OPERATION: WAR HAMMER

Ekklesia Decrees to Bind the Strongman of Baal and Take Back America From the Kingdom of Darkness

Ekklesia Insights Quote:

"When nothing seems to help, I go and look at a stonecutter hammering away at his rock, perhaps a hundred times without as much as a crack showing in it. Yet at the hundred and first blow it will split in two, and I know it was not that last blow that did it, but all that had gone before."-Jacob A. Riis

*"Is not My word like a fire?" declares the Lord, "and like a hammer which shatters a rock?"
Jeremiah 23:29*

"You are My war-club, My weapon of war; and with you I shatter nations, with you I destroy kingdoms." Jeremiah 51:20

A Word From the Lord to His Ekklesia:

"Prepare My People for Victory. Reveal the Good News of My Kingdom. Show Them My Son in You. Teach them My Plan of Redemption. Do the works of My Kingdom..."

Prayer of Repentance:

Father God, on behalf of all of America, our ancestors, and our own passivity, complacency, apathy and lack of zeal for Your Kingdom's advancement, please forgive us. We have sinned greatly against You. We committed adultery with Baal, Ashtoreth and other demonic false gods. We have allowed the covenanting of our nation to Baal, Ashtoreth and other demonic false gods. We broke our covenant with You. We have sinned against You. We allowed the bible, prayer and the ten commandments to be taken out of the public-school system. We've removed Your laws from our town centers. We legalized the murder of innocent babies through abortions. We ask forgiveness on behalf of ourselves and our entire nation for these sins and for all the Baal worship that has been taking place in our nation for generations. We have allowed the legalization of same sex marriage, knowing full well that homosexuality is an abomination. We have not prevented the spread of numerous anti-Christ philosophies. We have allowed numerous pagan practices and traditions and cultures to permeate every sector of life in America. We allowed the placement of Baal statues, monuments, poles, altars and temples throughout our nation without so much as an outcry of resistance from those of us who call upon You as our true Master, Lord and King.

We've been silent in the face of false love, gender confusion, gender neutrality, homosexuality, necromancy, false peace, sorceries, witchcraft, tolerance, perversion,

pedophilia, child abuse, child neglect, lawlessness, drug use, corruption, fornication, pornography, the shedding of innocent blood, transgenderism, rigged court systems, evil politicians, governmental overreach, carnality, sexual immorality, luciferian utopianism, child sacrifice, satanic rituals, child abductions, the removal of free speech, death and violence culture, child trafficking, human trafficking, sex trafficking, slavery, corrupt disease management-false healthcare systems, racism, hate-baiting, propaganda, counterfeit Sabbath/Sunday worship, along with the worship of Mary, and of Queen of Heaven and saint worship, and their graven images.

Forgive us for going along to get along, when pagans set up evil demonic ceremonies in the name of "arts and culture". We have allowed evil "arts and music" festivals full of Baal worship, satanic incantations, witchcraft, licentiousness and perversion to take place without so much as a peep from Your church. Forgive us. We have allowed immoral entertainment programming full of vampires, death, violence, perversion, power and blood lust to contaminate the air waves and our minds. Forgive us for our fascination with darkness.

Forgive us for celebrating pagan holidays mixed with bits and pieces of truth and for spending our time, energies and resources consumed with these pagan holidays and empty traditions, instead of revering Your set days of holy convocation. Forgive us for marginalizing Your laws and justifying our own disobedience, time and time again. Forgive us for absolutely refusing to purge our lives of the compromise and mixture that lures us away from Your commands. Forgive us for listening to false teachers and prophets that tickle our senses with their promises of false peace. Forgive us for turning our backs on your true prophets who warn us to repent, time and time again. Have mercy on us for behaving so pridefully and for seeking our self-importance and the longevity of our ministries instead of following Your commands. Forgive us for attempting to put You, the Eternal God, in a box.

Forgive us for taking part in Baal rituals of tattooing, self-mutilation, piercings and all activities of self-loathing, self-hatred, self-deprecation and self-harm. Our bodies are the temple of the Holy Spirit. Forgive us Lord for not valuing what You have deemed a priceless treasure.

We ask forgiveness for allowing the death culture of Molech to invade our nation and overtake our youth. Forgive us for not stopping the demonic programming of our people through the use of media.

Forgive us for allowing an absolutely evil and predatorial child protective services system to exploit our orphans with complacent and corrupt case managers and judges who don't really care about the welfare of our orphans, but turn a blind eye to much of the abuse, neglect and unsafe conditions of their lives within the foster care system. Forgive us for keeping our eyes and ears closed to the truths of the endangerment our orphans suffer when under their authority. This is a problem that can only effectively be solved by Your Kingdom and Your Ekklesia, but we have shirked our responsibilities time and time again. Forgive us for the lack of outrage to stand up and get involved.

Forgive us for all the hundreds of thousands of unchallenged child abductions in our nation each year. Forgive us for not taking responsibility for the children and for not seeing to it that they are nurtured, protected, loved and raised according to Godly standards. Forgive us for allowing the sale of body parts of unborn children; for doing nothing but complaining in the face of sheer evil, unnatural cruelty and unnatural uncleanness. Have mercy, forgive us and save our children!

Forgive us for staying silent while worshippers of Baal brought into our nation the Arch of Baal into the city of New York and the territory of Washington D.C. the capital of the United States, as they held ceremonies as an act of defiance against the one, true living God. Forgive us for not expressing any outrage at what this Arch of Baal represents, as a gateway to Baal worship, and as a portal to Baal influence throughout the nation, its government and financial systems. Forgive us for staying silent at the depiction of child sacrifice and human sacrifice the worship of Baal requires of its participants. Forgive us for yoking our nation to Baal. Forgive us as a nation for all the Baal worship we have taken part in. Forgive us for breaking covenant with you and marrying a counterfeit husband, Baal.

Father, have mercy and forgive us for all the sorceries we'll taken part of... Forgive us for allowing ourselves to be brainwashed by Big Pharma, and their millions of marketing messages. Forgive us for allowing our doctors, nurses and healthcare workers to be educated by a corrupt, witchcraft controlling, lying system of pharmaceia/pharmacopeia, which is sorcery. Forgive us for not following Kingdom principles regarding true Kingdom health, Your way of doing health, but for allowing satan's principalities to hijack our healthcare system and turn it into a disease-proliferating system of greed, suffering, mammon and ignorance. Oh Lord, have mercy. Let there be light! Forgive us for allowing vaccines that have not been properly tested and vetted over time to be injected into people's bodies. Forgive us for believing the lies of this evil medical system. Forgive us for not listening to your prophets who warned us. Forgive us for scoffing at them. Lead us back to the ancient roads, where life is in the blood and we create an internal environment within our bodies that is conducive to health and healing. Forgive us for being so religious minded and expecting You to always do miracles for us. Forgive us for not taking responsibility for the state of our nation's health and for searching for quick fixes when You have deemed shortcuts as evil. Forgive those of us who shepherd Your sheep for not protecting and educating them according to Your Kingdom principles, but for following after sorceries, quick-fixes, and the way of death. Have mercy and grant us abundant life! Help us mature, take responsibility and transform our healthcare system to glorify You, Lord. With You, all things are possible!

Father, forgive us for all our covetous attitudes, for operating with attitudes of greed and for pursuing mammon, materialism and carnality instead of pursuing Your Kingdom. Forgive us for pursuing our own appetites instead of pursuing consecration and holiness unto You Lord. Forgive us for preaching the gospel of "more" instead of preaching the gospel of Your Kingdom. Forgive us for preaching and pursuing prosperity gospels, when in Your Kingdom, prosperity is part of our commonwealth.

Forgive us for pursuing the “almighty dollar” instead of pursuing Your purpose for our lives. Merciful God, redeem the time we still have. Help us to fully align with Your purposes and destinies for our lives.

Father, forgive us for our sexual sins, for disobeying Your word, and giving satan legal right to wreak havoc in our lives. Forgive us for not running from sexual sins. Forgive us for the sexual immorality, the whoredoms, lusts, the spreading of sexual diseases. Forgive us for sinning against our own bodies. Forgive us for not honoring You with our bodies. Forgive us for tolerating goddess worship, and allowing it to permeate, arts, music and the entertainment industries. Forgive us for exposing our children to these abominations. Forgive us, Your children, for drinking at the fountain of Baal, when You have given us a fountain of living water. Forgive us for allowing the downfall and collapse of marriage and of the family unit. Forgive us for all of the divorce, broken relationships, heartache, and the consequential poor decisions that have ensued. Forgive us for not stewarding the relationships You have given us with godly wisdom and excellence.

Forgive us for following after doctrines of demons that promote grace over law, and encourage lawless behavior, and unholiness. Without holiness, no one shall see God. We need to be holy. Help us to hunger and thirst for righteousness. Yeshua said to seek first the Kingdom and righteousness. Forgive our nation for operating in utter lawlessness. Help us to reinstate healthy boundaries and to enforce godly laws that advance Your Kingdom. Empower us to uproot the evil legislation that has advanced a culture of death, chaos and destruction. Have mercy on us.

You Lord, are our true Maker, Master and Husband. We ask forgiveness for covenanting with Baal. We ask forgiveness for leaving You, our first Love, for betraying our relationship with You, and forsaking You for another. Forgive us for yoking ourselves and our nation to Baal. We hereby divorce Baal. We break all covenant with Baal, and renounce all covenant, marriage, and soul ties with Baal. We declare all soul ties be uprooted and utterly destroyed now in the name of King Yeshua. We declare all allegiance to Baal forever destroyed and all marriage contracts null and void. Deliver us from all evil. We submit to You, Lord God.

(NOTE: After reciting one of the ‘Divorce Baal’ prayer/decrees, continue the following prayer of repentance...)

Father, Your word says that if we confess our sins that You are faithful and just to forgive our sins and cleanse us of all unrighteousness. Wash us now and make us whiter than snow. By faith in the shed works of Yeshua, our perfect, spotless Lamb, Who takes away the sins of the world, we receive cleansing, redemption and deliverance from all evil. Thank You Father for Your faithfulness. Hallelujah!

Father, in the mighty name of King Yeshua, forgive Your Ekklesia for not rising up into the fullness of our identity, our authority and our inheritance.

Forgive us for still thinking religious minded ways instead of operating according to Your Kingdom principles. Help us to step fully into the Kingdom of God, knowing our rights, knowing our authority as Your sons, knowing our divine positioning as Your set kings on this earth to rule into reign just as Christ did.

Help us to align just as Christ did. To speak words and watch them effectively come to pass before our eyes. To walk on water. To crush the head of the serpent as You intended for us to do.

Help us in this wrestling against principalities and powers, rulers of the darkness to know that Christ lives in us and therefore we have Victory. We are able to pin down the enemy. We can crush him underneath our feet. Help us to operate as lions and eagles not with arrogance, but with the glorious truth of who You created us to be. Help us to arise now in the fullness of this identity, in the fullness of this authority, help us now Father, to fully appropriate the mind of Christ.

The Ekklesia of Christ in America Hereby Decrees:

- We are appropriating the mind of Christ, and we hereby stake our claim into all world systems, kosmos, realms, atmospheres and governmental environments and business sectors within the United States of America and we therefore, declare that we, as the kings of God, are arising in the excellence and the fullness of authority of the Holy Spirit living with us to appropriate the victory of Christ and advance the Kingdom of God into every atmosphere, realm, sector and world system.
- In the mighty name of King Yeshua, we decree the Ekklesia's divorce from the spirit of Baal, Ashtoreth, Jezebel, Molech, Leviathan and Media. We are hereby permanently divorced from Baal, and from Ashtoreth, Jezebel, Molech, Leviathan, Media and any other demonic principalities, mights and dominions.
- We acknowledge that we are not Christians but we are Kingdom citizens and sons of God, seated in Christ, far above all principalities, mights and dominions. (Those who operate in religion are not authorized to remove principalities, but those who are Kingdom citizens have the right and authority to remove demonic entities from the nation.)

- We declare that we make a new commitment to You Father, to rise up with Your Spirit and to embody fully all that You require of us as mature sons of God.
- We decree and declare that we will no longer think as children, we will no longer understand as children. We will no longer speak as children, but we will think, understand, and speak as mature sons of God, just as Christ. As Christ is, so are we in this world.
- We decree and declare that we will rise to the fullness of the calling of Christ upon and within our lives.
- We decree and declare that the connective tissue of the Body of Christ will no longer operate with an immune disorder, but we are being made whole right now. Every joint every ligament, every tendon, every bit of fascia and connective tissue is now coming together into a glorious formation of God's bride, His warrior bride. We decree and declare that we are connecting with Christ fully and we are connecting with one another in the bond and unity of Love.
- We declare that although we have different purposes to fulfill, we are one body, with one spirit, and one mind of Christ, ruling and reigning from now on through eternity.
- From this position of understanding, clarity and authority we command all gates of Baal shut in America. We decree and declare the shutting and sealing shut of all portals, and gates that have allowed the demonic spirits of Baal, Ashtoreth, Jezebel, Molech, Leviathan, Media and any other darkness to operate within the nation of America.
- We shut all gates, gateways, doors, windows and portals of Baal from Washington DC, from New York and all other cities, towns communities, theatres, art centers, parks and community centers in the United States of America, sealed shut now with the blood of King Yeshua!
- We bind and forbid the spirits of Baal, Ashtoreth, Jezebel, Leviathan, Media and Molech from operating anywhere within the United States of America. We declare America shall do away with all Baals and Ashtoreth's and serve the Lord only. Let the names of the Baals be taken from the mouth of America.
- We command every demonic entity to be driven out of the nation of America. We declare America to be the *UNITED* States of America, one nation under God, indivisible, with liberty and justice for all, because the Kingdom of God rules and reigns in America, and Yeshua is Lord and King of America. He is Lord and King of all the world systems, and of all the earth. Let His Kingdom justice fill the land.

- Today we commit to move forward into all the world systems once again because God so loved the world, aka, the kosmos, meaning the world systems, that He sent His only begotten Son to save them. Therefore, we too, are here to save the world systems. We are here to save God's way of doing business, God's way of doing government, God's way of doing health, God's way of doing education, God's way of doing arts, music and entertainment, God's way of doing media, God's way of doing family, God's way of doing life.
- We commit to aligning together to bring about the fullness of Kingdom establishment within each of these world systems. This is our calling and purpose as the Ekklesia of God, as the body of Christ.
- We decree and declare that we renounce Baal, Ashtoreth, Jezebel, Molech, Leviathan, Media and all demonic forces from our lives, from our families, from our loved ones, and from our nation and world systems in operation within the United States of America.
- Let every yoke between the Church and Baal, and also between America and Baal be utterly decimated and destroyed now.
- We break the yoke of Baal off our lives. We break the yoke of Baal off our families. We break the yoke of Baal off our education system. We break the yoke of Baal off of our healthcare system. We break the yoke of Baal off of arts, entertainment, music, media, business, finance, science and our government. We break the yoke of Baal off our nation. Let every yoke of Baal be smashed to sheer nothingness by the war hammer of God.
- We decree and declare any and all covenants with Baal, Ashtoreth, Jezebel, Molech, Leviathan and Media are forever destroyed, null and void, of no effect. Let any evil altars, documents and contracts with our names on them, be utterly decimated and burned up by the fire of the Holy Spirit.
- We are married to the Lord our God, Creator of all, and we are married to Yeshua, our Anointed King forevermore. Hallelujah! Let the Bride of Christ be without spot and blemish! Let us rise up in the authority of Christ to fulfill our mandate to advance the Kingdom of God and to spread the good news of the gospel of the Kingdom into all the nations and world systems, until all the kingdoms of this world have become the kingdoms of our Lord and of His Christ. He shall reign forever and ever! Selah!
- We declare that our covenant with the Lord is forever binding, and we will no longer forsake our binding agreement, but will honor the Lord our God, with our whole hearts, minds, souls and strength, as His Bride, forevermore.

- We declare that Baal is not our lord, master, husband or owner. He is not our god. He does not control our harvest, our outcomes, our destinies, or our ability to produce any kind of offspring.

Let the ports of America be sealed shut from anything that would bring harm upon our nation. Also, we decree and declare let China's controlling interests within the United States of America, that exist to undermine our nation, and weaken our moral fiber, our infrastructure and economy, be immediately and forever removed from China's possession, and let these strategic properties and businesses be given over to righteous Americans to steward, who love God and will advance the Kingdom of God for the glory of our King.

Rather, let Americans learn true Kingdom finance, God's way of utilizing funds, for the betterment of mankind and the glory of the Lord, and the true strengthening of our nation from within.

- Let the great wealth transfer back to God's children begin. Baal open your mouth, and release all the wealth you swallowed back to God's people.

We declare the management contract of the earth has been rightfully given over to us, the sons of God, therefore, in the mighty name of our King, Yeshua, we seize back any legal rights the devil may have had to cause chaos, mayhem, loss, suffering and destruction within our lives, our families and in America. We declare no more!
