher levels, and relate to Him, and be a body. I'm sure he (satan) doesn't like that, but I'll tell you this... the distaste and dislike he has for that, is nothing compared to what he's feeling right now when he thinks about the fact that God may have a true legislative army of people on the planet that understand the authority He has given to them and who He's made them to be! And I will tell you he is terrified..."

# APOSTOLIC & PROPHETIC VISION FOR THE EKKLESIA

The apostolic and prophetic outpouring has kicked into high gear over the past year. Apostolic and prophetic voices have been boldly breaking through the darkness, and what we are experiencing from this outpouring has been incredible revelations of Truth... Many people are rising from the ashes to take hold of their God-given identity and purpose, strongholds are breaking off of lives, families, marriages and communities. We are witnessing greater activation of God's people in various sectors outside of the traditional church structures.

All areas of societal influence are experiencing this great shaking. From personal relationships, to the arts, to science, to education, to health, to nature, to media & business sectors, and local and national economies & governments. There is no stone that will remain untouched.

***So what does the future hold?***

A blessed assurance for those who know the Lord and are redeemed by His blood, and sadly, much fear, trepidation, suffering and pain for those who are without Christ.

Hence, our continued apostolic pursuit... To break through the darkness and continue to shine our light to a lost and dying world, and to share the love of God and the gospel of the Kingdom of God with every single person in need of redemption and restoration. The current climate of crisis is priming the pump for mankind to hunger and thirst for the Truth we so boldly demonstrate.

In the following pages, we will be sharing some very recent, yet powerful, prophetic words released by some of God's apostles and prophets who impart identity, purpose, vision and direction to the Remnant. Let's go Warriors!

# A WORD FROM THE LORD OF HOSTS... *(spoken by Apostle Greg Hood at Oasis Church 7/16/21)*

I hear the Lord saying that, "I'm changing your voice. I'm turning your bleat into a ROAR." says the Lord. "I'm shifting you from where you have been comfortable operating and I'm bringing you into a place that you will begin to be comfortable dominating." says the Lord. "For I am shifting you out of your comfort zones, and bringing you out of places that you want to be pampered and places you want to be padded. **And I'm putting a scepter in your hand**" says the Lord, "And I'm bringing you as kings out on the battlefield, out on the battlefield of the world, out on the battlefield where those have hijacked the thing that I have set in this earth to be Mine, and that is My dominion. **I am putting a crown**" says the Lord, **"upon your head. A new crown, a crown that fits you, a crown that you will wear.** You will not wear the crown of another man. In this season you will not try to be this one. You will not try to be that one. For **I'm bringing you, My Ekklesia, into the place of your authority, into the place that I've set you**" says the Lord, **"as My sons and My daughters."**

**"As I place the crown upon your head, I will begin to cause a hunger to begin to rise within you, to shift you within your mindsets, and to shift you within your thinking, that your operation will begin to change.** I'm shifting your palette" says the Lord, "and the things that

you've desired. The things that've tasted good to you, up until now, will no longer have the flavor that you thought it once had. I will begin to give you a taste for My presence" says God, **"I'm bringing you into a place that you'll not operate out of an atmosphere of hype, out of an atmosphere that has been drummed up and concocted by man, but I am bringing you into My presence"** says the Lord, " and you will begin to flourish. You will begin to see things that you've never seen before."

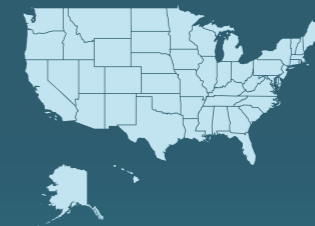

"There's a boldness" the Lord says, "that I'm releasing within you. A fresh infilling of My Spirit, that you would begin to walk with a different walk and you would begin to talk with a different talk. **You will begin to see yourself as I see you**" says the Lord. "I'm beginning to shift you and move you and bring you into different places. **Things that have anchored you will no longer anchor you any longer. Things that've held you will no longer hold you any longer**" says the Lord. "For I'm uprooting some of you that have been potted plants, that have been happy being watered and I'm placing you in a place that I'm calling My vineyard" says the Lord, **"And you will be producers of this new wine. You will be those that bring forth My glory and the impartation of My Spirit"** says the Lord of Hosts.

## A WORD FROM THE LORD OF HOSTS... (spoken by Apostle Greg Hood at Oasis Church 7/16/21)

“For I am moving you into a place of alter” says God. “You are bringing My nations back to Me, but you're not doing it as a begging church. You're not doing it as those that are weak and asking Me from Heaven any longer. **For We are partnering” says God, “and with this scepter, and with this crown, and with this new wine,” says the Lord, “I am shifting America.** I am shifting this nation. You will no longer be moved by what you see, but what you see, you will begin to say, and you will begin to watch what I have said. You will no longer begin to be moved by what I've done” says the Lord. “They will not move you, but you will be moved by what I say. You are moving into a place that My actions are not what excite you, but it is My Words that move you, and activate you, and seal you,” says the Lord, “into your assignment. **So America... Ekklesia... come into your place. Come into that place,**” says the Lord’ “that I am releasing you into the nation, not with a bleat of a sheep, but with the ROAR of a lion.” says the Lord of Hosts. (Delivered by Apostle Greg Hood)

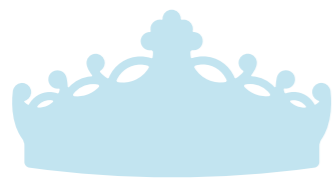

**“For We are partnering” says God, “and with this scepter, and with this crown, and with this new wine,” says the Lord, “I am shifting America. I am shifting this nation.”**

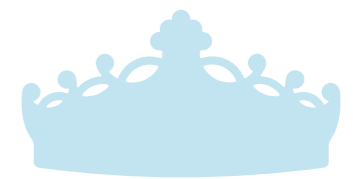

***“And you will be producers of this new wine. You will be those that bring forth My glory and the impartation of My Spirit”  
says the Lord of Hosts.***

**“I’M CHANGING YOUR VOICE. I’M TURNING  
YOUR BLEAT INTO A ROAR.” SAYS THE LORD.**

# A WORD FROM THE LORD OF HOSTS... *(spoken by Apostle Tim Sheets at Oasis Church February 2021)*

**Prophetic Word #1:** The new era I have planned will now be established in supernatural displays of My dunamis. **Holy Spirit's power will activate on the earth in greater measure and with sudden surges of My mightiness says the Lord.** Miracles will suddenly happen. **My people will experience and live in sudden breakthroughs. Long standing battles will end in sudden victories.** I have planned the release of millions of sudden personal victories for My remnant to validate the new greater glory apostolic age. I will confirm it with signs, wonders and miracles. **Personal breakthroughs for My faithful warriors will surge and I will deliver them.** I will validate the expansion of My Kingdom Ekklesias on the earth with displays of My right hand of power, enabling them to see the reversal of natural kingdom government's opposition and hell's spiritual kingdom government's opposition. **Supernatural reversals are planned and will activate and will result in God victories for My Ekklesia. My Ekklesia will begin to say, "There are sudden victories occurring all over the world."**

This will be clear and visible and irrefutable validation says the Lord. I will confirm what I say. Sudden surprise attacks are planned against your enemies. Angel armies that I command have set traps that I've approved. They are springing forth in the spirit realms and in the natural realms and there are startled cries coming from demon thrones. They are cries of anguish rising up from hell's fortified strongholds. They were not fortified enough says the Lord. Their resistance of Me, My

Holy Spirit, My heirs and My angel armies will suddenly implode as My dunamis explodes. My angels will work the explosion with the Ekklesia's decrees of governance.

The Lord of Hosts decrees: **You are moving into the days of My power... Power that validates Who I Am and validates who My sons and daughters are... Power that validates the Church I am building for this era.** For you are moving into a new era Pentecost that will validate the second apostolic and prophetic age. I have planned for a mighty surge, not from an Upper Room in Jerusalem this time, rather, from thousands of Upper Rooms in the nations of the world. **You will see the rising of My Ekklesia in all 50 states, and you will see My Ekklesia rise in the covenant nations of the world.** It will accelerate the power principles of My New Testament church. I will accelerate the power ministry of My heirs. And it will accelerate the powerful assistance of My angel armies. I have planned for and have now sent angel army divisions that will assist Holy Spirit to validate that the Kingdom of God is on the earth and draw multitudes in the valley of decision to Me.

**My heirs will raise the rod of authority in the nations and the nations will be disciplined by them through Holy Spirit's wisdom, His power and strategies** and through the unprecedented release of Heaven's angels on the earth. Breakthrough angels, government angels, angels of alignment, and special forces warriors are at levels the world has never seen and have been activated says the Lord.

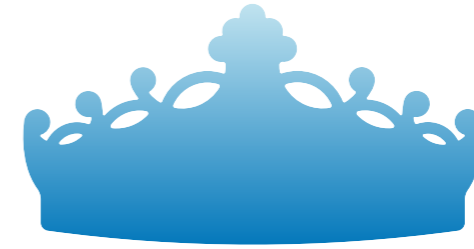

**“Their [hell’s] resistance of Me, My Holy Spirit, My heirs and My angel armies will suddenly implode as My dunamis explodes. My angels will work the explosion with the Ekklesia’s decrees of governance.”  
says the Lord of Hosts**

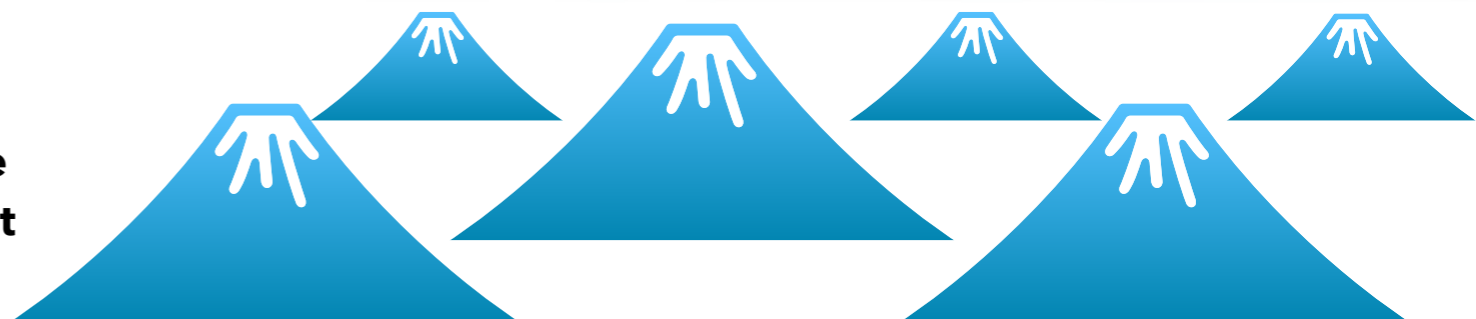

# A WORD FROM THE LORD OF HOSTS... (spoken by Apostle Tim Sheets at Oasis Church February 2021)

I have moved in unseen ways, multiple divisions of angel armies into all nations and states that have My Ekklesia rooted into them. It is time for the unseen to be seen. It is time for "the surprise" says the Lord. It is time for the suddenlies to erupt. **It is time for the volcanic hubs of My Ekklesia to erupt in great power and pierce earth's atmosphere.** Yes, says the Lord... What has been boiling underground...Yes, says the Lord of Hosts, internal fires, deep within them will erupt. Not in one place; in hundreds says the Lord. My Ekklesia will say, "There has been a Kingdom eruption, power flows like rivers. **My glory has been churning and burning deep inside of My glorious Ekklesias.** It will now erupt through My kingdom Ekklesias like volcanoes, penetrating and changing the earth as My fire and evident presence hovers over them, validating the Words of Messiah their Breaker. I will build My Ekklesia and the gates of hell will not overcome them. Hell's government will not prevail.

You will see a sudden eruption of Pentecost and fire for you have now entered a fullness of time that I have planned for. A fresh Pentecost outpouring of anointing and power is now being released upon earth. And everything in My Kingdom will now accelerate says the Lord. **The King's Empire will expand. His Kingdom government will expand.** Authority will be validated and demonstrated by His heirs. The Lord of Hosts decrees I will shift your nation back to its covenant roots. I will shift the nations back to their covenant alignment and you will see revival fires of new Pentecost worldwide. **You will see the harvest of souls I have planned for, and you will say, "What a difference a day makes."**

**Prophetic Declaration:** "These are volcano-like Ekklesia hubs on the earth that will erupt in great power that will change the cultural and government climate of the earth, in sudden and in real ways. They will erupt in demonstrations of Holy Spirit power and I will validate their reigning decrees. I have planned for them to prevail mightily."

# A WORD FROM THE LORD OF HOSTS... *(spoken by Apostle Tim Sheets at Oasis Church 2021)*

## Prophetic Word #2:

The Voice of Lord: **You will now see the mighty deliverance Elijah saw from the prophets of Baal in your times.**

Freedom from the constraints of Jezebel is now activated. Her fall is planned. You will dance the dance of Miriam's victory dance. The horse and the rider have been thrown into the sea. You will shout the shout of Gideon, The sword of the Lord is being revealed and **My Ekklesia will shout, "The Sword of the Lord and His Ekklesia!"**

You will decree the Word of Isaiah, "There is double for our trouble." Grace is multiplied. **The siege of our enemies has ended. No weapon prospered. All who rose against us failed. My people will declare, "Our God is mighty to save.** There is relief from our tormentors and sorrow has turned to joy. Grieving has somersaulted into laughter." You will say as Mordecai, "Haman's work is boomeranged back upon his head."

**You will say as Esther: "The King's authority is within our reach. His scepter of power is stretched toward to us. We reign in the King's authority. We reign. We reign and validate with the King's signet ring. We change the fate of nations with the King's authority."**

You will say, says the Lord, as My people in Persia's oppression, "The tables have turned and my overpowerers have been overpowered."

**My Ekklesia will overpower those who sought to overpower them. My Ekklesia will overpower hell's over-rated power.** They will overpower with ever-increasing authority, the evil decrees and doctrines of devils in media, in culture, in government, fake news, fake propaganda, fake power. Stolen authority will be overpowered. **Real overwhelming power will be seen in My Ekklesia,** overpowering the forever loser and his kingdom. Mark it down, says the Lord of Hosts, the United States Congress will become concerned with My will.

***"Grieving has somersaulted into laughter." You will say as Mordecai, "Haman's work is boomeranged back upon his head."***

# A WORD FROM THE LORD OF HOSTS... *(spoken by Apostle Tim Sheets at Oasis Church 2021)*

Mark it down, says the Lord of hosts, they will see the tables turned. They have built a house on sand. Overpowering winds will blow against them. Shakings in the natural realm validate their shaking is coming in the government realms. Whirlwinds. Whirlwinds of change will be seen. The authority of anti-Christ covenant breakers will see their authority waning from their sickened souls. Their influence will bring diminishing returns and suddenlies will rain upon them. Traps set will spring, says the Lord. I have planned and it will be seen and validated. **My Ekklesia is taking her seat with the King of glory, ruling and reigning with Him from an exalted position of power.** Yes, and overpower. Yes, far superior power. **Yes, an exalted spiritual government with real authority. They will not fight from earth realms. They will fight from heavenly realms and with overpowering authority they will change earth realms.** They will reseal Congress with those who recognize My will.

**For the time has come for the grand opening of a Church that the King has built for this era...** Power from Heaven is being poured upon it and the enemy's reversal era now begins. The table-turning era has begun. **The ruling and reigning era of My Remnant has begun. The signs, wonder and miracles era has begun. The harvest era has begun. The era of overpowering power has begun.**

# A WORD FROM THE LORD TO HIS EKKLESIA

## FOR KINGDOM ADVANCEMENT IN 5782...

*Written by Louise Scotti, July 3, 2021*

It will be clear who lives by faith in My Son and who does not in this upcoming year. As structures of darkness begin to be dismantled, those who have placed their trust in them will realize their idols are failing them and crumbling. My light will continue to advance. **Those who are called by My name, who are Mine, will emerge from the process of purification. Having been strengthened by My Word and My Spirit, they will have spines of iron, standing as mighty fortresses against the crumbling darkness.**

I am in control. My Word will accomplish all I have sent it to do. **My people will not be put to shame.** The last few years have been a training drill for what is to come. Unless a man be founded on the Rock, he shall not stand. Unless a business or organization or government be founded on the Rock, it shall not stand, but crumble. I will pulverize all that stands against My Son and His reign. I am in control.

The devil is defeated. Those who succumb to his lies and fear mongering will fail in strength. **Guard your ears, eyes and minds. Guard all I have given to you. Guard your inheritance.** The enemy will make vicious attempts to undermine those who walk by My Spirit, but if you keep guard over what I have given you to watch over, you will stand tall.

**My glory will be displayed in 5782. I will confound those who think they have control.** They will realize they have been pawns of satan and will encounter decisions of reckoning. I desire that none perish of My creation but relent from their evil doings and turn from wickedness unto righteousness. Many will turn to My Son in this year. He shall be revealed to many. **This year will be a year of great harvest for My kingdom. Prepare to steward My newly acquired sheep. Call out to Me for My strategies. In this harvest season, you will father those who come into My Kingdom.** You will not abandon them but will uphold, instruct and raise up My sons. Take heed to fulfill this responsibility with My love, wisdom and grace.

As Yeshua is revealed to nations that refused Him in the past, My scepter will strike their demonic structures until they crumble. The "turmoil" in the natural is simply the bending of structural knees to the knowledge of Truth. **Fear not the shaking, My mighty ones, rather, be a refuge to those in need of My Word, My Truth, My Light, My perfect plan of redemption.**

**I am redeeming in this hour! Call out to the lost. Implore them not to miss their time of reckoning. Today is the day of salvation.**

My beloved ones, in your own lives, where anything has held your hearts and minds and kept you from giving Me your best, I will deal with these strongholds and will bring forth a mighty deliverance, as you bring them before me in full faith. **Do not fear the shaking. Stand tall and strong, speaking My Word, My plan of salvation, the good news of My Kingdom.** The Father is revealing the Son in a greater way this year through My servants.

**To My Ekklesia, I address your perspective... A reminder that you carry My perspective and My Words and My Spirit at all times. Remain strong in your Lord. I am for you, not against you. Advance My Kingdom. Teach My people to occupy.** I am coming very soon. **Fortify My people.** Remember the power of My shed blood. Appropriate the power of My grace that I have freely given you. You shall not lack. You shall not want. **You have all you need. Free yourself from the worry, fear and dread that have gripped your souls.** Sever emotional ties to the lies of the enemy. Illusions and delusions shall not interfere with the vision I have imparted within you, for the glory of My Ekklesia is soon to be revealed for My glory. **I am the Lord and I never fail. Remain in Me. Stand for My glory in the power of My Victory. I am with You always.**

**Shout the good news of My Kingdom from the rooftops. I require boldness from My Ekklesia.** It is already within each of you. Leave no stone unturned. By My Spirit you have been birthed to grind stones to dust. Do so. Legislate. **Carry My light and truth and remain in the depths of all that I am... pure love, which can not fail.** Resolve within your hearts to relentlessly share My kingdom. Shake off the enemy's snares like Paul shook off the snake bite. Remain in My joy. Remain on course with the purpose I have placed within you. Believe for My promises which are "yes and amen". **I Am faithful and I Am a BIG GOD. Believe Me for the great glory of My Kingdom and you will see the power and the glory unfold before your very eyes.**

Continue in 5782 the advancement of My kingdom, as you have done in 5781. Many of My Ekklesia have developed sharp teeth for tearing down demonic structures this past year. Yet, many have developed hardened hearts in the tearing down of these demonic structures. **For some, you have exercised authority, but your love has grown cold. Come back to Me fully. Allow My love to melt the stone from your hearts.** My impact comes from the pureness of love. **Love is My excellence and effectiveness. I call you unto excellence and effectiveness.** To live outside of My life-changing love is to not live at all. **Remain in My love. Let My love be your perfect motivator and guide you in all you do to advance My Kingdom.**

**To be one with Me is to be the embodiment of love.** In Me this is possible, but in your own strength: merely a clanging cymbal.

In this year, there will be required from you, a tighter weaving of My body, like a brilliant tapestry, to be connected in prayer for and with each other. Genuinely and sincerely care for one another tenderly. Be loving and compassionate, full of mercy and lovingkindness for each other. There can be no spirit of offense within My body. There can only be love, and love is activated by faith. Have faith with your brethren, that I have called and chosen them for this time for the work I have set before them. My Ekklesia will not operate like the church system of man ruled and governed by pride, manipulations, intimidations, silent treatments and witchcraft. That foolishness brings Me no honor or glory and you will have no part of the works of darkness. **Forgive readily. Cleanse your hearts of all bitterness. Bring your hearts before Me for examination.** Allow Me to bring correction and revelation. **Hunger and thirst for My righteousness to shine from within you,** as Moses countenance shined before the Israelites when he came down from the mountain. You must daily come intimately into My presence. This is your great privilege, not an onerous burden. Stay in the sheepfold. Remain in My love. Surrender the parts of yourselves that operate in darkness. Let

go of all fruitless contentions. **Remain in the presence of My love, grace, Spirit and joy. The culture of darkness will crumble within My presence.** Let go of useless strategies and tactics that can never bring glory to your King. Daily hear from Me. Remain in My love. Allow My perfect love to purify your motives and bring you all into the bond of perfection, unity with Me and with each other. **You will carry My Kingdom's culture into all of the earth.** I am in control.

The devil has asked to sift many of you. Fear not. **I declare your victory. My glory will be revealed in greater and greater ways as you are fortified by My Spirit and My Word. My Ekklesia will be unshakeable. My glory will be revealed through you.** Let go of disempowering mindsets, attitudes and ways of thinking. Let go of disempowering stories that hinder your walk and effectiveness. **I command effectiveness. I command fulfillment of your potential. I command expansion.** Be freed from the shame, condemnation and fear of punishment that has controlled you in the past, weaved by religion's indoctrination. Be loosed from the raveling cords of the enemy's nets. **Know My heart. Know My goodness. I challenge you to continue to rise, from MY KNOWLEDGE of who I made you to be.**

**“Be firmly rooted in Christ as My sons. I Am a Father, filled with love and excitement for you as you journey outside of comfort zones and embrace the glory of who I created each of you to be.**

**My commands to My children are filled with encouragement, with wonder and with lovingkindness. Hear the heart of My voice. Know Me. If you are to share Me and My plan of redemption in the full effectiveness that I have established for you, then you must know Me, My heart and My voice. I Am love. Have faith in Who I Am. Cultivate this faith in Who I Am. It is this very faith that overcomes the world.**

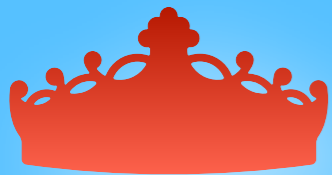

**My diamonds are shining. My majestic sons are rising, carrying the glory of their King. All of creation has anticipated your rising. Occupy. Advance. Take territory. Rescue. Bring the lost to Life.**

**I Am with you and in you My beloved children.**

**Sons shine!**

**It is your time to shine!”**

# THE EKKLESIA OF CHRIST IN AMERICA

## Prophetic Dream

I had a glorious dream...

Thousands and thousands of people were wearing red, white and blue, singing patriotic songs.

I was suddenly given a bird's eyeview...

Streets and cities were fully draped in American flags of all different shapes and sizes. The streets and sidewalks were painted with Centennial colors and people walked the streets smiling from ear to ear. There was a big parade-like celebration coming and everyone was exuberant.

America was whole and at peace.

– End of dream –

**DECREE: *Let America shake herself loose from the shackles of tyranny and may we stand tall, united in peace and righteousness. The kingdom of God is operating in America now... BY FAITH, we take hold of America's national Kingdom destiny.***

***God bless America!***

**EKKLESIA'S** 

# **KINGDOM IDENTITY...**

**WE ARE:**

**KINGS IN GOD'S KINGDOM**

**GOD'S ROYAL PRIESTHOOD**

**GOD'S HOLY NATION**

**GOD'S AGENTS OF CHANGE**

**GOD'S END-TIME LEADERSHIP**

## **The MASTER KEY of The Kingdom of God...**

In the Kingdom of God, the Holy Spirit is the Master Key to unlocking the riches of the Kingdom. He lives within each of us, to guide and instruct us. Yeshua stated, "The Kingdom of God is within you." This is a truly revolutionary statement, contrary to religion, and all other systems of belief that fallen man has been oppressed and enslaved by. This is precisely why Yeshua's initial message was for all to "repent", meaning, to change the way they think about everything under the sun, including themselves.

Mankind has been indoctrinated by the disempowering, oppressive lies of the kingdom of darkness. We have shuddered at the thought of seeing ourselves as assertive leaders and change agents, sent by God to bring about the dismantling of the world's corrupt systems that are in direct opposition to His ways. We have cowered in the face of religion when it has accused us of prideful arrogance for speaking the truth of God's Kingdom. We have at times, passively allowed communism, nazism, totalitarianism, satanism, statism, humanism and secularism to advance their dark agendas, when all along, we knew this was not God's way. Many times, we have denied our rightful place and authority as the sons of God, to stand up and fulfill God's mandate in Genesis for us to rule the earth as a colony of Heaven.

*Why did we do this? Lets blame it on Adam! :-)*

When mankind fell, God already had His Kingdom solution in place. You see, mankind did not lose a religion when Adam fell. We lost our Kingdom Government and the empowering Spirit of God. You see, the Holy Spirit, the Governor of Heaven, left earth the very day Adam fell, because Adam abdicated his throne and his kingly responsibilities and handed control of the earth over to satan. Adam had committed treason against God.

Thankfully, God in His infinite wisdom knew mankind would mess up, and so in the fullness of time, He sent Yeshua to the earth carrying a Kingdom government, not a religion... *(Continued on the next page...)*

# EKKLESIA'S KINGDOM IDENTITY...

Yeshua not only paid the price for our sins, but He paved the way for us to be in right standing with the Government of Heaven again. Right-standing is a governmental term, not a religious one. Yeshua legally reclaimed the earth as a colony of Heaven, and the best part... He re-established communication between Heaven and earth, so that the Kingdom citizens could once again hear from Heaven and be indued with the glorious Spirit of God. The Holy Spirit empowers Kingdom citizens to take dominion over their circumstances and operate in Victory and excellence, all while fulfilling King Yeshua's command to occupy the earth with the influence of God's Kingdom.

The Holy Spirit is the Spirit of Leadership. He is the warring Spirit of God's Kingdom advancement. He is the Spirit of Christ, the Spirit of Love, the Spirit of Truth, the Spirit of Victory, and He lives within each of us who have become citizens of the Kingdom of Heaven. **The Master Key to unlocking the Kingdom of God is the Holy Spirit.** We utilize this Master Key when we decidedly partner with Him via activation...

Sadly, many of God's people have been indoctrinated by religion, and still do not see themselves as leaders, producers, creators, problem solvers, victorious warriors or Kingdom governing agents. Many have bought into the lies of the enemy that our lives are not significant, that we do not carry glory, or greatness, that we were not created by God to permeate the kosmos (world systems) with the influence of God's ever-increasing Kingdom expansion. We've been indoctrinated to conform, to do as we're told by the religious authorities, but I tell you this...

Old conditionings are losing their hold now. Old triggers are being broken off the Ekklesia's nervous system. **We shall no longer react to worldly reverberations, but we shall contain and crush the enemy's failing frequencies and fainting echoes, when we respond with and only to God's Words, God's vision, and God's plans.**

**We are called back to the ancient paths... God's original intent for mankind before our fall...** We are called to rule the earth, to dominate it with God's wisdom, God's Kingdom culture, God's laws, God's language, God's attitudes of faith, assurance and Victory. This is what we are called to, and in the name of King Yeshua, we shall now arise to re-capture our leadership spirit by believing what God says about us and by partnering with the 'Spirit of Leadership', the Holy Spirit, within us!

There's a wise saying that goes like this: **"You can not utilize what you do not recognize."** Once we come to recognize that the Holy Spirit is already here within us, that we already have everything we need, that we've already been given the keys to the kingdom, that we have the ability to function just as Yeshua did, when we come to this realization, then and only then, will **we be able to fully utilize the keys of the Kingdom, and maximize our "Christ potential" for a world in need.**

The Holy Spirit is the Master Key... It is in partnering with Him by faith that this Master Key is activated. Yeshua commanded us to go into all the world systems and preach the good news of His Kingdom Government's return, of redemption and of God's plan for restoration through the power of the Holy Spirit.

**So what prevents us from fully taking hold of this glorious, precious Master Key and transforming the world around us?** I believe it is the anti-Christ strongholds and false self concepts of the old wineskin that stop us. We discuss the wineskin of false self next...

# EKKLESIA'S KINGDOM IDENTITY...

**The wineskin of the false self stops us from embodying the fullness of Christ.** This is why we are called to die to self. In Christ, there is no "self" there is only being. We are called to be love just as Christ is love. We misunderstand what it means to die to self and so we have a difficult time consistently partnering with Holy Spirit. The self that must die, is the fallen nature, the version of ourselves that was contaminated from the fall of man. The version with brokenness, insecurities, hang-ups, obsessions, addictions, lusts, hatred, limitations, sickness, depression, evil thoughts, self-pity, disappointment, despair, hopelessness, etc.. These old wineskins plague all of fallen humanity.

Yet, in Christ, these things lose their grips on our souls. **In Christ, there is strength, there is wholeness, there is hope, there is peace, love, truth, healing, health and oneness with our King.** There is the life of the true person that God created us to be, that is glorious, filled with His Spirit, fully alive unto God, full of His light and His love, His forgiveness, His kindness, His compassion, His mercy, His peace and His Spirit. **This is the new wineskin, who God made us to be in Christ.** This new wineskin is glorious and fearless. This new wineskin shines with the light of Yeshua, operates in His love, is one with His love, manifests the Kingdom of God with ease because it is already within the new wineskin version of us.

This is why the old wineskin of fallen self must die. Self doubts, disempowering mindsets and attitudes plague the old wineskin fallen self. They do not exist in the new wineskin.

Self consumption gets in the way of the fullness of Holy Spirit's activation within our lives. Old wineskins have tears. They leak. They can not contain the new wine. Patching our old wineskin selves can never harness the power of the Holy Spirit to the extent that we were created to. We must let go of the old wineskin. We must surrender and allow the old to die so that there's an adequate house for God to fill with the new.

We truly have all we need to fulfill God's mandate. We can now freely go and heal, preach, recover, liberate, proclaim and advance, but often times, doubts prevent us. We doubt God and who He created us to be. We succumb to faulty, fallen programming of conformity, passivity and slavery mindsets, but these are all old wineskins and its high time we kick them to the curb.

The Holy Spirit is a Gentleman. He will not force God's will upon us. We must partner with Him, to come up higher into the new wineskin Kingdom version of ourselves that He created us to be.

God created us for Victory. Let's partner with the Holy Spirit, the Master Key of God's Kingdom, to advance the Kingdom in and through our lives and shine the light of Christ for all the world to see Him. As He is, so are we in this world...

# ~ EKKLESIA KINGDOM IDENTITY BREAKTHROUGH ~

**The Spirit of Liberty is upon these words, to sever the shackles of religious indoctrination, passivity, mind-control, witchcraft control, counterfeit authority, counterfeit leadership and all false Christs. All man-made religious systems holding God's people in false piety, false humility, false worship, self defeatism, and self pity crumble now in the name of King Yeshua....**

**I declare: The old wineskins are being peeled off God's glorious Ekklesia and she shall fully inhabit God's original intention for her purpose and she shall now align with her Kingdom destiny.**

**God's Ekklesia shall now rise. The Breaker, God's Spirit of Victory, is loosed now upon the Ekklesia, empowering her to go forth into the fullness of all Christ has for her. The Lord is setting His glorious Ekklesia free from disempowering beliefs, habits, attitudes; from oppressive, passive slavery mindset conditionings, that have rendered His glorious Lioness to bleat like a sheep when He created her to ROAR! Voice of the Ekklesia be loosed now to speak for your King!**

**I declare, God's glorious end-time Church is about to undergo a RADICAL transformation as God rewires the brains of His Ekklesia with the Mind of Christ and completely infuses the Body of Christ with His royal DNA. God never, ever fails! To God be the glory!**

# EKKLESIA IDENTITY

## 'WE ARE THE REMNANT'

by Prophet Zion Matthew

**“Prepared and forged in the fires of affliction, we were born to shape the course of history and download the heavenly blueprint, about this time and about this day and make it plain to our generation. We have been fully configured to incubate solutions and remedies in the earth realm to migrate our fallen earth back to the original blueprint that is recorded in the archives of Heaven. Our conversation is in Heaven. We are born from above, not of the flesh, not of the blood, not of the will of man.**

**Consecrated, separated and chosen to be our Father’s battle ax in the earth, articulating His mind and His heart to a fallen humanity, we are the ones that angels and archangels recognize as God’s legal agents of change in the earth realm. We navigate and traverse both, the realms of the earth, and of the heavens of Heaven. We were birthed out of Heaven’s womb under the incubator of many sons of God. We are midwives and birthers. We are seed carriers and incubators. We have a choir born from Heaven to see the knowledge of the glory of the Lord cover the whole earth like the waters covers the sea.**

**We are a balanced people. We understand our earthly responsibility while fully executing our heavenly mandate. We were born to bring Heaven’s reality to earth. We are called to the Remnant. We are called to redefine ecclesiastical dimensions on the earth and to bring God’s righteous government and establish it as a righteous rule and legal entity on the earth. The mandate of the Awake Movement is one of raising up the next generation of history makers and nation shakers that will bring the force of the Kingdom of Heaven to earth by overturning the spirit of dead religion and the fruitless traditions of men.**

**We desire the fullness of God and we will give our eyelids no rest until we create places of habitation in every region, every city, every nation and on every continent.**

**Our worship carries an apostolic aggression against the power of darkness. Our sound is unique. We don’t apologize for our flow. We can not be duplicated and our flow increases from generation to generation. We believe in a multi-generational flow of the anointing and the glory of God, that as its passed down from generation to generation it increases in power and intensity.”**

# GOD’S REMNANT WARRIORS

**“The Awake Movement (of Remnant Warriors) believes in the unity of the saints. We embrace the sons of God from every nation, tribe and tongue...**

- We are blessed not just to operate with the oil and flow of our own present anointing and grace.**
- We have entered into the labors of those who have pioneered the way before us.**
- We are called to impact the mountains of influence.**
- We pray.**
- We intercede.**
- We trade on the trading floor of Heaven.**
- We press on the threshing floor of the Spirit.**
- We war in heavenly dimensions.**
- We are openers of portals and God’s spiritual dimensions.**
- We are legislators and officers of the Courts of Heaven.**
- We are the Joseph’s of our day... We lived through the pit and the prison and now we await our call to the palace.**
- We [at Awake Global] are more than just a gathering...**
- We are one man: God’s corporate man, many members, one body.**
- We carry the multiplicity of anointings and function in the multiplicity of gifts and graces.**
- We make no apology for who we are.**
- We do not tolerate the mixture of Babylon.**
- We are God’s thoroughbred warhorses and we march to the beat of our Commander and Chief, Yeshua, the Stone that the builders rejected, the Captain of the Hosts.**
- For Him, we make straight the way.**
- For Him, we open up the doors and fling open heavenly gates.**
- We are here to prepare the way for the coming of the King of Glory.**
- We are awake and we will never be put to sleep ever again.”**

Authority, Culture & Righteous  
Rule

Over the past decade, the Lord has given me various license plates to share with people. Some have been to build faith and bring hope to those who've been lost in the depths of despair. Others have been for edification, encouragement, exhortation, course correction, and also to serve as war strategies to empower God's people with His Warrior heart so they could utilize their Kingdom authority and send the enemy running out of their lives.

From the hundreds of license plates came forth various warfare operations to stop the proliferation of darkness in the nations and to advance the Kingdom of God. 'Operation Lock & Load' was birthed from these 'God Plates' along with 'Ekklesia Insights' and 'Operation Restoration'.\*

It is my deepest desire to share all the strategies for Victory the Lord has given me with His glorious Ekklesia. Until such opportunity arises, here are a few of the 'God Plates' He has given me to share with His mighty Warriors. The words on these plates have been known to impart identity, purpose, Kingdom mentality, and encouragement to weary warriors.

It is my pray that the following 'God plates' bless and encourage you personally, just as if God intended them especially for you... because He did! :-)

"TO ADORN WITH IRON"

**"I will declare the decree: The Lord has said to Me, 'You are My Son, Ask of Me, and I will give You the nations for Your inheritance, and the ends of the earth for Your possession. You shall break them with a rod of iron..." Psalms 2: 7-9**

## FORGED BY FIRE...

**Kingdom Warriors: God has been forging our character in the fires of affliction. He is adorning us with spiritual armor that is being galvanized and fortified by the Master Blacksmith. At times, He heats the fires of adversity, then purifies our armor by burning off the dross, then He tempers our metal by cooling it. As He continues this process, we become stronger and stronger in Christ. We shall shine for Him with the excellence of His holiness and His character...**

***"And not only this, but we also exult in our tribulations, knowing that tribulation brings about perseverance; and perseverance, proven character; and proven character, hope; and hope does not disappoint, because the love of God has been poured out within our hearts through the Holy Spirit who was given to us." - Romans 5: 3-5***

# A WORD FROM THE LORD...

## IDENTITY

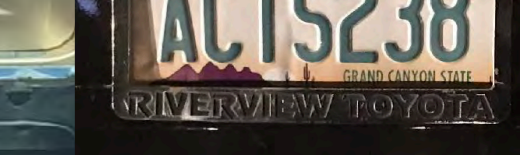

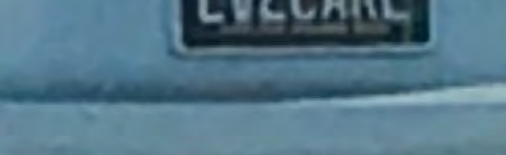

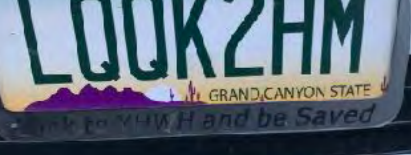

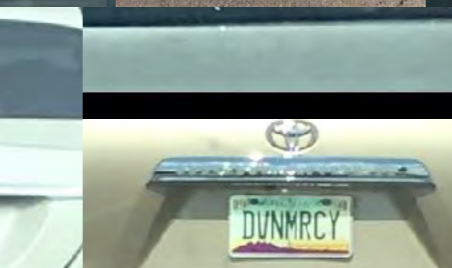

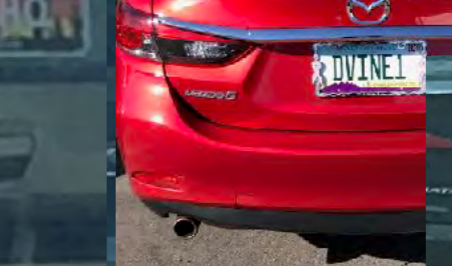

The following Word of the Lord was spoken over my life back on 7-17-17 by an anointed Man of God... I contend daily to fully take hold of this Word and pray it encourages you as you prevail against the forces of darkness.

*As a side note: On 7-17-17, I had originally planned to attend a prayer service, but felt tired. As I was driving, I saw a license plate that said "Gotz 2 Go" so I shook off the fatigue and I went. At the end of the service, there was an altar call and this Word was spoken over me. I believe it is a Word from the Lord for all who are rising up as God's Frontline Apostolic Kingdom Warriors...*

**The Lord would say to you:**

**"The broken will become the breaker. You have been broken... Now you're the breaker. You're going to break down what has ruled over you. You're going to speak the Words of Life and you're going to declare it, for the expectation of your life has not been what I declared it to be. I raise you up tonight, says the Lord, I raise you up to that which is called in you, to pursue what has pursued you. The broken will become the breaker and you will speak the Word of Life over those who have said, "It will not happen", but it will happen. Your Word of Life and your faith will rise up and you will see the glory and the power of God in people's lives, that they have left you behind, but you will bring them forth. You will walk with them and they will walk with you and know the Kingdom and the power and the glory. I'll bring revival to your family. I'm going to bring healing to the whole clan. I'm going to cut the roots of the things that have brought destruction and have brought fear and have caused my children of destiny to become children of despair. But I've change that now. I change that in you and I give you the Word of Life. The broken one will become the breaker. Speak the Word of Life in power over your own life and them for I have declared you healed & delivered, and I have declared you set free to be unto me all that I've called you to do. Amen."**

# DUTIES OF EKKLESIA KINGS

- Ekklesia is God's Governing Council on Earth, here to implement God's original plan, of the restoration of mankind back to God's Kingdom rule
- Called to manage, rule, lead and steward the earth for God utilizing His Word as our Government Constitution, leading by example, obeying God's laws
- Called to take dominion in all areas of life utilizing the resources of the Kingdom along with serving our personal gifts and influence with the world
- To legislate earth according to God's laws, His culture, His ways, His wisdom, His heart
- To judge wickedness, forbid its advance and help mankind to be reconciled with God and His righteous government
- To prevail against the forces of evil, overcoming through God's love, kingly authority & righteous rule
- God's "sent ones" ministering to a world in need outside the walls of religion.
- Yeshua's governmental force in the earth, taking the mind of the King, turning it into legislation & implementing His Kingdom culture in the earth  
*(paraphrased from Dr Myles Munroe)*

**The most crucial duty of the Ekklesia is to understand, appropriate and share the gospel of the Kingdom of God**, just as Yeshua, Paul and other early disciples had done.

Last year, I polled some believers regarding their knowledge of the gospel of the Kingdom of God... Every single person responded with the news of Jesus' miracles and how He died on the cross for mankind's sin and was resurrected from the dead. These are wonder things, but these things are a means to an end... None of the people polled were able to articulate the gospel of the Kingdom of God, what mankind had lost and what Jesus brought back to earth. They did not know what the gospel of the Kingdom was, and even became somewhat contentious to the possibility that there was more to discover in the Bible than they had grasped for themselves.

Most of us who grew up with democratically elected governments have a difficult time understanding kings and kingdoms because we have lacked the frame of reference to understand kingdom concepts. The Kingdom of God must be studied to be understood and appropriated.

In order for the Ekklesia to be fully effective and triumph consistently against the government of hell, we must first, shed our old wineskins, step out of our comfort zones, admit we need more understanding and then begin to appropriate our own government. This is a crucial imperative, especially for those of us appointed to positions as Kingdom Ambassadors, as we are required to represent the full authority of God's government on earth. In closing, **the victory we so eagerly anticipate awaits our understanding, application and demonstration of the Truth of God's Kingdom already at work within us.** It's time to partner with the Holy Spirit within us and bring forth the glorious Ekklesia that all of creation eagerly awaits.

# DUTIES OF A KING...

***The Ekklesia must lead as Christ did...with a servant leadership mindset, a very different paradigm from the manmade church system...***

A king in God's Kingdom has many roles and carries a great deal of responsibility. A godly king understands the burden of freedom and leads the nation with moral excellence.

Jesus is referred to as "King of kings". He demonstrated to mankind an exceptional model for effective Kingdom living, servant leadership and rulership.

We are called to walk in His footsteps and follow His example. In a world where leaders try to lord over their subordinates, the Ekklesia has a different mandate...

The Ekklesia must lead as Christ did...with a servant leadership mindset. This is a very different paradigm from the manmade church system.

# # POETRY FOR KINGS...

## 'WHEN WARRIORS BECOME KINGS'

THERE IS A WAR THAT ONLY LOVE CAN FIGHT...  
IT IS NOT THE ONE WHERE WE PROVE OURSELVES RIGHT...  
IT IS A WAR TO SHOW KINDNESS, A WAR TO SHOW MEEKNESS...  
A WAR FIT FOR KINGS TO EXTINGUISH OUR WEAKNESS...  
WHERE COMPASSION, MERCY AND UNDERSTANDING RULE THE  
DAY...  
WHERE PURSED LIPS REVEAL KINDER WORDS LEFT TO SAY...

THE WAR THAT WE'RE WAGING IS A WAR FOR THE HEART...  
WHERE HATRED IS SHATTERED AND TORN ALL APART...  
FOR MEN HAVE GROWN WEARY OF GIVING VOICE TO THE  
LIES...  
OF DIVISION AND STRIFE AND THE CALL TO DESPISE...

SO RISE UP AND SHAKE OFF THE CRUEL, HARD-HEARTED  
WAYS...  
THAT CAUSE MEN TO SLOWLY DIE IN THE MIDST OF THEIR  
DAYS...  
YES, TIME IS ADVANCING AND THE END IS DRAWING NEAR...  
THESE ARE THE LAST DAYS TO SHARE GOODWILL AND CHEER...  
FOR THE LORD OF ALL MAN HAS GIVEN HIS COMMAND...  
TO FIGHT THE GOOD FIGHT, SO FOR LOVE, TAKE YOUR STAND.

## The Mountains of God's Kingdom...

Often times, I hear believers all over the world discuss the “mountain mandate” and how we must take back each mountain for the glory of God. I’m all for conquering mountains, yet, on numerous occasions, the Lord has corrected me regarding a belief I held firmly to. In fact, very recently He gave me a big, fat Warrior Smackdown regarding the mountain I used to call religion. Permit me to explain...

In the Kingdom of God, there is government, and a nation... a country named Heaven. Earth was created by God to be a colony of Heaven. Adam never had a religion. Religion was never a part of God's original intent for mankind. God gave man rulership over earth and continual fellowship with His Spirit. When man commit high-treason against the government of God, God's governing Representative, the Holy Spirit, was revoked back to the spiritual nation of Heaven, and man was now without the indwelling Spirit of God to guide him and empower him with dominion over his circumstances on earth. To compensate for the absence of the Holy Spirit, man made numerous attempts to recapture his lost Eden. Eden was an atmosphere filled with the presence of God. Man had relinquished his access to this portal when he sinned against the King of Heaven. **Religion is man's attempt to regain what he had lost... the Kingdom of God.**

When Yeshua arrived on the earth, He did not carry a religion back into the earth. He carried a government... The government of God was on His shoulder. **Religion serves as a substitute for the Kingdom of God. Substitutes can be hazardous, and even deadly, because they can be mistaken for the real thing.\*** Satan is the supreme counterfeiter. He loves religion because religion breeds competition and carries a sectarian spirit of division. Religion creates the fractious mentality that because you are different, then we don't like you. Religion creates the vicious mentality that if you are not like us, then you deserve to die. This is contrary to the teachings of Yeshua. He said, “I have sheep that are not of this fold.” Wherever religion is in operation, there can be no true unity, yet we are called to be one in Christ.

Religion preoccupies the minds and hearts of man until he discovers the Kingdom. Religion is nothing more than a falsehood, a stronghold that the Ekklesia must dismantle. Religion is what man does until the Kingdom comes into his life. Religion is all about doing. Conversely, the Kingdom is all about being. One can not enter the Kingdom of God from the perspective of religion. Yeshua said, “But woe to you, scribes and Pharisees, hypocrites! For you shut up the Kingdom of Heaven against men; for you neither go in yourselves, nor do you allow those who are entering to go in.”

# ~ KINGDOM PERSPECTIVES ~

## The Mountains of God's Kingdom...

In the eyes of our King, there is no separation of church and state. That is a deception sown into the world by satan to hide the true purpose of Christ's Ekklesia, as a legislating, governing council. Therefore, religion is not a mandate for man to appropriate. If you've been climbing this counterfeit mountain, its time to stop, grab a sledgehammer and smash this baby to pieces.

***So what is the 7th mountain if it's NOT religion?***

I'm so glad you asked. We will discuss this mystery mountain on the next few pages, but for now, the picture to the right gives a little hint at what it is...

Turn the page for more details on this Kingdom mountain... ;-)

*Discovering...*

**THE**

**MOUNTAIN OF...**

**KEY KINGDOM HEALTH KEY**

# SO WHAT IS KINGDOM HEALTH EXACTLY?

**“Kingdom Health”** quite simply, is God’s way of doing health. The Bible has much to say about how to take care of our bodies and steward health so that we are able to run our race effectively, free of entanglements, traps, snares and encumbrances from the systems of darkness currently at work within our world.

Suffice it to say that **if a person does not have true Kingdom Health, they will not be able to fully and effectively take any other mountains of influence for the Lord.** Hence, health is the seventh mountain, and our mandate is to have rulership of all areas of society, culture, business and life. Health is no exception but is absolutely essential for Kingdom advancement. **Acknowledgement of this mountain is crucial and pivotal to the capturing and governing of all other mountains.** Sick, disease ridden bodies can not entirely fulfill God’s purposes here on earth. We must have Kingdom Health and we must appropriate it now.

Having suffered with debilitating sickness for close to 2 decades, I’ve learned a great deal about attaining and maintaining Kingdom Health. **God’s ways are not our ways.** We can not eat processed foods that the body was never intended to break down and expect our organs to function

continually at an effective level to maintain energy, stamina, focus and strength.

Much of the modern day world is riddled with disease brought on by the over-consumption of fake foods, gluttony, food idolatry, a lack of exercise and numerous environmental toxins that contaminate our water, air and food supplies.

**The Bible says that “life is in the blood.”** Yet in America alone, consumers ingest tons of processed foods with little to no nutritional value. Vegetables and fruits are contaminated by pesticides. Much of the water supply is contaminated with xeno-estrogens from plastics, along with other toxic chemicals and metals. Many people are suffering from obesity, diabetes, high blood pressure, heart disease, depression and some sort of food, caffeine or sugar addiction. **This is not what God intended for mankind.** We’ve been so conditioned by marketing messages, drug companies, a faulty medical system focused on disease management, rather than on disease prevention and by doctors who no longer know how to identify the root causes of disease.

The lies and mental programming have left much of society feeling hopeless, helpless and afraid. Numerous government agencies meant to protect the public are actually aligned in an unholy union with pharmaceutical companies, chemical companies and food processing plants. Aluminum and other toxins are added into the everyday foods we consume. All leading to cancers, Alzheimers, multiple sclerosis and other diseases. Follow the money. It's a fact; sick people pay more.

To top it all off, there is a dark ominous world of censorship regarding true health. We are not allowed to use the word "cure" when referring to **God-given legit, ancient, time tested modalities that work for the prevention and cure of many diseases.** Supplements that are effective detoxifiers are conveniently restricted from public sales by the government.

Many of those who speak up in the world of health are demonized, raided by government agencies, have their licenses stripped away and end up in jail or even killed. This is sheer evil and it needs to stop.

For years I have tried to awaken key players within the Body of Christ to the truth about Kingdom Health and about the corruption going on within our government agencies and anti-Christ corporations who had great influence and control. Sadly, my efforts were met with disdain and disbelief. Time and time again, I was told in so many words to play nice and conform to the society around me, "shape up or ship out". Time and time again, I shipped out.

The Bible says we war not against flesh and blood. Like any biological malfunction, dealing with resistance from people always has a root cause... ignorance and mind control. I was coming up against mesmerizing spirits of darkness and mind control that were blinding the people of our nation and keeping them in captivity. Worse, **most of the Church was also plagued by ignorance regarding true Kingdom health** and under heavy mind control from greedy corporations and organizations concerning healthcare. Somehow, the truth about health had evaded a large percentage of the Body of Christ, and they enjoyed living the lie so much, that when presented with the truth, they resisted and turned against me. I hold no grudges. I share this to be forthright about the state of the Church's union regarding health.

People love their traditions. They love their holiday food fests, cook outs, parties, their baked goods and barbecues. I'm no exception! I get it. I grew up Italian. I absolutely love food, but given all the suffering I've been through, and all the discoveries I've made regarding food and health, I've had to change my diet 180 degrees in order to survive and ward off the numerous debilitating illnesses that America's medical society could not remedy.

When I eat clean, non-processed, gluten-free wholesome, organic fruits and vegetables and hormone-free, antibiotic free, grass-fed meats, I feel alive. My energy and strength are restored. Symptoms of inflammation and illness all fade away and I regain my cheerful disposition.

There is so much I could share with you regarding the actual pillars of Kingdom Health... I could probably write novels. For now, I will give you a few key takeaways that led me out of the dark, hopeless tunnel of sickness and disease, and **brought me back onto God's ancient paths of life. God's Kingdom always has solutions and cures.** He's a good God! We have got to stop believing the enemy's lies concerning disease care. It is up to each of us to take back our health!

*Please note: As a disclaimer, I must state: I am not a doctor and what I am sharing is not medical advice. I am simply sharing briefly, my story, testimony and what worked for me...*

Let's continue...

Close to 2 decades ago, I got very ill, went to about 69 doctors and no one was able to tell me the root cause of my diseases. I was diagnosed with many diseases, had 6 surgeries, lost my hair, was wearing a wig, but no one could tell me how these diseases developed and how to stop the proliferation. **Fast forward to an answer to pray...**

God brought a brilliant health coach into my life who knew how the body worked and how to fix it ( I would say heal it, but you know... censorship...) My health coach told me, **"Life is in the blood. Given the right environment the body will heal itself. Every cell has intelligence and is majestic in design by its Creator. Your body doesn't fear disease. It doesn't fear cancer. An unimpaired immune system can crush any threat to it..."**

He told me to get tested for heavy metal toxicity. I did. Turned out I had 12 metals in my body including thallium (rat poisoning). The devil wanted me dead because he knew if I ever lived I would be a big threat to his kingdom, but I digress... ;-)

69 doctors could not get to the root cause of the tumors, Stage 3 adhesions, endometriosis, adenomyosis, issue of blood, adrenal insufficiency, malfunctioning organs, etc.. **It took one humble health coach submitted to the Spirit of God to pull me out of the depths of darkness and help me to begin appropriating my birthright to health.**

The next 9 years I began the fight of my life, to slowly but safely remove the toxic metals, eat healthily, study health, (you should see my library!), exercise and become a victorious health warrior advancing Kingdom Health in my life and the lives of others.

There's **so much more** I could share. If you'd like to hear my testimony, it is on Youtube under, **"Becoming Ekklesia: Louise Scotti, woman with issue of blood finds Jesus"**.

Here is the link: <https://youtu.be/lf2lpu0n850>

**The biggest takeaway** I want you to grab a hold of is this... 

**You no longer have to fear disease.** Once you find out the root cause of the disease, and remove it from your life, your health will return. **God gave each of us a fearless immune system. We do not have to succumb to the fear mongering and ignorance of the existing, ineffective medical paradigm. We can take control of our own health and model after those who've had success navigating the murky, dark waters of disease.** God has given us all the resources we need to take back our health if we will exercise our faith and use His wisdom versus the world's wisdom.

For those interested in overcoming cancers, high blood pressure, diabetes, obesity, heart disease, sleep apnea, metal poisoning, parasite infestations, etc., check out my health coach's book titled, **'The Truth: Claiming Your Birthright to Health' by Charles Wahlheim.**

For those seeking my health coaching services: While I would love to work one on one with you to reclaim your health, I am currently focused on speaking to Ekklesia groups and am developing an online course to reclaim Kingdom health, based on my areas of knowledge include overcoming cancers, metal poisoning, detoxifying the body, reversing multiple sclerosis, and eradicating heart disease. # BREAKING ANTI-CHRIST STRONGHOLDS...

Each and every day, there are anti-Christ systems, corporations, organizations and marketing messages all vying for our attention and agreement with their anti-Christ agendas. As we go about our business, we must continue to take every thought captive and destroy vain imaginations that seek to steal our focus, weaken our will, impugn our self-concept and cause us to break fellowship with the Living Christ within us.

Breaking anti-Christ strongholds within the Ekklesia requires a keen awareness of, and a freedom from, all anti-self strongholds. **Despite what religion has taught us, anti-self strongholds ARE anti-Christ strongholds.** We were made in the image and likeness of God Almighty. Any disdain for ourselves is indirectly a disdain for Him and His influence within our lives.

satan loves to bait God's people with anti-self strongholds because it gives him a sadistic, yet delusional satisfaction that he is somehow injuring God by getting us to come into agreement with these disempowering lies.

**How can we overcome all the anti-Christ strongholds of these end times?**

First, we must grow in our awareness of them so that we can recognize when they are in operation within our lives, and in the lives of our fellow brothers and sisters in Christ.

We must break agreement with these strongholds and begin to love ourselves as Christ loves us.

Unloving spirits can relentlessly try to tear us down through criticism that sounds like our own thoughts, or our own voice. As we allow these thoughts to remain, overtime, we tend to subconsciously come into agreement with them, and little by little, become disempowered by these ungodly thoughts.

However, as we develop more and more awareness that these thoughts are not edifying us, then we can utilize a process I refer to as the **'ACTS Method' ... a little technique I developed to empower people to overcome anti-self strongholds.**

The **'ACTS Method'** goes like this...

**A -Acknowledge** the disempowering thought without taking ownership for it.

**C- Cast** down the unloving thought.

**T- Trade** or replace the bad thought with a Godly, empowering thought about ourselves, our lives or about others.

**S- Speak** scripture in opposition to the disempowering, unloving thought.

# BREAKING ANTI-CHRIST STRONGHOLDS...

A friend of mine uses another method she refers to as the: **'Not My Thought' Method**. When a negative thought pops in her head, she immediately says outloud, "Not my thought!" By doing this, she breaks the pattern of the stronghold and raises her conscious awareness of what thoughts she is allowing herself to think.

I've heard it said this way, **"You've got to think about what it is you're thinking about."** When you do this, you'll be amazed at how quickly you can substitute an empowering biblical truth about yourself where the devil sought to tear you down.

Getting free from the anti-self strongholds is so crucial for Kingdom alignment and for unity within the Body of Christ.

**The main anti-self strongholds that tend to trip us up are:**

- ***Self Rejection / Unworthiness***
- ***Self Loathing / Self-Hatred***
- ***Self-Sabotage / Self-Punishment***
- ***Self-Bitterness / Self Unforgiveness***
- ***Low Self Concept / Low Self-Esteem***

Much of today's television, radio and media (even in the realms of Christianity) are full of self-deprecating messages. Smothered in humorous undertones to disarm our discernment, these messages when agreed with, create open portals for demonic strongholds to set up shop within our lives and wreak havoc.

We absolutely must guard the gates of our ears, eyes, hearts, minds and mouths with fervent diligence in order to appropriate the fullness of Victory that Christ provided for us to enjoy.

We must fortify our identity in Christ, allow God to heal any father fractures, mother wounds, broken-heartedness and bind up our hearts so that they are whole enough to carry the truth of who we are in Him so that we can then help others to step into the fullness of their glorious destinies in Christ.

It is merely impossible to be fully effective at breaking the power of anti-Christ spirits off of others when anti-Christ thoughts, feelings, emotions, triggers and habits exist within our own lives. Much of the church is unaware how deep the religious, anti-self / anti-Christ conditioning has taken root within mankind's fallen nature. This is why we must continually renew our minds with God's Word and appropriate the thoughts, attitudes and actions of the mind of Christ.

**Easier said than done? Yes, but with Christ, all things are possible!**

## 'The Warrior in Me'

**There's a Warrior in me...  
I hear Him ROAR through me...  
My King, named 'Victory'...  
He's alive in me...**

**And when the night winds call...  
I make predators fall...  
Because the Warrior in me...  
Comes alive to free...**

**The captives... oh the captive hearts...  
The broken... all those torn apart...  
The weary... those too weak to stand...  
The poor... who need a helping hand...  
The blind... those who can not see...**

**They're mesmerized, by the Warrior in me.**

**So I will rise for the Warrior in me...  
Cause He wants the world to see...  
There's a Love that ends captivity...  
His servant heart for humanity...  
I'll possess the Warrior in me...  
And shine His light til His people are free...**

**To apprehend the Warrior in me.**

**Oh, oh, oh...  
They've got the Warrior in me.**

## !!! OUTLOUD !!!

### *Some Questions to Ponder...*

- What scriptures do you speak outloud daily over your own life, health, finances, relationships, purpose and destiny?
- What scriptures do you speak outloud over your family members and other loved ones?
- What scriptures do you speak outloud daily over your community? Town? City? State? Nation? Continent? The world?
- Besides your nation, what other nations has the Lord put on your heart to pray and decree for?
- What scriptures do you speak outloud to topple the anti-Christ systems in the world?

The Ekklesia knows the power of the spoken Word of God to breakthrough atmospheres of oppression and demonic strongholds. That is why each and every day, members of the Ekklesia speak the Word OUTLOUD.

### Powerful Scriptures to Speak Outloud Daily

- Psalm 1
- Psalm 18
- Psalm 24
- Psalm 27
- Psalm 91
- Psalm 100, 101
- Daniel 7:27
- Isaiah 60
- Isaiah 61
- All Kingdom verses spoken by King Yeshua
- All Yeshua's Words (red letters)

# #EKKLESIA STRATEGIES

## *Ask and You Shall Receive...*

- God wants us to ask for the nations as our inheritance
- God wants us to ask for strategies to save the lost in our spheres of influence.
- Asking God is a "Kingdom Key" to access the vast storehouses of wisdom, knowledge and resources that God has for those who steward His resources well.
- God is a good Father. He wants to give us wisdom and strategies to accomplish our purpose. We need just ask...

**God wants us to ask for the nations as our inheritance. King Yeshua said, "Fear not little flock; it is your Father's good pleasure to give you the Kingdom." No good thing will God withhold from His sons.**

## Ask Father God in the Name of King Yeshua

- **Its time to ask God for a harvest of billions and billions and billions.**
- **Its time to ask God for greater ability to influence world systems for Christ**
- **Its time to ask God for strategies to save the lost in our spheres of influence**
- **Its time to ask God to increase our effective utilization of the Kingdom resources we have**
- **Its time to ask God for greater understanding, functionality and demonstration of the Kingdom of God in and through our lives.**
- **Its time to ask God to reveal the truth of who He created each of us to be, and the purposes He has for each of us to fulfill**
- **Its time to ask Holy Spirit to increase our ability to hear from Him and to open our spiritual eyes to those in need of our giftings**

# #EKKLESIA STRATEGIES

## *Be Still and Listen...*

- The Holy Spirit: He is a person just like Yeshua, assigned to instruct us on effective, empowered Kingdom living
- The Holy Spirit has a function to impart God's wisdom & purposes & identity to His people
- The Holy Spirit is powerful. He translates us out of darkness into the Kingdom of Light
- We must cultivate our ability to hear from Him and carry out His instructions
- The Holy Spirit knows our true purpose and guides us into the fulfillment of it
- Meditate on Holy Spirit verses

In addition to asking God for strategies, the greatest game plan for Kingdom expansion is to **listen to the Holy Spirit**. It is in quietness and stillness that **He can impart strategies that contain the power to collapse the kingdom of darkness**. This is why Holy Spirit speaks to many of us while we are asleep; we are finally quiet and still enough so that we can hear Him accurately.

Holy Spirit, like Yeshua, is a Person. **When we ignore Him** and drown out His voice with noise, with hype, then **we lose our ability to hear from Him**, and could even potentially grieve Him. Holy Spirit is our Master Key to overcoming and advancing God's Kingdom and saving the lost.

Let's spend time quietly in His presence, perhaps with notepad and pen so we can write down all the wisdom He desires to impart to us. Holy Spirit is loaded with all the comforting words of guidance, identity, affirmation and truth that He knows we need to **hear, process and absorb**, in order to step into the fullness of all we were created to be.

*"But the Advocate, the Holy Spirit, whom the Father will send in My name, will teach you all things and will remind you of everything I have said to you."* John 14:26

# #EKKLESIA STRATEGIES

## Pray for Israel...

## Daily Heart Checks...

## Meditate On God's Word...

**Israel's national destiny** is to be a nation of praise unto the Lord. They are called to be His people. God has a covenant with the Jewish nation, and has promised them deliverance and restoration. Yeshua is their King. We are to pray for Israel. God commands our faithful intercession on their behalf. In my personal walk with the Lord, I have found that when I look after what matters to God, He always looks after what matters to me.

*"For Zion's sake will I not hold my peace, and for Jerusalem's sake I will not rest, until her righteousness goes forth as brightness, and her salvation as a blazing torch. Nations will see your righteousness, and all kings your glory. You will be called by a new name that the mouth of the LORD will bestow." Isaiah 62:1-2*

\* See 'Operation Restoration' for decrees and prayers for Israel and the Jewish people at <https://homecongregations.org/wp-content/uploads/2020/10/Operation-Restoration-Pt-1.pdf>

\* See also Aaron Shust's song, 'Zion' on Youtube and declare it outloud. [https://www.youtube.com/watch?v=E\\_GsKLJcum8](https://www.youtube.com/watch?v=E_GsKLJcum8)

**Regarding the heart**, there are numerous verses on keeping our hearts pure before the Lord. We are to guard our hearts from the grips of darkness and remain in the pure love of Christ. We must daily check in with the Lord to allow Him to examine our hearts and cleanse us of all unrighteous thoughts.

*"He who has clean hands and a pure heart, who does not lift up his soul to what is false and does not swear deceitfully. He will receive blessing from the Lord and righteousness from the God of his salvation. Psalm 24: 4-5*

**As we meditate** on the Word of God over and over, it begins to transform our hearts (our subconscious minds) and rewire our brain for Kingdom advancement, Victory, identity in Christ, and the solid love of Father God. Blessed is the man who meditates on the Word of God day and night. He will be like a tree planted by streams of water, which yields its fruit in season, whose leaf does not wither, and whatever he does prospers because he has the wisdom of God in his thoughts to guide his steps.

# ASK THE EKKLESIA...

## **Debbie Campbell, Arizona**

### **What does becoming Ekklesia mean to you personally?**

Becoming the Ekklesia means to see from His perspective & respond as Jesus does. Co-heirs with Him as His Bride. We are seated with Him in Heavenly places. Walking in what the kingdom of God says, not what our eyes see. Participate in bringing heaven to earth.

### **How did you discover Ekklesia?**

Dutch Sheets & Chuck Pierce taught on it.

### **What advice would you give to those struggling to appropriate their God-given authority?**

When my friend Janet & I taught Sunday School, we incorporated Gospel Bill. It was about a small western town in the 1800's with a Christian Sheriff. One of the lessons was about our authority. He explained it this way. He was having to go out of town on some business. So while he was gone, he gave his authority as a sheriff to a couple of men. He deputized them. They had the same authority as he did. They cld do anything he wld do. They were to enforce the law & take care of the safety of the people. When Jesus went back to heaven, He deputized us to enforce what the enemy wld try to steal, kill & destroy.

### **What do you want others to know about the Ekklesia of Christ?**

To be dependent on Him. It's about Him using you. Jesus said I only do the will of my Father. We bring heaven to earth. We are co-laborers with Him.

## **Marty DiGiacomo, North Carolina**

### **What does becoming Ekklesia mean to you personally?**

Ekklesia - "called out ones" from the world who belong to the Body of Christ -not conforming to the world; living for Christ; actively spreading the Word of Truth, the gospel of Jesus Christ.

### **How did you discover Ekklesia?**

Pretty much through you, Louise.

### **What advice would you give to those struggling to appropriate their God-given authority?**

Do a word study/bible study on the Scriptures that relate to it and the associated verses. Look up related stories of what God's people have done in it. Have a discussion with those who believe in it and are exercising it and ask them to explain.

### **What do you want others to know about the Ekklesia of Christ, and how best can we begin to steward the upcoming harvest?**

That we are in the most exciting time in history, biblically and we need to be prepared for and involved in actively doing what God has called us to do at this time in history. Expect BIG moves of God. Build and exercise your faith. Take back what the devil has stolen. Do "greater things than these because" Jesus returned to the Father and WE are SEATED WITH HIM in heavenly places.

# ASK THE EKKLESIA...

**Thomas Pierce, Pennsylvania**

**What are some of the most effective ways to get involved in Ekklesia at a local level?**

Don't look at your involvement as extra to involvement in some church. Look at it as your means of worshipping the Lord and fellowshiping with other believers. Commit to it as a key member to the life of the group. Follow the leading of the Holy Spirit and be involved in obedience to His leading. Love the members of the group and pray for them on a regular basis. Commit to serving them and being available to them when they need you. Be a support to all involved.

**What are some of the most effective ways to get involved in Ekklesia at a national level?**

Stay connected to an apostolic group for a level of accountability and support. Don't look at them as a denomination, but look to them for appropriate spiritual leadership. Don't do the doctrine game with them. Be led by the Holy Spirit on the local level, but maintain a level of accountability to a national network. Seek to connect with other Ekklesia for fellowship and support. Go to larger meetings with other local Ekklesia. Consider attending conferences on a regional or national level as the Lord leads related to your Ekklesia connections.

**How best can the Ekklesia and the entire Body of Christ steward the upcoming harvest?**

We are positioned uniquely for the upcoming harvest. Ekklesia is the new/old thing that the Lord is doing. We are disconnecting ourselves from the government, we are involved in 5 fold ministry. We are political in a good way. We are connected with what the Lord is doing in our world today, therefore, if we maintain our simplicity and stay away from denomination and doctrinairism, we have a great chance to be those who are best positioned for the coming harvest.

**What growth have you witnessed in the Ekklesia over the past year?**

The growth that I have witnessed has come from people's realization that Jesus is the only way we get out of this mess. We are no longer looking to one person or one group of people to save us. We are looking to the right person. Our faith is being stretched. We are becoming more mission minded. We are realizing that our prayers are vital, crucial as well as powerful and effective.

**What advice do you have for someone struggling to appropriate their God given authority?**

Study about spiritual authority and learn how things work before you launch into using what you understand as your spiritual authority. Pray, fast, seek the Lord about this. Trust in His providence. Learn the skills, then obey what you hear from Him. Don't be afraid. You are a key player.

## ***'Come Back To The Kingdom'***

***Guard your post. Build the wall.  
Speak My Words. Let kingdoms fall.  
Flatten the hill. Bend the road.  
Take command. Uproot all evil sowed.***

***The time has come to cultivate the land...  
So gird up your loins and take seed in hand...  
Let dry bones spring to action as they come back to life...  
To prophesy upon the land and take dominion over strife.***

***Let valleys be raised and mountains brought low...  
As you prepare the way for the Lord with His kingdom in tow...  
Keep advancing gallant Warriors, all you builders of the wall...  
For the harvest is here; let them heed this final call...***

***Come back to God's Kingdom all you children of earth...  
For our God is surely with us giving us our new birth.***

## **'Land of The Free'**

**Land of the Free  
Home of the Brave  
The most beautiful flag that ever did wave**

**Founded by men who worshipped the Lord  
Built on God's Word, we lift up the Sword  
In the Spirit of Liberty as a nation of kings  
We acknowledge the vastness of God's many  
blessings**

**We thank the Lord for our freedom  
We thank the Lord for our destiny  
A city on a hill  
Is who God made us to be  
To stand firm and faithful  
And weather the tide  
We are the nation that the Lord has greatly supplied  
With abundant blessings too numerous to count  
We are His people, so let's gird up and mount  
As we charge forth and hinder every foe at the gate  
And take captivity captive to restore our destined fate**

**The greatest nation that ever graced the earth  
A land full of kings that God destined to birth  
The Kingdom of Heaven right here in this land  
So let's spring forth into faith and abort not His plan**

**This land of ours is sacred  
It's been set apart for liberty  
So let's walk true to our calling and fulfill our destiny.**

**Freedom from sickness  
Freedom from despair  
Freedom from addictions and from lives that go  
nowhere  
Freedom from debt, hatred, trafficking and violence  
Freedom from intimidation breeding fear and silence  
America is bold and she stands for righteousness' sake  
To bring glory to God as she makes the heavens  
quake.**

**So unshackle yourself from shame  
And live worthy of your name  
A beacon of light in a lost dying world you are!  
You are!  
America so sweet  
A land that can't be beat  
For Victory runs through your veins forevermore!  
I love you America, for I see who you truly are...  
A pinnacle of freedom, this world's shining star.**

# LET'S DECREE... A PRAYER FOR THE EKKLESIA

Ekklesia, I want to pray over you now in the mighty name of King Yeshua, I decree and declare that the Church, the glorious bride, the glorious, victorious end-time Ekklesia comes forth now, full of faith, full of life, full of love, and full of truth. You are wise. You are kind. You are one with the Spirit of God and You are as bold as a lion. In the power of Christ, I break the power of shame off of the Ekklesia. I break the power of religious conditioning off of the Ekklesia. I break the power of mind control off of the Ekklesia. I break the power of every satanic stronghold, every trigger and all forms of containment off of the Ekklesia.

I declare that I take the rod of the Ekklesia, and I shatter every box of containment. I shatter every glass ceiling. I shatter every disempowering mindset. I shatter the snares of man. Let every trap of the enemy that's been set to cage God's people, that's been set to limit us, or thwart us, or prevent us, or stop us, all be decimated now in Yeshua's mighty name.

I declare freedom to the Ekklesia. I declare liberty to the Ekklesia. I declare that now is the time for the Ekklesia of Christ to receive the gospel of the Kingdom and begin to move and flow in the fullness of understanding and functionality of the Kingdom. Let every member of the Ekklesia be made whole, healed from broken heartedness, healed from codependency, healed from all dysfunctional thought processes, freed from disempowering relationships, delivered in their finances, healed in their minds, in their emotions, and in their bodies.

In Christ, I break the power of every self destructive, unloving spirit that has ensnared God's bride. I bind up every unloving, self rejecting, self hating spirit now in the name of Yeshua, and I break your power off of the Christ's Ekklesia, and I say your days are numbered, devils. Flee from God's people now in the mighty name of King Yeshua. A higher authority has spoken. It is so.

Strongholds fall off of the Ekklesia now. The idols of food and comfort, be broken off of the Ekklesia now. Slavery mindsets of passivity, complacency, apathy and oppression, I break your power off of the Ekklesia now. Ekklesia, be loosed from passivity. Be loosed from containment. Be loosed from the fear of man. Be delivered now from the fear of reaction of others. Be loosed from the response of others. Be loosed from religious mindsets. Go forth and shine in the light and love and truth of the King of the Government of God. Hear from Holy Spirit. Let your spiritual ears, eyes and understanding be fully attuned with the frequencies and majesty of Heaven. Ekklesia, God did not make you to cower. Stand straight. Walk tall. Ekklesia, God did not make you to slouch. God did not make you to eat junk food. He purposed you for Kingdom Health. Eat living foods Ekklesia. Lead now Ekklesia, God did not make you to play small. Speak for God, Ekklesia. God did not make you to stay silent. Love all mankind with the heart of your King, Ekklesia. God did not make you to hate. God created you to love. Expose your light to the world Ekklesia. God created you to shine. God made you brilliantly and wonderfully in His image and likeness. Receive your true identity in Christ, Ekklesia. Now Ekklesia, I know the religious spirits will get angry at this, but it needs to be stated...

# LET'S DECREE... A PRAYER FOR THE EKKLESIA

Ekklesia, first and foremost, you will love God with all of your heart, with all of your soul, and with all of your strength, and you will love yourself, so that you can fully love your neighbor. You will see yourself exactly as Christ sees you. You will love yourself exactly as Christ loves you. Then you will be free to love others as you love yourself. Then, you can fully love your neighbor as yourself. Ekklesia, the world is your neighbor. Rise up. Rise up. Rise up now into your Victory. Rise up into the truth of who you really are. Stop listening to the doubts. Stop listening to the limitation. Stop listening to unloving, critical, disempowering spirits. Stop listening to voices that tell you that the Holy Spirit isn't here yet. He is already within you. He's been waiting patiently for your acknowledgment and alignment with the truth of who God says you are. He's been waiting patiently for you to recognize who God created you to be and to come in to alignment with your true self. It's time. It's time. I decree and declare Ekklesia... I decree and declare, bride of Christ... I decree and declare, end-time warrior Church, rise up and align with your true self in Christ. Rise up and align with your oneness in Christ. Rise up and align with the Spirit of God, the Governor of the earth, living within you. Rise up and align with who the King of all kings has called you to be. You are not a sniveling, weak, wimpy Christian, but you are an indomitable, victorious, glorious Kingdom Warrior and an Ambassador of Christ. Rise up and align with the Spirit of Victory. Rise up and align with the spirit of creativity within you. Rise up and align with the spirit of leadership that's already within you. Rise up and align. It is time. It is time.

Father God, in the mighty name of Yeshua, let this message take

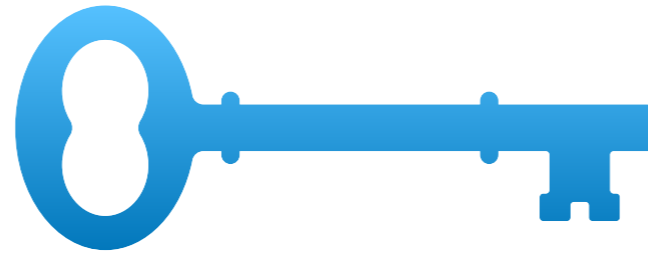

hold and be firmly rooted within the subconscious minds of Your Ekklesia. Rewire their brains for Victory. Removed every satanic trigger, every satanic trauma bond, every lie and deception, let them all be severed and destroyed now. Align them for glorious, victorious Kingdom living, for demonstrations of Your goodness, for demonstrations of Your majesty, for demonstrations of Your glory, for demonstrations of Your love, for demonstrations of Your light, for for demonstrations of Your truth. Use this glorious, victorious end-time Ekklesia to crush every ungodly structure, to crush every worldly system and every satanic stronghold that has captivated the people of this world.

Use this end-time Ekklesia to set the captives free. Fill our hearts with urgency and zeal and fervor to accomplish the mission You have set before us... To go forth into all of the world systems and to bring them the influence and the culture of the Kingdom, the language of the Kingdom, the laws of the Kingdom, the attitudes of the Kingdom, and all the ways of the Kingdom. Cause us to rise up in the face of worldly crisis, fear, and panic, and to point people to the Christ who lives within us. Cause the people of the world to see Your goodness and Your Kingdom solutions that we carry and let them cry out for the King of the Kingdom. Let them receive salvation and deliverance. Let them receive the Holy Spirit and let them also rise up to partner with Holy Spirit and be agents of change for fallen humanity. The harvest is here. Let us go and reap billions upon billions, and more billions upon billions, I'll say it again... Billions upon billions for the kingdom of God for Your glory. I pray this in the name of the King of all kings, Yeshua. Thank You Father. Let it be done according to Your Word, Your will and Your heart. Amen.

**"I Will Give Him The Key To  
The House Of David  
The Highest Position In The Royal Court.  
When He Opens Doors,  
No One Will Be Able To Close Them;  
When He Closes Doors,  
No One Will Be Able To Open Them."  
Isaiah 22:22**

# OPERATION RECLAMATION

THE HEART OF A CHAMPION BEATS INSIDE OF YOU...  
TO BRING FORTH VICTORY TO THE RED, WHITE AND BLUE.  
SET YOUR GAZE ON THE ENEMY, THEN KNOCK HIM OUT.  
USE THE KEYS YOU'VE BEEN GIVEN, WIELD YOUR SWORD, AND  
SHOUT...  
"DEATH TO THE ENEMY CAMP AND VICTORY TO OUR KING!"  
WE'RE UPROOTING WICKEDNESS FROM OUR LAND; SO JOIN US  
AS WE BRING...  
GODS KINGDOM! GODS KINGDOM!  
FULL OF RIGHTEOUSNESS AND TRUTH...  
WE'RE ROOTING OUT EVERY LIE AND PULLING DOWN UNTRUTH.  
BY THROWING DOWN WITCHCRAFT, UPROOTING DEATH,  
LAWLESSNESS AND OCCULT...  
WE'RE WELCOMING LIFE BACK INTO OUR LAND, AND OUR GOD  
WE DO EXALT.  
BY UNSEATING HATRED, DESTROYING VIOLENCE, BITTERNESS,  
DIVISION AND WRATH...  
WE'RE USHERING IN THE GOOD WAY OF LOVE AND WALKING IN  
THE OLD PATH.  
IDOLATRY WE'RE ROOTING OUT AND PULLING DOWN ALTARS TO  
FALSE GODS...  
AND THOUGH IT MAY SEEM IMPOSSIBLE, WITH GOD WE'LL BEAT  
THE ODDS.  
FOR GOD WILL GIVE US WISDOM AND THE STRENGTH WE WILL  
NEED...  
TO UPROOT PRIDE AND FALSE IDENTITY; SURELY WE WILL  
SUCCEED!

WHEN THE PEOPLE KNOW THE LOVE OF OUR FATHER, AND  
DISCOVER THEIR IDENTITY...  
THEIR BROKENNESS WILL HEAL AND THEY'LL JOIN IN UNITY.  
AS WE PUSH OUT THE DARKNESS; IGNORANCE SHALL NO  
LONGER REIGN...  
FOR GOD'S LIGHT IS COME AND HE'S DRIVING OUT THE PAIN.  
FEAR CAN NO LONGER GRIP MINDS AS THE TRUTH COMES INTO  
VIEW...  
SO LET US GO UP AT ONCE AND POSSESS THIS LAND; IT'S OUR  
SEASON TO PURSUE!  
GOD'S KINGDOM! GOD'S KINGDOM!  
OUR KING IS DRAWING NEAR...  
AND HE'S CALLING HEARTS TO VICTORY, SO EXULT WITH  
TRIUMPHANT CHEER.

NOW THE HARVEST OF THE AGES IS COME...  
AND THE EKKLESIA PREVAILS WITH THE SPIRIT AS ONE...  
AWAKENING VICTORS TO PRESS IN AND OVERCOME...  
FOR IT'S TIME TO FINISH THE GREAT WORK THAT'S ALREADY  
BEGUN...  
BY THE GENERATIONS BEFORE US WHO SO BRAVELY PASSED  
THE TORCH...  
TO GODS END-TIME WARRIORS SO THAT WE WOULD FULLY  
SCORCH...  
THE ENEMY'S DESTRUCTION AND INFLUENCE FROM OUR LAND...  
THEREFORE, LET US LOCK ARM IN ARM, AND HAND IN HAND...  
AS WE COURAGEOUSLY PRESS FORWARD INTO OUR PROMISE  
LAND.  
DAY AND NIGHT WE ADVANCE GOD'S CAUSE THROUGH HIS LOVE  
AND PRAYERS WE PRAY.  
NEVER GIVING BACK AN INCH OF THE LAND WE REAP; THAT'S  
THE TRUE KINGDOM WAY...

WE KEEP OUR HEARTS FIXED ON GOD WHILE THE GIANTS WE  
SUBDUE...  
AND ONE BY ONE, WE KNOCK THEM OUT, THEN CUT THEIR  
HEADS OFF TOO...  
FOR THE ONLY GOVERNMENT TO RULE OUR LAND IS THE ONE  
THAT'S TRIED AND TRUE.  
GODS KINGDOM! GODS KINGDOM!  
FULL OF LOVINGKINDNESS AND MERCY...  
WE'RE BUILDING UP AND PLANTING HOPE FINANCED BY  
HEAVEN'S CURRENCY.  
THEN AS HOPE TAKES ROOT, FAITH WILL SURELY START TO  
GROW...  
AND GOD WILL WORK MIGHTY WONDERS SO THE WORLD WILL  
KNOW...  
THAT AMERICA STANDS FOR TRUTH, AND HAILS WORLDWIDE  
JESUS CHRIST AS KING...  
BECAUSE OUR EVERLASTING, COVENANT KEEPING GOD REIGNS  
TRIUMPHANT OVER EVERY LIVING THING!

# About The Publisher...

## LOUISE SCOTTI

- Ekklesia Ambassador and Kingdom Warrior who preaches the Gospel of the Kingdom of God
- Full name means, "Renown Warrior In The House (Ekklesia) Harvesting Free Men"
- Was the Woman with the issue of blood for almost 12 years (Testimony on Youtube, 'Becoming Ekklesia')
- Teaches Kingdom Health, Crisis Leadership Skills, Overcoming anti-Christ Strongholds, and How to Walk in Victory
- Lives to advance the Kingdom of God and help people discover their God-given identity & purpose in Christ
- Imparts Identity, Purpose, Apostolic & Prophetic Breakthrough, & the Spirit of Victory to the Hungry

There's a great line of a song by Mercy Me that states, "I'm alive... Even though a part of me has died. You take my heart and breathe it back to life. I fall into Your arms open wide... The hurt and the Healer collide..."

When I suffered with the issue of blood for close to 12 years, I had to completely fix my eyes on Yeshua to make it through each moment. As I would go into shock every 2-3 weeks, mere inches from death, I began to realize God allowed me to go through this very difficult and painful period of suffering so that He could bring forth a version of me that would be "dead enough" to surrender to Him, faithful enough to stand on His promises, kind enough to serve His people, compassionate enough to rescue the lost, and strong enough to lead others to Victory.

As excruciating as that period was for me, I wouldn't trade it for the world. Through my struggles, God introduced me to a Kingdom Warrior He had birthed for such a time as this. Through a vision and the Lord's process of maturity and correction, He introduced me to my true self: One with Christ, free from the effects of the fall of mankind, filled with faith, fearless, bold, and fully appropriating the mind of Christ to advance the Kingdom of God. Although I have only experienced this version of my true self in Holy Spirit filled glimpses, I am content to know that she certainly does exist and that King Yeshua is the Author and Perfecter of that which concerns me. Selah!

It is my prayer for the Ekklesia, that as we continue to seek first the Kingdom of God, that we all gain this knowledge and vision, to experience ourselves and others as God originally intended... free from the destructive effects of sin, full of love, truth, Kingdom authority, peace and faith. When the light of Christ's love shines fully within the depths of our hearts and minds, we become a mighty force so powerful in Christ, that we truly can transform the world. May we all appropriate God's awesome love, holiness & shalom, and share the depths of Christ with this lost, dying world in desperate need of King Yeshua and His glorious Kingdom.
