

**\*\*\*MARCHING ORDERS**  
**Use Every Opportunity**

**Spiritual Revolution -part 2**

**I have come to seek and save that which was lost.**

**Go YOU into all the world and preach the gospel to every person.**

**But you shall receive power after the Holy Ghost is come upon you, and you shall be witnesses of Me in all the world.**

1. When Paul was being sent to Rome, the ship had to be abandoned because of the storm. The angel of the Lord stood with Paul and told

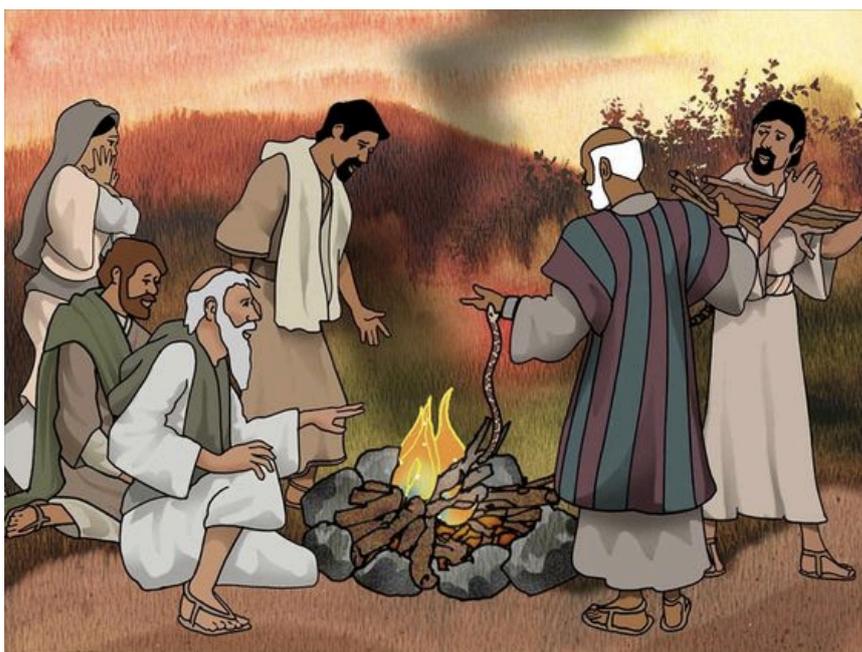

him that the 262 men on the ship would not die but the ship would be lost. The whole ship knew who he was, and Paul shared the gospel with all.

2. The people of the island where they had shipwrecked showed them kindness, fed and housed them for 3 months.

During their first night there, Paul was gathering fire wood and a viper snake bit his arm and wouldn't let go, and Paul had to pull it off.

3. The natives of the island thought Paul must be cursed, having escaped shipwreck but now killed by the highly poisonous viper.

But the bite didn't hurt him and the people then thought he must be a god.

4. So Paul **USED THE OCCASION** to preach the gospel of Jesus Christ to them, and then proceeded to HEAL many that were sick. He was **dedicated to Jesus, on fire** and like the good soldier of the cross, **used every chance** to get the **Word to others**.

5. The disciples, because of their decision to dedicate their lives to God and to **spread the gospel**, had great power given to them and healed the sick by praying or laying hands on them.

6. They weren't always kept from harm or prison, but **they used all opportunities to get the job done**. They were FIREBRANDS that lit up every soul they met, possessed by the Holy Ghost.

7. The first disciples of Jesus, those who were trained with Him, most of them were not scholars nor educated but were normal everyday people but when they received Jesus Christ, they were changed, transformed. Then they shared the truth with all the world.

8. The one thing they did have was **DEDICATION** to stay with their training and their **marching orders to go into all the world** and **preach the gospel** to every

person. It was not a part time job, nor one that had any government benefits.

It was **DO or DIE**, it was obey or lose. It was war, it took more dedication than a soldier, because they didn't get paid, and they knew it would **cost their lives**.

9. It was the **disciples** that were first called Christians in Antioch. These were **hard core seasoned soldiers** of the cross who went into cities **turned them upside down** with teaching the gospel in the streets, in the meeting places, markets, temple, and healing people.

10. It was a total attack by the **HAND OF GOD** on them, Jesus and the Holy Spirit working in them to get the job done. Every occasion was used to give the truth **no matter what the cost. We are called to this life of all out war, all of us who know Jesus.**

**11.** The Roman government eventually labeled Christians 'terrorists' and to be killed. Many died, and many were scattered everywhere from the persecution which **drove the gospel out to all the world, like seeds scattered by the wind.**

12. We hear about those who were crucified, burned alive and fed to lions in movies but we don't hear much about those who fled the cities and went to other cities where they preached the gospel, taught others and **won souls and more disciples.**

13. **That is our number one Marching Order** and when our will is aligned with God's will, then the power and blessings are turned on. He begins to do the miracles. Obedience brings on the power of the Holy Spirit.

14. Christianity was born in the **hot fires of persecution** which spread it far and wide. Jesus is in control and it is He that orchestrates the maneuvers. God's method was not being sitting ducks in a church on Sunday, but meeting anywhere they could.

15. Then after being empowered in their local **Ekklesia (home church)** group, went out and reached others with the gospel, the good news of Jesus in us, saved by faith, and filled with the Holy Spirit.

16. As any military strategist knows, it's **impossible to win a defensive war**, it is doomed to failure. To win a war you have to

**launch an attack**, you have to go on the offensive.

17. To win at any thing or any kind of battle you have to **take the initiative, go on the offensive** to the attack, overpower the enemy and keep attacking. If you don't attack you won't win, but when we attack, the power is turned on and God fights for us.

18. This is why commando guerrilla warfare is so successful with few people. With **sudden attacks**, in **unexpected places**, and in weak spots of the enemy's fortress, an army can do a lot of damage.

19. Our warfare is **spiritual** and our enemies are the demons and Satan himself who control much of this world. **Our weapons are different but the tactics of spiritual war are the same or similar.**

20. You choose the time and place and strike with lightning speed, first here then there and set the enemy back on his heels, only then disappear to strike in another place. This is how the Russian people were able to destroy Napoleons army... by picking them off one by one.

21. One **teen guerrilla warrior David defied a whole army** by bringing down their champion Goliath, and sent the army of the Philistines running.

One warrior **Samson defied and destroyed a whole nation** of the enemy, bringing down the house on their heads in one great last show of power.

22. **One Warrior, Jesus Christ, came, saw and conquered this world by dying for us,** and trained others to carry it on. For this purpose was the Son of God manifested, that He would DESTROY the works of the Devil.

**Gideon** called by the Lord, **went up against a very large army with his 300 men and decimated them** by listening to God's instructions.

23. **Jonathan and his armor bearer** said, **God is not limited by many or few and he went and defied** a garrison of the enemy.

If you have **God with you, you are unbeatable** no matter how small you are. It pays to dedicate yourself to the Lord and His commission, His marching orders, hear from Him on the specifics in prayer and prophecy, and launch an attack.

24 This is the picture Jesus spoke of... **the gates of hell shall not prevail against the onslaught of the 'ekklesia', the army of Christian believers and doers, who go on the offensive to the attack and win the world to Jesus.**

25. He didn't mean the believers were **sitting in a building with a cross on it**, and able to withstand the attacks of the world and the enemy, but **they were taking the attack TO THE ENEMY** and winning the world. Just as we are doing when we share the truth with others in whatever ways He leads us.

26. Whether it is the digital warriors attacking on the **'fields' of battle** on social media, web sites or whether it is hand to hand combat with

speaking the truth to individuals or groups wherever we go, the battle is the same.

27. The political digital war has become spiritual as we expose WHO is really behind the cabal, the globalists, the media, and their pawns and agents. We have exposed that **they worship and serve Satan** openly. It's in their writings, symbols, ceremonies and agenda; their goal of world government means they have to destroy **God in us, and wipe out Christianity** for we are **their main enemy**.

28. Those who seek truth in the political usually end up finding Jesus as He is the main force against the Cabal, searching for answers and truth leads to more. The Words of God ARE enlightenment that illumine our minds and souls to truth, and the goal of the cabal is to brainwash, weaken and dominate the world. They want to expunge godly, Christian culture out of the world.

29. The **main battle** is to get the Word of God to all the world, for that was the main marching order from the King Himself. **GO YE!** WHY? Because the world, the whole world is waiting for the word of God, for salvation of their souls. They don't even know Jesus yet... and God wants to give them all a chance.

30. Can you imagine it? **The whole world is waiting on US to give them the answers to life.** Without Jesus and the Word there is no life... `for I am the way, the truth and the life, no man comes unto the Father without Me.  
(John 14:6)

31. Neither is there salvation in any other for there is NO other name under heaven given to mankind, whereby we will be saved. (Acts 4:12). We who carry the gospel to the world are the saviors of humanity and all history is pivoted on us. God moves the world around us.

32. The Great Awakening is part of the war, to open the eyes of the world, for it is hard to control and manipulate an awakened public with a conscience. But our main job according to the King is to reach the souls of all the world with salvation, for that is forever.

33. **The Word of God is the salt, and those who have His Word in them and obey it become the salt of the earth** to cleanse, make tasty, and preserve... all the uses of salt.

34. **Salt to cleanse from sin; salt to preserve our souls for His use, and salt to make us tasty so the world sees Jesus in us** and desires what we have. But if the salt loses its flavor, by letting the world and sin take over, we get weak and lose the battle of the Spirit.

35. Do we really believe the Bible, the Words of Jesus and the words of the apostles, the disciples, the followers of Jesus who like soldiers, went into the battle no matter what the cost, to **deliver the blows of God to WIN the world** with the truth.

### **Die Daily**

36. It is a spiritual war but one which must be fought daily with relentless attacks, first by

putting the Word in us and our children, friends and relatives and then launching some kind of attack to reach others.

37. It is this kind of **dying daily to our laziness, fears, and worldly pastimes that is the hardest.** Giving up the things of the world to give the truth to others in the ways He leads us personally, that is the test of true active believers.

**38. It is WE that must launch the attack.** Face the fears to go on the offensive with the truth of Jesus Christ. Resist the enemy and he will flee from you. Know what you believe, be empowered by the truth and then do it.

**39. Face the fear of man in the power of the Holy Spirit on the promises of His words and launch an attack** and you cannot lose. Sure the enemy fires back as he will not give up territory that belongs to him without a battle. God wins the battle when we launch an offensive.

*He can't show if we don't go.*

*But when we flow like a stream,*

*We will glow with souls redeemed.*

## **Move Out**

40. **To stay alive we must have movement,** there must be change, motion, movement and the signs of life are manifested in action. There are only two directions any army can go, **there is no standing still.**

41. **You are either going forward, making progress or you are going backwards, backsliding,** just as in any war or attack. Sure, there are times for regrouping, training, preparing for the next battle, but those are also positive actions.

42. **When we as believers,** active soldiers of the cross, disciples, **do not make any spiritual progress,** not going ahead in raising the spiritual strength and giving to others, **we are losing the battle.** Just as the so called 'church' lost its fire and drifted slowly back into the world, so you cannot even tell the difference.

43. **The world won over the Christian world because the Christians gave up their attack** and sat around as the communists and the world were on the attack, ripping off their children, and letting the Christians die the slow

death of spiritual genocide, by brainwashing their children against the truth.

44. To stay alive we must have action, progress, growth both as individuals and groups of believers. **The original plan was that the ekklesia** or the meetings of the believers **were for our empowerment, our encouragement, our training and then when we left the meetings the war began for souls.**

45. What is the war? It is **reaching the world**, with the Love of Jesus Christ. That is the vision, that is the plan and that is our marching order... and the job God has for us.

## Vision

46. **A loss of power to do the job can be traced back to a loss of vision**, the vision of what the job is and why. If we have the vision we know that our job is to reach the whole world with the gospel and live it.

47. **A loss of initiative, progress, without any fire to get up and do the will of God, is from a loss of vision...** which breaks the current of power because you no longer take action, as you become sidetracked by the noise of trinkets of the world.

48. **The attacking initiative is created by the vision.** The **vision of having the power of Jesus Christ in us** and **KNOWING that everyone needs this.** That creates the power, the action, the doing, the going, the obedience to our Marching Order.

49. The four things that make **a pioneer are vision, faith, courage and initiative.** When we connect to Jesus it gives us the vision which creates the faith have the boldness to take the initiative and obey.

50. So how do so many people **lose the vision. They lose the vision from a break in the connection to the power source.** Somehow through neglect, laziness, lethargy,

inaction, there is the loss of power from God Himself. They lose their individual connection to the Lord from disobedience.

51. Then the **loss of power turns to a loss of belief** and faith, **which leads to fear and inaction**, a **loss of the fighting spirit to obey** no matter what.

52. **If you lose that pioneering spirit**, that fire that you just have to take action to establish the kingdom of God on the earth and you are satisfied with what you have, **you begin to die spiritually and backslide into worldliness.**

53. When we stop pioneering, taking the initiative and go on the attack to win, to give, to take over the world for Jesus, we begin to fail. God's law of progress is, if you don't keep gaining more ground, you lose what you have. (parable of the talents)

54. On the other hand, as we listen to the Lord, and obey Him, He empowers us, supplies, blesses, opens doors and will do anything for us because we are willing to trust and **obey**, no matter what the cost, to do the job.

## Scriptures

55. But you shall receive power after the Holy Ghost is come upon you and you shall be witnesses unto Me both in Jerusalem, Judea and unto the uttermost parts of the earth. (Acts 1:8)

56. The spirit of the Lord GOD [is] upon me; because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to [them that are] bound. (Isaiah 61:1)

57. From that time Jesus began to preach, and to say, Repent: for the kingdom of heaven is at hand. (Mathew 4:17)

58. And as **you** go, preach, saying, The kingdom of heaven is at hand. (Mathew 10:7)

59. And it came to pass, when Jesus had made an end of commanding his twelve disciples, he departed to teach and to preach in their cities. (Mathew 11:1)

60. And my speech and my teaching were not with words of man's wisdom but in demonstration of the Spirit and of power. (

61. And he said unto them, Let us go into the next towns, that I may preach there also: for therefore came I forth. (Mark 1:38)

62. And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things. (Romans 10:15)

63. For though I preach the gospel, I have nothing to glory of: for necessity is laid upon me; yea, woe is unto me, if I preach not the gospel. (I Cor: 9:16)

64. Furthermore, when I came to Troas to [preach] Christ's gospel, and a door was opened unto me of the Lord. (2 Cor. 2:12)

65. For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake. (2 Cor. 4:5)

66. To preach the gospel in the [regions] beyond you...(2 Cor. 10:16)

Notes:

67. All saved Christians and those who have received the Holy Spirit are ordained of God to preach the gospel in some way.

Not all are called to live a missionary life, but all are called to give the truth to the lost.

68. It's like having a pure, crystal stream or well in the desert. It would be criminal for us to withhold the water from those dying of thirst.

69. Those who cannot share the gospel and to reach all nations, can pray for and support those who do. This is the failure of the 'church system', their failure to train their people to do the job we are commanded.

70. Preaching the gospel to the same people every week is like overstuffing some people with food while billions around them are starving for one morsel.

71. Compromise has been the downfall of Christianity. Compromising with the system for money and other benefits.

True Christians are not popular as they always go against the status quo of the beast and the world.

72. Standing up for the gospel and giving it in a spirit of God's love, is the most powerful

force on earth for it will live on far after this world is gone.

73. We can't back down because of cancel culture. They exist because WE didn't do the job of reaching their souls, or allowing the system to take over the job of education which always means secularism.

74. If they persecute you in one place, go to another until there is no place but up.

75. Those people and countries that have the most gospel have the most responsibility to share it in love and not in self righteousness. When they see the love of Jesus in us, they want it. If they only feel a condemning, judgmental attitude, it will drive them away.

76. We can change our areas or areas of influence first by praying consistently for them and then giving the truth in the ways that are area-friendly, that have the best potential for them to grasp and receive it.

77. Before Trump, every president for decades was going in the wrong direction or were controlled by the cabal. This led to expunging

the gospel from schools, society, the compromise of churches, and flooding the people with endless garbage and poisons mentally, physically and spiritually to destroy Christian culture.

78. It is our job to restore faith in the world by reaching a person at a time, to at least give them a chance.

Living the Word sets up godly culture, brings a standard of truth, conviction and God into our area. When the Bible and believing Christians are removed, then savagery and godlessness comes.

PLANT THE FLAG OF FAITH in the hearts and minds of the world to obey the Lord and save humanity.

## **List of Fighters**

Most of history is a long series of war. Wouldn't it be encouraging if students learned the history of the SPREAD of Christianity, what it cost the people in sacrifice and how they did it.

The following short list of fighters for Jesus, just to give a vision of those who carried the gospel to all the world.

**Martin Luther** defied the whole Roman Catholic Government by realizing that salvation is only by faith, belief. The people needed the Word in the local language and that is what caused the biggest revolution, the Reformation that spread all over Europe.

### **David Brainerd**

Born in 1718, David Brainerd was one of the first missionaries to translate and carry the good news of Jesus to the Native Americans of New Jersey in their own language until the day

of his death in 1747. His faith and passionate pursuit of sharing the gospel has inspired countless missionaries such as William Carey, Adoniram Judson, and Jim Elliot. His story is still being told today to rekindle the beating heart of missions that every Christian should

### **George Mueller**

Mueller tested the promises of God for His supply to the limit. He never asked people for money, he just kept busy taking care of many orphans in England and God blessed him, increased his work of caring and teaching many kids. That took a lot of faith to not go around fund raising but to put it in God's hands. Not all can do that, it seemed to be a very special faith he had and extreme dedication to those in great need.

### **Hudson Taylor**

Protestant missionary from Great Britain who spent 51 years evangelizing China in the 1800's and 1900's. He was responsible for starting 800 mission stations, many schools and converting tens of thousands of Chinese. (something remarkable in itself)

No other missionary in the nineteen centuries since the Apostle Paul has had a wider vision

and has carried out a more systematized plan of evangelizing a broad geographical area than Hudson Taylor.

## **John Wesley**

## **Tyndale**

## **The Early Christians**

### **The Apostles**

All of them went into all the world or many parts and got the gospel to all people.

Peter's vision to accept the gentiles- Slay and Eat

We all know Peter's vision in Acts 10. He saw the vision of all kinds of creatures to be 'eaten'... and the voice of the Lord saying, slay and eat.. and Peter saying, Lord, I can't eat those kind of unclean animals.

But the MEANING of the dream was to share the truth with ALL people, not just the Jews; and then a soldier came to his house asking for help. This was opening the gospel to the rest of the world, not just to the people of Israel.

Reaching the lost with the gospel and establishing ekklesia everywhere was the

Apostles job and the plan. This was not just for a few top disciples, but all were samples of the love of Jesus Christ and won people to the Lord.

**The sunset of history is setting and soon time will be no more.  
What will we be remembered for.**
