Prophetic vision and word while talking to Dr. Boone

I immediately called Dr. Boone after talking to Russ Wanger. My question to her was to find out what the spiritual stronghold over Washington DC is? She is the perfect person to ask since she has been the National Day of Prayer Leader in DC for many years and still is at the age of 87 and sharp as a tack! What a blessing!

As I listened intensely the very first thing she said was. "Every demonic headquarters in the world has a link/connection in DC!" Wow, what a statement! Any person who is called to pray in DC must have an intimate relationship with the Lord! This is important because God will give you a strategy how to accomplish the assignment. She believes (and I agree), that we (the Body of Christ) have the authority and power in Christ Jesus to master any and all demons to bind and loose their influence in the earth. Amen!

Immediately, God dropped a vision from heaven, and I interrupted her to share what God was showing me. I saw a poll with a vine wrapped around it and was choking the life out of the people in DC. This is the reason the Body of Christ have become so complacent.

She also talked about there needs to be more unity in the Body of Christ because there is great diversity in DC. Immediately, I heard Revelation 7:9 which is proof that there will be a great multitude (every nation, tribe, people and tongues), confirms that God desires unity. God is not in agreement with division! Therefore, Dr. Boone suggest that we pray for the Body of Christ in DC.

Eventually, we got off the phone and God continued to give me more revelation. He said that the vine He was showing me was a snake. As I pondered on this snake more The Spirit was saying it is a Python snake (not Leviathan) which chokes the life out of its prey.

However, this is what God revealed to me about the Leviathan spirit is over the people in DC and the peoples of the earth. This is the demonic link from every headquarters in the world that have attached itself to DC. I thought about Richmond, VA. When I visited it 2 years ago how I could feel that the atmosphere was totally demonic. The Leviathan spirit loves chaos, and fear.

This intrigued me and caused me to do more research: the Leviathan spirit represents totalitarian state having a vast bureaucracy. This is exactly what we are going through! Also, it is said the Leviathan is the length of 300 miles. Therefore, look at the global (one world) reach it has. This is deep rooted and has been for decades. Another interesting fact: the Ziz (a griffin-like bird) creature is over the air, the Behemoth is over the land and Leviathan is over the sea. Leviathan is the most dangerous, vicious and poisonous of all.

Yes, Jesus gave us authority over the air, land and sea. However, according to Job 41, God showed Job that he was no match for Leviathan, which I believe it applies to us. We are to stay in our lane and pray as Jesus prayed when He dealt with the devil in Luke 4. He said it is written...! We are to armor up and use the sword of the spirit which is the word. The angelic host

are waiting for us to release the word of God over the air, land and sea. They are instructed to render service for the sake of the saints and to do God's bidding. Hebrews 1:14

I have researched prayers to pray for the nation, your state, neighborhood, city and prayers for the Body of Christ. I will send them separate.
