

Crown Bearers

Potent Powerful Effective Linking

1. I have to use other words for prayer because of the weak connotation it gets from a lack of whole-hearted, focused, ineffective prayer. Prayer that is not believed, nor targeted or prayed with the heart. All prayer is precious to the Lord, but when dealing with changing the world, bringing down the Kingdom, getting answers, healing and blessings, then strong, effective prayer is needed.

2. Calling prayer a potent and effective **'linking'**, targets the real meaning of prayer, for we are the connection between Heaven, God's throne, and

earth. Our decision to pray unleashes the power of heaven and His angels to fight for the object of our prayer, and our lack of prayer hinders what could be done.

3. So to have the most effective prayer possible is the responsibility of prayer warriors, the Linkers, or the **Crown Bearers**. In calling us the **crown bearers** is reference to both the Lord of the Rings and the keys to the kingdom,, as only certain people, a hobbit, could bear the ring in the Lord of Rings, those who had the humility to not be tempted with power. All others lusted after the power of the ring. Those given the keys to the kingdom, the loyal obedient disciples who paid the price with their lives, receive great power to bring His love, salvation, healing and mercy to this world.

4. In our case, the crown bearers are those who are faithful to the art of prayer, praying without ceasing, and also walking with God, with Jesus and working with the Holy Spirit as much as we can. As Jesus

said, they that bear His cross shall wear the crown. To those who overcome shall have a crown of power that enables them to help rule the world in the time when He returns.

5. That crown of power can also be diminished by a lack of use and lack of faithfulness, so it compels us to stay close to the King in prayer, to pray without ceasing for all men, for all situations. We are 'constrained' to have times of 'Accessing the King' to be fully connected to His power by having deep, Word-absorption-prayer-communing times with our King.

6. Prayer without accessing His power is good but not the most effective, world changing, life changing power that it could be. Using several of our spiritual weapons to access the throne of His power is very effective as then our weapon of prayer is backed with all of His power, with the Holy Spirit praying through us.

7. Here is a message from Jesus Christ received in prayer about this.

(message)

The power of your praises, your words of thankfulness, of endearment to Me, as well as your committing the promises of the Word to Me, stirs Me up to answer you. For truly communing with Me before engaging in prayer war is the most effective

kind of prayer, for then your heart and soul is empowered with the Holy Spirit.

8. Come unto Me using these tools or gifts of praise, thankfulness, quoting My promises, and filling your heart first with My Word. Then your prayer goes a longer way with Me.

It's hard work to dig into the Word and fill your soul. It takes time to commune with Me, bearing your heart and soul to Me. It's humbling for then you feel convicted of your shortcomings as you abide in My light... but this is good and healthy for your spirit.

9. For as you commune with Me in prayer, your heart is cleansed and filled with Me and the precious Holy Spirit. You fulfill all that you have been asked to love the Lord with all your heart and love your neighbor as yourself. Truly, praying for others in My power **IS** loving people in the best way possible for it brings the full power of God into their lives. You become the links of My Word and love to those on earth... 'crown bearers'.

10. The dynamics of the spirit realm are this: there are many forces at work, some for you and some against you. When you pray a simple prayer it is heard and answered in the same force that it is given. But when you pray or rather **link up** with Me in communion with Me, then your prayers become much more than prayer: they become **binders and releasers**.

11. It is accessing the Keys to the Kingdom that I mentioned to My disciples in Mathew 16. What are the keys to the kingdom but the ability to access the full power of Heaven and therefore are answered in the fullest most effective way, that bind evil and unleash all the power of heaven, and that kind of power only comes through communing with Me first, being filled with My power from deeply abiding in Me and My Word.

12. Then your prayer becomes potent, effective action by the throne of God for your have forsaken self to come unto Me, to commune with Me, to be clean of your sins, and then to be filled and possessed of the Holy Spirit. This creates a greater channel of My power so that your prayer or linking is heard and done immediately for you will not be

praying in your own spirit but in Mine. Angels will be sent to do it.

13. This kind of accessing binds the demons fighting you in the spirit realm for truly they hate the Linking of the crown bearers, for you are their greatest threat on earth and even in the spirit for God has committed Himself to your prayer, your concern, your desire to see change, and your coming unto Me for that change. You hold the power of God in your hands and hearts. You unleash the power of the kingdom onto earth.

14. When the crown bearers are consistently walking in Me, obeying Me, accessing Me, then their prayer or their linking, becomes a force of dominance, or the most effective prayer. This is how changes in the world come about, for the world is dominated by sin and Satan, devils and people of evil intent. The only way for that evil to be dominated, even a little, is through potent effective prayer of the crown bearers, the effective consistent prayer warriors.

15. This is a great responsibility that I have given you, and to take this job seriously makes you part of My personal team. I know I can trust you that you won't take it to your head and be lifted up in pride, but will humbly accept this power to be used as I used it... to help, heal, encourage and lift up those in need... for I set the precedent of how to live with My life and blood.

16. Those entrusted by Me to be part of My heavenly team have won that trust by consistent obedience and I tell you this so that you know there is more to this life, there are rewards and blessings for obedience, there is power given to those who are faithful, and there is closeness with Me when you consistently access Me in love and faithfulness. I create a place for you in spirit and we listen to you, to your prayer and your hearts desire more, because we know your desire is to intercede for others to bring the Kingdom down on earth as it is in Heaven.

17. That should motivate you to see prayer as it truly is, that of accessing My power so that you pray the most effective and potent prayer possible. This gives you the vision that prayer warrior is not only a responsibility but a privilege given to those who pay the price of faithfulness. You are given more power that effects change in the world. This is what I am calling here crown bearers, for they carry the crown of heavenly power that brings change.

18. You then hold the most powerful force in existence in your hands and hearts that is to be released from your mouth, for as you access the heart of God and then release these prayers, it becomes the Word of God, or like the Word of God with all power. That is how important you are to Me and the Father. That not only do you access the

power of Heaven, but you translate that power into words that effect change in the physical world.

19. This power is like a chain reaction of ripple effect. It is not just one prayer heard and answered. This kind of prayer is like a tactical nuclear bomb that explodes by your whole hearted prayer as the waves of power wash over the area of your target, and continue. (all thy waves and billows are gone over me). The potent prayer of the crown wearers creates waves of power that continue to answer and bring change to the world.

20. Then as you continue your practice of prayer war in accessing all power and releasing all power, you effect change in both worlds, spiritual and physical. You begin to direct the spiritual war as generals on earth who are in the midst of the battle who call for

bombings and for forces to be directed to the hottest areas of conflict. You direct the power of heaven when your will is in synch with Mine. That is the blessing I give to those who lay down their lives for Me to bring My kingdom to earth to heal souls.

21. By right of possessing the crown, possessors of the keys to the kingdom, you become part of the dynamics of the kingdom of heaven, effecting change in all spheres of life because you have become temples of the Spirit of God, walking generators of Heavenly power, effecting change through the Word of God coming from your heart and mouth. You walk with Me and I am able to walk in you. Nothing is more powerful than that.

22. It does not mean you will become great in man's eyes and may even become lowly in man's eyes for I cannot give My glory to man, it must be with the humble, those who know it is not to exalt them, but to exalt the Father.

23. When you get that point down, then nothing can move you, whether poverty or riches; whether failure or fame, for you will not be moved with the things of this world, but will only be focused on Me.

You will truly be a **Crown Bearer** that carries My Power, to effect change on earth and in the spirit world. They that bear the cross shall wear the crown of power.

Psalm 46

God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea;

Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof. Selah. There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the most High.

God is in the midst of her; she shall not be moved: God shall help her, and that right early.

The heathen raged, the kingdoms were moved: he uttered his voice, the earth melted. The Lord of hosts is with us; the God of Jacob is our refuge. Selah.

Come, behold the works of the Lord, what desolations He hath made in the earth. He maketh wars to cease unto the end of the earth;

He breaketh the bow, and cutteth the spear in sunder; He burneth the chariot in the fire. Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth. The Lord of hosts is with us; the God of Jacob is our refuge. Selah.

Part 2: **The Vision to be Crown Bearers**

1. There is nothing greater than to be a humble loving servant of the Lord who is full of His Spirit to bring His love to others. Whether it is sharing the good news of eternal salvation, engaged in prayer war for others, or being the Love of Christ to others, as we do these, we get a crown of power.

2. The final crown of life is given to those who overcome this world to live for Jesus. Those crowns may differ in glory and authority, for those who bear the cross shall wear the crown. Those who lay down their lives for Jesus and others, will be rewarded with great love and power.

3. That is how so many were able to die for Jesus rather than deny Him... they were so in love with the Lord, or just wanted to be faithful unto death to get that crown.

4. He says they that overcome will become pillars in the temple of God, shall rule the world with Jesus Christ in the 1000 year millennium, the kingdom of Christ on earth.

5. God knows how hard it is to forsake this world, become rejected, despised and persecuted as Jesus was. So the rewards also are great. I'm sure the rewards will blow our minds, but we will throw down those crowns to Jesus' feet, because we will know only He was worthy, that it was His power in us that did the good works.

6. The super 'rich' in the next life are those who give the most, both to God and to souls. Only God could figure that one out, but I believe it is all recorded in our souls, our memories... God have mercy.

7. Those who forsake the lusts of the flesh, the pride of life, the temptations of riches, power, and things of the world, so they can focus on The Lord to give to the lost souls the truth, will wear a great crown, for they please the Lord and paid the price for it.

8. We cannot be effective in any kind of service to the Lord in our own spirit and strength. We have to learn to access His power by coming unto Him in prayer, in Word, in communing with the Lord. When we have learned how to get a hold of God, fill our souls, then we can be the effective warriors needed.

9. Potent and effective prayer comes from communing with the Lord and filling our souls with His Word. Then after we have touched Him, communed with Him, abiding in His Word, then the words that pour from our mouths and hearts in prayer, will change this world.

10. Power prayer will effect change in the fabric of the universe as they come from the heart of God, empowered by the Holy Spirit, changing the course of history, as this miraculous transforming power changes the intrinsic nature of the target of our prayer.

11. The steps are very simple: be desperate with the Lord every morning. Fill your heart with the Word of God. Read it until you are full and satisfied. Praise the Lord with a whole heart. Memorize and quote scriptures. Thank the Lord for all your blessings.

12. Then unleash your prayer to your target quoting promises from the Bible, focusing on the

person or situation, and command the Lord to do it. Pray over them with all your heart and soul.

13. Pray specific prayers, details, and exactly what you want done. The more specific, the more faith it takes, and the Lord loves faith. Try it.

14. Envision the person in your mind and as you pray think on them and say the words that you want done. Visualizing is powerful especially when praying from a full heart of the Word and Holy Spirit.

15. Then close the deal by praising the Lord for doing it. Expect it to come, and thank the Lord for doing it. That is effective prayer.
