The National security act, behind the scenes it was developed by OSS officers such as William Donovan, Donovan was a catholic patsy who was ordained by the catholic church under the Jesuits, given the honor of the Knight of the Order of Silvester..

Walter Annenberg, the TV Guide magnate, was a lofty Republican. On the campaign trail in April, 1988, George Bush flew into Los Angeles to woo Reagan's kitchen cabinet. "This is the topping on the cake," Bush's regional campaign director told the Los Angeles Times. The Bush team met at Annenberg's plush Rancho Mirage estate at Sunnyslands, California. It was at the Annenberg mansion that Nixon's cabinet was chosen, and the state's social and contributor registers built over a quarter-century of state political dominance by Ronald Reagan, whose acting career was launched by Operation MOCKINGBIRD.

The commercialization of television, coinciding with Reagan's recruitment by the Crusade for Freedom, a CIA front, presented the intelligence world with unprecedented potential for sowing propaganda and even prying in the age of Big Brother. George Orwell glimpsed the possibilities when he installed omniscient video surveillance technology in 1948, a novel rechristened 1984 for the first edition published in the U.S. by Harcourt, Brace. Operation Octopus, according to federal files, was in full swing by 1948, a surveillance program that turned any television set with tubes into a broadcast transmitter. Agents of Octopus could pick up audio and visual images with the equipment as far as 25 miles away.

Hale Boggs was investigating Operation Octopus at the time of his disappearance in the midst of the Watergate probe.

In 1952, at MCA, Actors' Guild president Ronald Reagan - a screen idol recruited by MOCKINGBIRD's Crusade for Freedom to raise funds for the resettlement of Nazis in the U.S., according to Loftus - signed a secret waiver of the conflict-of-interest rule with the mob-controlled studio, in effect granting it a labor monopoly on early television programming. In exchange, MCA made Reagan a part owner. Furthermore, historian C. Vann Woodward, writing in the New York Times, in 1987, reported that Reagan had "fed the names of suspect people in his organization to the FBI secretly and regularly enough to be assigned 'an informer's code number, T-10.' His FBI file indicates intense collaboration with producers to 'purge' the industry of subversives." The Depraved Spies and Moguls of the CIA's Operation MOCKINGBIRD by Alex Constantine

To examine CIA abuse. In 1973 The Washington Star news reported that CIA enlisted more than 30 Americans working as journalists under the order of William E, Colby. Churches Committee report of 1976, CIA ties with foreign and domestic media and maintains..

One of the agendas of the Bavarian illuminati was to take control of the libraries (Vatican) and media outlets to control propaganda over the public, this method is used by the CIA. In Feb 1976, GHWB (CIA director) announced that the CIA will not enter..

Into any contract of media relationship, however it did not state that non-contract worker (free lance or 3rd party) would be held to this standard. So who owns the media? Who conducts the information that news feeds go to?

The Reuters, AP (associated press) and the PA. The Reuters agency was est 1851 by Paul julius Reuter in Britain at the Royal London Exchange, financed by the Rothschilds. The banks have influence over the agencies, which the banks are controlled by the..

Rothschilds. From 1800 independent Papers and outlets, the Hearst family bought almost all, which eventually only 88 corporations owned and operated the media, now today is owned by 6 corporations who control 95% of the media.

Even though there was a propaganda ban, in 2013 the Barrack Obama (Barry soetoro) administration repealed it therefore making propaganda legal. What is Propaganda? The dissemination of beliefs, opinions or actions of a specific agency or agenda..

Examples of propaganda; CNN reporter Charles Jaco, was "supposedly" in Iraq and had to suddenly wear a gas mask when under attack, when in fact he was in a stage in front of a green screen, then there's HRC arriving at Bosnia, after arriving at airport..
