SYMPHONY- Art of Spiritual War

(words received in prayer and prophecy)

1. You are important to Me. No matter who you are or what you have done or have not done, you are precious in the heart of the Father & I. YOU were the reason for it all, for the creation of the world, and for Me coming to earth to die

for you, so that you can live forever in the **Real Wonderland, Heaven, and be part of My team.**

2. I have been speaking to your heart giving you a greater desire for Me and My truth. This has activated more of My power in your life because obedience brings on the Spirit of God. You seek to know Me more and to know what is going on, when the End is coming, are we living in the Last Days, and what shall happen to you in storms ahead.

3. You also are concerned of how you and loved ones will live in the hard times that are coming. Perhaps you are seeking Me for My will in your life, or how you will make it through the obstacles and hardships you face now. Sometimes life on earth can just be so stressful, heartbreaking and difficult.

4. But I have the answer to it all. I AM the answer to it all and all you have to do is tune in to Me, seek Me, listen to Me and let My Spirit touch you, strengthen you and give you the victory. Whether it is trusting through the storm or implementing a new idea, or just receiving the inspiration to keep going... if you hear from Me, it will work.

5. I am going to become stronger in your life. You will hear from Me more, see more miracles. You will feel My presence in your soul and joy in your life as you absorb My Word. This is My promise to those who love and live for Me.

6. Life is a treasure hunt, an exciting adventure of hearing the clues from Me in your times of prayer, Bible reading, dreams or whispers that I give you. Take the clues, follow them and more doors will open, answers will be there, or the steps for a deeper communion and greater victories in your life will appear.

7. Use all of the spiritual weapons that you have been given to unlock the the treasures along the path of your life. My treasures found by you will be like presents opened on Christmas Day, supplying your needs, desires, and will make life fulfilling and fun. I will please My people who desire Me.

8. Then you will rise like the Day Star, beaming My Light to this world, proclaiming My truth as you lead others to Me. I will breathe My Spirit into your dry bones and raise you up as an army of the Love of God.

9. You will become the Bride of Christ who radiates My presence and then is caught up to Heaven by the Father, in His perfect timing. For you will hear My voice leading you to safety, to supply of your needs, and to those I need you to minister to of the Words of Life.

10. The End-Time bell chimes to the hearts of those who believe in Me, leading them closer up the mountain away from the world, to be empowered for their roles in the war. The further up the mountain, the clearer the bell is heard.

11. Listen to the notes that the end time symphony is playing to fulfill your destiny in Me. For all of My people who listen and follow the music will create the greatest symphony of power that has ever been revealed to the stage of this world.

12. Then as the **crescendo** of the FINALE blasts a clear sound, the Heavens shall open and all will see Me, the Son of God return in great power with the forces of Heaven. This is the climax of all history and My promise that I will return.

(Behold He comes with clouds and every eye shall see Him) (Rev 1:7)

13. I will gather My people unto Me before the wrath of God is poured on the wicked who choose death and Satan over goodness, life and mercy, on the wicked world. The reason you do not fit in this world, is that I have chosen you for another.

14. **Hear the tones that are played in spirit to catch all that I have for you, for then you shall 'play your instrument' well,** adding your part to the symphony, **the finale of the End. You will be My voice and face to a dying world.**

Stay your heart on Me.

Weapons of War

SYNCHRONIZE THE WEAPONS OF SPIRITUAL WAR

15. The end time warriors of Jesus Christ have weapons of spiritual war that we must wield to win the battles. When we use several or all of them is synchronizing them into one powerful weapon which I call the keys to the kingdom. It is in obedience in using our spiritual weapons that binds and unleashes the full power of God.

16. And I will give to you the keys to the kingdom of Heaven, so that whatever you bind on earth shall be bound in Heaven, and whatever you unleash on the earth shall be unleashed in Heaven. (Mathew 16:19)

The Sword of the Word

17. In the beginning was the word and the word was with God and the word was God. ALL things were made by Him and without Him was not anything made that was made. (John 1) For this purpose was the Son of God manifested that he destroy the works of the devil

18. The Word of God contains the mind, depth and the intrinsic nature of God. By it He created all things. God's Word is powerful for it is quick and sharper than any two edged sword, piercing the heart and spirit.

19. This is why every tyrant and dictatorship tries to ban, burn and destroy the Bible... it's just so powerful, and they can't fight it, it frees the soul from fear and translates us into the kingdom of Heaven.

20. Absorb the Word of God into your being; live in the Word and let it's power strengthen and guide you. Use the sword in your prayer and in your sharing the gospel for His word never returns void. It will do the job.

Our Helmet

21. The helmet of salvation is fixed forever on our minds and souls, it cannot be taken off, but

it can be neglected. Realizing what a treasure we have in being saved for ever, having Jesus Christ in us, makes us so very thankful and very powerful.

22. His helmet not only preserves us for eternity after the body is gone, but is an anchor to keep us safe through the storms of earth life. Feed your helmet by memorizing scriptures on salvation. Tell others about salvation. It is the most important thing in this life and for which Jesus sacrificed Himself.

Faith

23. Faith is the gold we receive from drinking the Word into our souls. We hear the voice of His Word which strengthens our 'knowing' Jesus.

Faith is the vacuum, the hunger in our soul for God. Increase your faith by filling your heart with the Word, then use your faith to change the world.

24. Faith is shield to block the enemy's darts, but then a weapon, as we smash the devil in the face with it. It is both a defensive and offensive weapon, blocking the attacks and then going on the attack to destroy the enemy's hold on people.

Prayer War

25. Prayer is not just the petitioning and asking but is also the receiving, the listening to the Lord speaking to us in heart. Prayer is our communication device for receiving His signals. Prayer IS life, for it is the breath of the spirit. Prayer is the goal not just a means to the goal, for prayer connects us to God and brings down the kingdom.

26. Then after we have filled our heart with the word, we launch an attack through prayer. We send missiles of prayer that explode with the power of love hitting the bullseye of our targets. We can change their lives and this world through fervent-Word-Power-Packed-Prayer missiles.

Retaliation Praise

27. Praise is our lifeblood of inspiration and worship to our God. Retaliation praise is thanking God for every thing in our lives even the 'bad', for through praise He takes our trials and troubles turning them into blessings of spiritual gold. Praise becomes a weapon of

spiritual war even as Moses praised and the battle was won.

Breastplate

28. Not our righteousness but His. Only those who receive His goodness, His power, His grace will be righteous for in us there is no good thing, and we can do nothing and are nothing without abiding in Him. The breastplate protects the heart, and the best protection is walking in Him and He in us. Got it? Get it.

Belt of Truth

29. What does the belt of truth do? Jesus said you will know the truth and it will set you free. We have been freed from the Matrix of soul slavery by the truth of Jesus Christ. That belt also holds up our pants, holds us up from falling for the traps of this world.

30. Stand fast in the liberty wherewith Christ has made us free, and be not entangled in the yoke of bondage of sin. The Word and truths of great awakening set us free from being slaves of the world, of Satan and our own sin.

Prophecy & Hearing the Voice of the Word

31. Jesus speaks to His people through the Word. That is the most sure word of truth, the voice of the Lord through the Word as we read. The Holy Spirit anoints some scripture that just speaks to our hearts and we know it is from the Lord.

32. Jesus also speaks to us through dreams, visions and prophecy. Having discernment is a vital ingredient in interpreting or understanding His dreams and visions. Ask Him to show you what they mean. The interpretation is just as important as receiving His message.

33. Prophecy is the receiving His words in prayer or in prophecy which is a gift of the Holy Spirit to encourage others and yourself. You can practice prophecy by writing or typing the words you receive when having your time of prayer and reading the Word. Ask Him to speak to you and write down whatever you feel. This is how to develop the gift of prophecy.

34. Whatever God shows you always works. The greatest thing we can teach others and our children, is how to hear the voice of God, how to connect directly to Him. Take the time to cultivate hearing His voice through the Word,

His whispers to your heart, through dreams, visions, and prophecy.

35. Hearing from the Lord thrills the soul, gives strength, wisdom and guidance necessary in winning the battles. You can hear the voice of God speaking to your heart, in your thoughts and through dreams if you stay on His channel.

Be still and know that I am God (Psalm 46:10)
Getting away in **a quiet place** with just you and your King is the key to keeping your sanity and growing in strength.

Gospel of Peace and **Love** as a Weapon

36. The job and marching order of every believer, every Christian is to preach the gospel to every person in some way. Our job is not going to church or fellowship. Our job begins when we leave the congregation, for the whole world lies in darkness and in sin.

37. And as you go and take the truth to this world remember the words of Saint Francis: 'Preach the Gospel everywhere you go; sometimes use words. In other words, love is the gospel for God is love. Love is what everyone needs and wants, but they haven't seen many examples of the Love of Christ. You be the love of Christ for them.

38. I went to find a friend,
But could not find one anywhere.
I went to be a friend,
And found friends everywhere.

All the Law is fulfilled in just two commandments: Love the Lord with all your heart and Love your neighbor as yourself.

Love and you cannot lose for God is love.
In as much as you have done it to the least of these, you have done it unto Me.

Finale

39. I have given you strong weapons of spiritual war. Learning to use each weapon is to your benefit. Become accustomed to their feel and how to wield each one. Become an expert of these spiritual weapons to be **an effective warrior** who overcomes the world and wins many to Me.

40. **As we combine, use and synchronize all the weapons of spiritual war, we are armed to the teeth. Nothing can stop a**

**full-armored, weapon-bearing Christian
Warrior. Take the battle to the enemy and
win.**
