#### **Recent X22 Interview of Patel Patriot:**

"The (*Devolution*) Strategy outlines the context, planning model, and steps necessary to ensure the resilience of the Federal executive branch. It includes:

- Re-prioritization of essential functions.

- Increasing possible nodes available to perform those re-prioritized essential functions.
- Mentions throughout the distributed environment of operations across geographic areas.

The FMR EO and the Strategy paint a clear picture of devolution. A plan to create an Executive Committee of senior level officials (think Miller, Patel, Meadows, Radcliffe, Tata, Watnick, Pompeo, Scavino, Wolf, et al ) and subordinate bodies or working groups that would be proactively ready to take on the authority and responsibility of performing the re-prioritized essential functions required to preserve our American way of life.”

**America First Policy Institute:** <https://americafirstpolicy.com/about/#team>

Q. If America is completely infiltrated (all branches of gov't) by CCP, then how is it SS, Medicare/Medicaid, Gov't/Military Pensions are all still being paid?

A. There is a plan in place to ensure our way of life (PMEFs under the constitution) are operating no matter what you think Biden and admin pretend to control.

## Presidential Emergency Actions Directives (PEADS)

### Source:

<https://www.brennancenter.org/our-work/research-reports/presidential-emergency-action-documents>

Presidential Emergency Action Documents (PEADs) are executive orders, proclamations, and messages to Congress that are prepared in anticipation of a range of emergency scenarios, so that they are ready to sign and put into effect the moment one of those scenarios comes to pass.

### Facts:

- PEADs are classified “secret,” and no PEAD has ever been declassified or leaked.
- No requirement to tell Congress
- 56 PEADs in effect as of 2018

### PEADs in past years:

- authorized detention of “alien enemies” and other “dangerous persons” within the United States;
- suspended the writ of *habeas corpus* by presidential order;
- provided for various forms of martial law;
- issued a general warrant permitting search and seizure of persons and property;
- established military areas such as those created during World War II;
- suspended production of the Federal Register;
- declared a State of War; and

- authorized censorship of news reports.

### **Obama's PPD 40 (top secret):**

In July of 2016, Barack Obama signed the still classified Presidential Policy Directive 40 (PPD-40). In accordance with PPD-40, each department was to maintain continuity programs. "Agencies were ordered to have not just a line of succession but also one of "devolution," a duplicate chain of individuals secreted outside Washington available in a catastrophic emergency. Devolution involves "procedures to transfer statutory authority and responsibilities" to this secondary designated staff to sustain essential functions."

**Here's the Irony: Trump has used PPD40, along with EOs and PEADs, to legally take down the cabal. We are in fact watching a movie in D.C. They're not in charge of anything...imho.**

**Don't listen to MSM, don't worry about "Hill votes", don't worry about mandates, cause it's all bogus, Stop your fear.....**

### **If Devolution is real (and it is per KB), then Trump:**

- Prepared PEADs (classified)
- Is operating under emergency powers
- - Which is why Congress is on a witch hunt (Jan6) to expose PEADs
- Has placed the country under Military controls (think military areas like after WW2)
- May have suspended electoral college certification process
- Is about ready to drop the truth MOABs through new truth social site

and new livestream site  
- NCSWIC.....

**Hang on, don't take the job, and prepare for justice....**

**Summation:**

Acts of War | EOs | PEADs | COG/COOP (MEFs) | Devolution |  
Reconstitution (Justice, 1776 vs 1871)

**This is War | Casualties | Repentance | Revival | Return to Covenant**

First people got tired of Fauci flip flopping and being constantly wrong about Covid.

Then they found out he was flat out lying.

Then they found out that the virus was created in the Wuhan lab, which Fauci said was preposterous.

Then they found out he funded it.

Then they found out he was doing evil experiments on dogs.

Now they're finding out he also did evil experiments on children.

DO YOU SEE THE PATTERN.

DRIP. DRIP. FLOOD.

ANTHONY FAUCI IS THE WORLD'S MOST ACCOMPLISHED SERIAL KILLER AND HE IS GOING TO BE EXECUTED FOR MULTIPLE CRIMES AGAINST HUMANITY.

However we need to remember that Fauci is still a puppet and we must aim for those holding his strings.

Fauci and Biden are simply being used as the biggest red pills in history.

Remember...crimes against children unite all of humanity (cross party lines). We are slowly opening that door...

Pray for those who have yet to find out just how bad it had become...

## **WAR, WAR, WAR...**

In his book, ***COVID-19 and the Global Predators***, Dr. Breggin states: “We were stunned to discover that Bill Gates and his world consortium of global predators (*think WHO, WEF, Schwab, CDC, FDA, Buffet*) were already implementing Operation Warp Speed before Trump’s inauguration and three years before the pandemic virus was released in China from the Wuhan Institute. (*Fauci caught lying on gain of function testimony*). Gates made the announcement of his already ongoing vaccine investments and programs (ie CEPI) in January 2017, less than four weeks after the FDA’s announcement of the Emergency Use Authorization (EUA) that would make it legal to rush medications and vaccines through a fast-paced FDA process that did not actually lead to a full approval of safety or efficacy. Gates announced all this at Klaus Schaub’s World Economic Forum, tying his work directly into Schwab’s evolving as yet unnamed concept of the Great Reset. There is no longer any reason to think about a “conspiracy theory”; this has become documented history. Operation Warp Speed, previously identified with Donald Trump, sprang from the rapacious mind of Bill Gates and the pharmaceutical industry.”

## Painting the bigger picture...

### As in the Days of Noah...

*Harvest Time is Upon Us!! Keep Watching and Praying!!*

Gen 6:12 And God looked upon the earth, and, behold, it was corrupt; and all flesh had corrupted his way upon the earth. And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth.

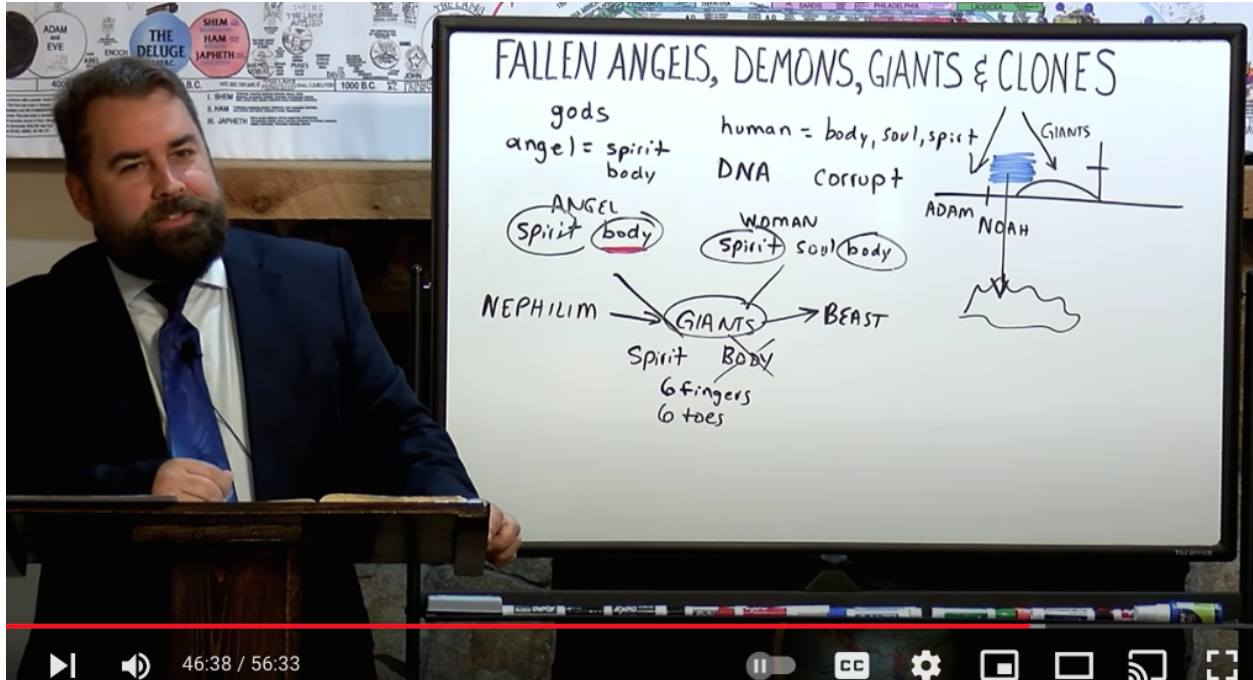

Gen 6:7-9 And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them. But Noah found grace in the eyes of the LORD. These are the generations of Noah: Noah was a just man and perfect in his generations, and Noah walked with God.

(Before the flood and after)

Souls vs. the soulless (did fallen angels and giants have souls?)

Satan can't create, only steal...

Human bloodlines, DNA manipulation, ritual sacrifice still present today

**Goal:** Corrupt as many souls as possible before the end of the age  
(unredeemable humans no longer in God's image due to DNA changes)

**Means:** Health tyranny | vaccines | passports | depopulation | Great Reset  
(NWO= social score | digital license | internet of things-5g controls | CCP

**Gen Flynn (on telegram):**

**This is so profound of a message...profound because of its timeless**

message of unity, strength, courage, bravery, intellect and skill during the intensity of war. We should never forget the sacrifices of those who have gone before us. Today, we are a nation in crisis and we must keep in mind how we got here. We've taken for granted the centuries of sacrifice of those who have gone before us and instead, we've allowed deep levels of corruption to creep into our republic. Now is not the time to give up, now is the time to stand up...be like those who came before us who faced the impossible with the God-given character that is built into each and everyone American.

I say Local Action has a National Impact for a reason. It will be each "Soldier" who figures out how he or she will do their duty when the times comes. It may be to vote and never giving up on fighting for the sacrosanctity and integrity of this right, it may be simply raising your family as best you can, or it may be stepping up to run for office at the local level...whatever you're decision is to get involved, know that you are making a difference in your life, in your family's life, and for your community and our country's future.

God bless you and God bless America!!!   

**This week's elections showed how local efforts makes a difference...**

**Lastly.....WE CAN SAY NO!**

In ancient Egypt, they bruised the amygdala in order to make slaves more submissive and compliant.

SO we must continue to **NOT COMPLY!** (song- 31:20 mark)

## Only When We Stop Complying Does This Crap Stop....

\*\*\*\*\*

### Prayer Points

**Psa 109 1-5:** Do not keep silent, O God of my praise! For the mouth of the wicked and the mouth of the deceitful Have opened against me; They have spoken against me with a lying tongue. They have also surrounded me with words of hatred, And fought against me without a cause. In return for my love they are my accusers, But I *give myself to prayer*.

- Heavenly Father, in this time of continuous lies by our enemy, we ask that you place a sense of calm and peace in our daily walk. Help us to realize the path to You is paved with evil intention wishing to knock us off our vector to You. Provide us comfort and Your presence as we seek to deny the enemy's desire to change our God-like image. Give us strength to not comply with the enemy's attempted controls over us.

**Jer 7: 8-10:** Behold, you trust in lying words that cannot profit. Will you steal, murder, commit adultery, swear falsely, burn incense to Baal, and

walk after other gods whom you do not know, and *then* come and stand before Me in this house which is called by My name, and say, 'We are delivered to do all these abominations'?

- Father, we are surrounded by the enemy's army. They will not relent in their desire to push their genocidal agenda on humanity. We know who and what they are, these gods on earth, stuck here and desperately attempting to replace man, to make us fit extensions, for their cosmic goal to leave their entrapment on earth. We pray for protection, discernment, and strength to stand up to these fallen angels and all their evil progeny.

**Exo 2: 20:** "He who sacrifices to *any* god, except to the Lord only, he shall be utterly destroyed.

- Father, we ask for increased knowledge to comprehend the power of Your kingdom in us. Help us to deal with the power of the evil ones and their manipulation of humanity through magic, witchcraft and other abominations to keep us from effectively communicating to the throne room. Help us to expose the sacrificial rituals these fallen ones demand of their earthbound servants that continue to fuel their spiritual wickedness on earth. We ask for the keys to break their spells and to deny these energy vampires access to your remnant. Let abortion, satanic ritual abuse, sacrificial killings, human trafficking, and organ harvesting be completely eradicated from earth. We ask these prayers in your most Holy Name, Jesus Christ. Amen.
