## **A Trip Down Memory Lane (about fear and control)**

Socialism (think income redistribution) was always part of the **planner's plans...**(leading to Communism):

*“But the American people must never fear or despair: the American government will save them from this creeping Socialism” How? The American Social Security program”...*

*“The Social Security program was an income redistribution plan...one must honestly admire the cleverness of the administration in concealing this fact from those who have believed that it was intended to be a retirement plan for those of the working population who reached retirement age.”*

*“The ultimate purpose of all income redistribution schemes is people control...”*

*“The ultimate Communism is total control over all mankind. All of the efforts of the people belong to the state and if the worker does not produce, he will be slowly starved unto submission, or unto death. Here the difference between Socialism and Communism shows itself in the attitude of what to do with the unwilling worker: the Socialist wishes to execute him in a ‘kindly manner’, while the Communist wishes to slowly starve him to death. It is hardly a difference worth debating.”*

### **Scott Aguiar comment:**

I had an incredible job before I was compelled to leave when the pandemic started. While out of work I was able to spend the time and do my own research in many areas of interest. Now, even though still out of work, I have discovered something while talking to the average person. The majority of people that are lucky to still be working are too concerned with the struggles of their own households that they don't research issues and just blindly **absorb the media's narrative**. They have no clue and are just responding to the info that the news networks feed them. Thus is why I think **our country is doomed**. All of these problems are being fabricated in part by our government's collusion with the WEF and Klaus Schwab. The Central banks are in collusion with him as well because he is ushering in a New World Order that will be at least subservient to the UN and their agenda. His cabala is called "The Corporation." **Our government is implementing his agenda**, and now it is striving for **Agenda 2030**. In the meantime it includes fleeing America of its wealth until it ultimately collapses, and then is absorbed by force. We can't do anything unfortunately because most of our government leaders are members of the WEF or similar Organizations that have pledged allegiance to foreign powers. What makes matters worse is that we have been indoctrinated to

become a God hating country so wisdom and common sense are beyond the grasp of these so called educated people. This is also **demonically influenced and controlled**. I wish we could go make our own country but that is unrealistic. My heart is broken for this country. I've found that even our military is with them. They are **purging out all the dissenters** so that they will have a ruthless machine that cares nothing about the American people. You wouldn't believe what I've learned about all of this. I'm telling you now, be very careful if you need any medical help. The **medical field is now being controlled by the government** and the rules they are mandating on them. The corporations that are now making medicines do not care about finding cures but rather making money and staying in business. Our value system has been turned upside down. I feel like Gerald Celente when he gets irate and sometimes starts crying because of his frustration and anger. Unfortunately you will not find any logic behind what is going on because it is an evil plan. I'll probably go homeless and starve because I'll never get work again. I won't take any of those vaccines. Stay strong. I know it's difficult. I've been living on 1 meal a day for 5 months. Look at the drought you guys are experiencing. That is also man made, although I do believe that our catastrophes are being worsened by **God's judgement on our nation**. The elite don't care because it is a part of their deportation plan. Next year is the Fed coin. They are creating WW III. They are destroying our food making capabilities. They have destroyed our Rule of Law. People are starting to crack and now are killing each other. Worse times are coming.

### **Corey's Digs: Exposes the Sustainable Development (Agenda 21/2030)**

#### **Agenda:**

"Each in-depth report dives into the timelines, operations, evidence, money trail, true agenda, and key players involved. In essence, they obliterate the alleged desire of the "Sustainable Goals" and reveal the desires of men and women who wish to **control the world** by making humans obedient,

unhealthy, uneducated, unwise, unknowing, financially broke, and lacking identity or gender, while tracking and tracing their every move.”

“They (*billionaire puppet masters eugenicists*) want mankind caged, and if people do not start recognizing that the power lies with the people, they will continue to cull the masses under their spell into believing they have full authority over them. Most of what they do consists of illegal actions, money laundering, fraud, mind control and manipulation, monopolies, and a **central control system** that makes them believe they hold all the power over billions of people.”

## 17 Goals of Deception

## Elements of Control:

- \$1.2T spending Bill: a \$1.2 trillion infrastructure bill to build the smart grid control system.
- Banking expanded: so all can be surveilled and spending controlled
- Herding masses into smart grid control system cities, buying up properties, convert to rentals
- Blockchain tech: the ability to control access, spending, travel, thermostats, energy usage, food, and healthcare.
- Climate change: **fear** based hoax use to control access to power and energy supply (and introduce gene-edited foods)

- “Who Controls the Food Supply Controls The People”

**Comment:** this is nothing but the continuation of the fallen angel plan to bring their anti-christ into power...

### **Enablers:**

**Federal Reserve** (central banking system):

*“When the Federal Reserve Act was passed (Wilson), the people of these United States did not perceive that a world banking system was being set up here. A super-state controlled by international bankers and international industrialists acting together to enslave the world for their own pleasure. Every effort has been made by the Fed to conceal its powers but the truth is—the Fed has usurped the Government. It controls everything here and it controls all our foreign relations. It makes and breaks governments at will.”*

##### **US House Bill - Nadler comment:**

Democrats openly admit that their gun control legislation would confiscate firearms that are upheld by SCOTUS as weapons in "common use" which are protected by the 2A.

"This bill would ban weapons that are in 'common use' in the United States today."

**Nadler:** "Yeah, that's the point of the bill."

### **Prayer Points:**

**1 Sam 12:20. ESV.** And Samuel said to the people, “Do not be afraid; you have done all this evil. Yet do not turn aside from following the Lord, but serve the Lord with all your heart.

Heavenly Father, we come to you with repentant hearts for any evil we have succumbed to in our lives. We have been impacted by the spirit of fear that the enemy thinks will separate us from your everlasting love. We pray for strength to stop the enemy’s attempts to levy fear and control over our lives and we ask for your eternal love and grace to surround and protect us as the enemy continues to war against our spirit and soul.

**Joshua 10:8. ESV.** And the Lord said to Joshua, “Do not fear them, for I have given them into your hands. Not a man of them shall stand before you.

Father, we thank you for the victories of times past that give us encouragement and faith in you to lead us away from the enemy’s plans to re-create humanity and separate us from you. We pray for continued discernment and the presence of the Holy Spirit to be by our sides as we face everything the enemy will attempt to do to destroy humanity. We lift our petitions to you to bring justice to the land.

**Deut 3:22 ESV.** You shall not fear them, for it is the Lord your God who fights for you.

Father, how easily we forget about You and become afraid of those wielding fear and control against us. Bring our minds back into unity with You so that we can eliminate the fear that's being used to manipulate, depopulate, and destroy mankind and our Christian walk with Jesus. Help us to remember the sacrifice of the cross and how You have already conquered this planet. Let us remember Your sacrifice and its power that has been given to us to defeat this enemy and all its abominations. We pray these prayers and petitions in Your most Holy name, Jesus Christ. Amen
