

A Prophetic FINAL WARNING!!

This essay is a compilation of several articles I have written over the last three decades and is an attempt at a summary of what I believe the Lord wants to be spoken as a warning to the Body of Christ particularly in America, concerning the destiny of America which will be affected by the response of the Body of Christ to the multiple warnings of judgment the Lord has issued, some of which will be clarified with this letter. If we do not respond in a manner satisfying to the Lord, we are sure to experience a series of serious difficulties of one sort or another, affecting ALL aspects of life.

"What could we possibly have done to merit stressful corrections?" you ask? Do you REALLY have to ask that question? How about the act of saying NOTHING as those in "authority" over us passed laws allowing people to engage in the three things that God HATES MOST! 1.) Witchcraft, (Deuteronomy 18:10, 11): 2.) Child sacrifice (Leviticus 18:21 --abortion, sex trafficking, and adrenochrome harvest through torture during Satanic Ritual Abuse), and 3.) Homosexuality **"you shall not lie with a male as with a woman. It is an abomination."** (Leviticus 18:22). These three things that we as the Body of Christ have not sufficiently reacted to, all by themselves warrant an extreme corrective reaction on the part of God. Nothing more needs to be said!

You say "Oh, but we are better than that today!" Are we? How about the feces and needle covered streets of San Francisco? How about the great number of people murdered by the TOXIC and untested covid "vaccine" administered to them under false pretences in violation of FDA 21 U.S. Code § 360bbb-3 which states (paraphrased) **"Products for use in emergencies MAY NOT be compulsory and must be voluntary only after full informed consent."** Thus, 'mandated' or 'compulsory' or 'under pressure' or via coercion and without full information disclosure VIOLATES FEDERAL LAW! The failure to allow for the use of therapeutics like Hydroxychloroquine, Ivermectin, and other FDA approved treatments with this covid-19 situation is murdering many and also is a FEDERAL OFFENSE. So when are we going to move to stop this experimentation with an unproved drug, now even being injected into INFANTS, which may sterilize them and/or impair their mental capacities? In addition to the deplorable actions above, how about the criminal failure to protect our children from the lifelong effects from the (deliberately) misguided methods of "teaching" used by the Common Core Curriculum, whose net result is to discourage the souls of children, turning them AGAINST the prospect of learning?

Donald Trump was allowed to come to the presidency in order to be used by God to EXPOSE the systemic corruption pervading our country at every level so we could be awakened to the problem and activated to rise up and oppose it, but he wasn't there to do it all FOR us...we were supposed to pluck up the courage to be empowered by the Lord to rise up and join him. By our inaction wickedness has been granted permission to continue its activities, and the potential result is that our nation and our future could be destroyed or dramatically diverted from the Lord's original plan for America.

If by a miracle of God's mercy Trump overcomes the election fraud and is re-installed as President but we fail to do any more than we have done in the past, the present judgment we are seeing hints of at this time will worsen. If we remain inactive—and fail to oppose the evil arraying itself against us (expecting Donald Trump to "do it all"), the Lord would consider our inaction to be a case of (quoting

parts of Nehemiah 9:26,27); **“disobedience and rebellion against [Him]...a case of [flinging His law behind our backs], of killing the prophets who had admonished them to return to You, and in essence “committing terrible blasphemies,” and He will deliver [us] into the hands of our enemies”** until we cry out to Him with repentant hearts in the degree of sincerity that He finds acceptable.

And what level of sincerity is THAT? Three examples are these: **“...turn to Me with all your heart, with fasting, with weeping, and with mourning...Blow the trumpet in Zion, consecrate a fast, call a sacred assembly; Gather the people... Let the priests, who minister to the Lord, weep between the porch and the Altar.”** (Joel 2:12-17): **“...put a mark on the foreheads of those who sigh and cry over the detestable sins committed...Kill all who do not have the mark...and start with the Elders at My sanctuary”** (Ezekiel 9:4-6 paraphrased): and, **“draw near to God...purify our hearts...grieve, mourn and weep, turn our laughter to mourning, and our joy to gloom. Humble yourselves in the sight of the Lord, and He will lift you up.”** (James 4: 8, 9, 10).

But instead of a repentant heart, what is America’s attitude?

Hosea 10: 1, 2, and 4: NEB **“Isreal [America] is like a rank vine ripening its fruit:**

His fruit grows more and more, and more and more his altars;

The fairer his land becomes, the fairer he makes his sacred pillars.

They are crazy now, they are mad.

God himself will hack down their altars and wreck their sacred pillars.

There is nothing but talk, imposing of oaths and making of treaties, all to no purpose; and litigation [lawsuits and court actions] spreads like a poisonous weed...”

“By a prophet the Lord brought Israel out of Egypt, and by a prophet he was preserved. [But AMERICA, like] Ephraim provoked Him to anger most bitterly; therefore his Lord will leave the guilt of his bloodshed upon him, and return his reproach upon him. (Hosea 12:13, 14.)

Isaiah 47:10, 11: **“For you have trusted in your wickedness.**

You have said ‘no-one sees me’;

Your ‘wisdom’ and ‘knowledge’ have warped you;

and you have said in your heart,

‘I am, and there is no one else besides me.’

Therefore evil shall fall upon you;

You shall not know from where it arises,

and trouble shall fall upon you;

You will not be able to put it off,

and desolation shall come upon you suddenly,

which you shall not know.”

“Look at your troops—they are all women! The gates of your land are wide open to your enemies...”

(Nahum 3:13 NIV) If we continue in our inaction and passivity, the Lord will apply corrective measures:

Isaiah 45:6 and 7 **“I am the Lord, and there is no other;**

I form the light and create the darkness,

**I bring prosperity and create disaster;
I the Lord do all these things.”**

Amos 3: 6, 7:”If there is calamity in a city, will not the LORD have done it? Surely, the Lord does NOTHING, unless He [first] reveals His secret to His servants the prophets.”

With this letter, I am indeed proclaiming a prophetic word to America and the Body of Christ, and the situations described in the Prophecy and Dreams will mostly be fulfilled with literal manifestations!

How upset is the Lord REALLY? Back in 2012 I was praying every Monday on a radio program for revival and healing of our nation, and one week in particular I started asking the Lord a whole week before the event what I should pray the following Monday. After 7 days of prayer leading up to the next radio prayer time, I was getting nowhere...the Lord had been silent ALL THE PREVIOUS WEEK! It was now Sunday morning when I normally would be going to church. I prayed through the day, prayed through the afternoon, prayed through Sunday evening and now it was approaching the dead of night...1:00AM on Monday. The radio show started at 8 AM Monday morning. But STILL NO ANSWER! Suddenly the Lord arrested my attention and strongly impressed me that He wanted me to turn to Ezekiel 21 and read it. Not knowing what Ezekiel 21 said, I turned to it and began to read. Those particular verses are known as **“the Song of the Sword.”** From fragments starting at verse 3, the message was essentially this: (3)**“Thus says the Lord: ‘Behold, I am against you [America], and I will draw my sword out of its sheath and cut off both righteous and wicked from you...(4)My sword shall go out of its sheath against all flesh, from south to north, (5)that all flesh may know that I, the Lord, have drawn My sword...(6)Sigh therefore, son of man, with a breaking heart, and sigh with bitterness before their eyes...(7)Because of the news; when it comes, every heart will melt, all hands will be feeble, every spirit will faint, and all knees will be weak as water...cry and wail, son of man; for it will be against My people...therefore strike your thigh!”**

Deeply distressed at what I saw, I asked the Lord “Father, did I hear you right? I can’t pray that! I am going to have to have really STRONG confirmation for me to pray THAT!” Sickened at heart at what I had read, I then asked the Lord for confirmation. It was 1:00 AM and the dog was teasing to go out to respond to “the call of nature,” so I complied, and upon coming back in from the out of doors, I pulled out a bible I had purchased, but never opened. I knew that in this case the Lord might allow me to get an answer immediately upon cracking open the bible. My thinking was that a brand new bible would have no cracks or stresses in its binding that would cause it to open to any particular spot and therefore would not be likely to give me a biased answer after praying for confirmation and searching the scriptures. I then prayed again for confirmation that Ezekiel 21 was how the Lord was directing me. I opened the brand new 1599 Geneva Bible and my eyes immediately fell upon **“mene, mene, techel, upharsin”** out of Daniel 5. I was shocked and riveted. I could not move to any other scripture. **“You have been weighed in the balances and found wanting...Your kingdom is brought to an end”** I couldn’t escape it! The confirmation was too perfect...there was NO QUESTION that I had heard right. Of all the scriptures in the bible, the Lord chose THAT one which perfectly describes America and its situation. We have been weighed in the balances and the LORD is fed up...He is going to deal with us! We have **“rejected the Law of the Lord... arrogance has blossomed, and God’s wrath is upon the whole crowd!”**

(Various paraphrased excerpts out of Ezekiel 7).

I was so rattled by what I had read, I couldn't go on the radio that morning...I had to think about it before I said any more. That was the year 2012. But it has been decades now that I have been warning the Body of Christ concerning the judgments to come if we didn't become more serious in our walk with Him. Twenty-four years ago (1996) the Lord approached me and asked me to pray to hear His answer as to what HIS opinion was concerning the research I had done on the "New World Order" which was sparked by a comment made by President George H. W. Bush back in the early 1990's.

I had started my research in 1992, gone to law libraries, obtained original documents and had come to my conclusions, then set it all aside in order to recover emotionally from all the nasty things I had found. The Lord approached me one day in 1996, after I had finished my research and told me He wanted me to ask Him what HIS conclusions were on the matter. I obeyed His call and prayed for seven days, & on the eighth day He gave me His answer which you can read starting on page 12 of this article.

He told me that our nation was going to experience judgment as a result of our lack of diligence concerning His Ways; the "New World Order" was indeed going to be a problem we were going to have to face; the Lord was going to use it as a judgment upon our nation, and it appears that NOW may be the time we are going to experience His displeasure (2020 and onward) due to the particularly limp and powerless condition of "The Church;" while at the same time, the wicked of the world are particularly "cranked up" and aggressive.

In January 1997 I began to be concerned about just how the prophecy would affect me *personally*. After about a month of prayer, through miraculous means, the Lord gave me Jeremiah 39:16-18 as an answer that He would "see me through," and about a month after *that*, He confirmed the "Prophecy" and the Jeremiah scripture with a *dream* predicting widespread turmoil, death and economic devastation...not ultimately for the purpose of destroying us, but as a judgment to wake us up and purify us, "taking us down to the studs" as a carpenter might say, then remaking and refocusing us as a nation and re-establishing us on the path of blessing God had originally intended for us as a testimony of God's grace to the world. **"When Your judgments come upon the earth, the people of the world learn righteousness."** (Isaiah 26:9)

I know that this might seem as "just something else to read" and can be lumped in with "everybody else's personal opinions" or "everybody thinks they are a prophet," but let me ask you; *how many of you have been granted the experience of "seven days of sinless perfection?"* Have you ever heard of ANYONE experiencing that? Except for those who have died and were taken to Heaven for a little while and then sent back to their bodies to continue living on earth, in my 50 years of being a Charismatic Christian, I had never heard of such a thing.

But in answer to God's call to ask Him what HIS opinion was on the research I had done concerning the "New World Order" for which I had prayed SEVEN days for; He not only gave me His answer, but immediately upon giving me His answer, He rewarded my obedience with *seven days* of SINLESS PERFECTION...no way could I have produced that *myself!* But by granting me that experience, God let me know just how *important* His answer was! What am I to think when the Lord specifically tells me to ask Him about our nation's future—gives me the answer-- then rewards me with seven days of sinless perfection? Is He going to have filled me with fables and untruths? No way! And BOY, let me tell you...day #8 (which followed the seven sinless days) was shocking in the difference between sinless perfection and the everyday normal Christian life, and I'm a SERIOUS CHRISTIAN! Imagine the level of

impotence and resulting moral failures of the “average believer” who is relatively unconcerned with a walk in “consistent righteousness” and is unaware of the intensity of the warfare being conducted in the heavenlies all around him!!!

So...what is the purpose of my little testimony? SIMPLY TO GET YOU TO UNDERSTAND THAT OUR NATION AS WELL AS YOU PERSONALLY ARE IN DANGER AND IT RESTS ON YOUR SHOULDERS TO GO BEFORE THE LORD WITH ALL PURITY OF PURPOSE TO REPENT--THAT THE LORD MAY HEAR US, FORGIVE OUR NATIONAL SINS, HEAL OUR LAND, and RESTORE US TO OUR ORIGINAL CALLING AS A NATION!!!

Isn't it worth fasting for a few days (if you are able) to show the genuineness of your repentance and to plead for the preservation of the life of many???

Except for health issues if you can't bring yourself to do that...WHY NOT??? Do you think you have NO RESPONSIBILITY because you are soon to be RAPTURED OUT???

Well, LET ME TELL YOU...YOU WILL NOT ESCAPE BEFORE TRIALS COME UPON YOU to one degree or another...THUS SAYS THE LORD!!!! So you would do well to buck up and be responsible in your duties before God! You are called to be a profitable servant and be found doing his job when the Master comes lest you be thrown into the outer darkness where there is weeping and gnashing of teeth! The condition of our nation at this point in time is due to believers in Christ having lost their 'saltiness' and their fear of God and have chosen to “lie down on the job.”

Are we not like unto the unprofitable servant described in Matthew 25: verses 24-30 who was given a talent of gold and did nothing with it? We have presumed upon the grace of God and become lazy, because life has been fairly easy for the last few decades and our faith has not been severely tested. We are so comfortable (up until 2020 and the 'covid crisis) that we have become ineffective.

This Prophecy upon which this essay is based (page 11-14 of this article) was tested by Scripture for 7 months before it was actually delivered. Those with degrees in theology on both the master's and doctoral level have read and judged this prophecy and concluded that it was indeed a true word from the Lord. Missionaries, bible teachers, Christian university professors, pastors of various denominations, boards of elders, radio hosts with international ministries, and other experienced prophets have as well. All approved, and not one objection was raised by any of them.

With world and national situations developing as they are, it is my hope that this message will inspire many to gather together in “solemn assemblies” to repent, and then to form serious “Special Forces” prayer groups who will then undertake to pray to be empowered like the first century apostles, pray for the restoration of America, pray for a profound world-wide revival, and work for the Last Great Harvest of souls to be gathered in before “The Tribulation” becomes a reality in the world around us.

“Is it really THAT LATE in God's scheme of things?” you ask? I can't rightly say because NO-ONE KNOWS the time or the hour of the Lord's return. But I CAN tell you what the present-time thoughts and deeds of the UNRIGHTEOUS are that are making the effort to install “The Antichrist.” And, as reported by the 'one' who was trained to be the head “Mother of Darkness” over the entire world, and whose job it was to read the “prophecies and incantations” to install the Antichrist, the Antichrist was to be initiated and installed on April 24, 2020; and according to her, that indeed *did happen* even though she refused to attend and carry through with the ceremony. (She had become a Christian and finally saw her opportunity to escape “THE SYSTEM” that all the followers of Satan live under and adhere to.)

I have to say that it would not surprise me if this indeed were true, because just three weeks later in the middle of May 2020 (around 10 days before Pentecost), without knowing of this supposed installation of the Antichrist, I felt a sudden and extremely powerful crank-up in the level and

intensity of demonic activity in “the heavenlies” and reported it to my Tuesday night prayer team.

This new intensified activity was much different than the oppression we had been experiencing on an ongoing basis with the P&P’s ruling over “The County.” This new activity was much more intense and universal. I was mystified as to why it was happening and could only conclude that the Devil was ripping mad at the beginnings of an awakening of the true Christian community that was taking place in America at that time (mid-May 2020) and had started an all out effort to overcome it.

In October of 2020 before hearing the Antichrist supposedly had been installed, the Lord gave me an unasked-for vision which told me who the Antichrist was, which was confirmed TWICE through two unassociated sources just this last month (March 12, 2021). [And 5 add’l confirmations since then!]

Another likely reason I felt the dramatic crank-up of demonic activity at that time would be that if indeed the Antichrist had been installed; Prime Ministers of countries, Deep State government department heads, the 13 “Illuminati” families, witches, and Satan worshippers everywhere would have been told; would know their efforts to “take the world” were now in the final stages—believe victory was near and would be re-energized and re-invigorated in their efforts to achieve world dominance. They would know “it’s a GO!” and “this is OUR TIME!” and would redouble their efforts like a war-weary army whose king had been away back at his castle but was now suddenly back with a great number of fresh troops to greatly encourage them all and begin their final onslaught to finally “finish off” the enemy. In other words: Presidents, Prime Ministers and legislatures, after being told of the Antichrist’s initiation ritual having been completed, would collude even more synergistically with each other and hurry up the process in order to increase stress levels worldwide & bring about chaos in their own nations; creating the conditions which would cause the peoples of the world to cry out to their leaders for relief, thereby justifying their leader’s call for the Antichrist to come into view and IMPOSE “order out of chaos.”

We as Christians need to take this crank-up seriously and respond with a crank-up of our own...and like the first century Apostles, be filled ever more powerfully with the Holy Spirit and the determination to do all that we are assigned by the Lord, praying SPECIFIC targeted prayers and taking ACTION to truly be the “Salt” that preserves society, and be willing to be formed into the tools used by the Lord to “fill the earth with the knowledge of the Glory of the Lord as the waters cover the sea” (Habakkuk 2:14); and enable Jesus to come back and rule from “The New Jerusalem.” (Rev. 21:2).

I am not passing along mere “conspiracy theories.” The research I did on the “New World Order” produced ORIGINAL UNITED NATIONS DOCUMENTS THAT I RECEIVED DIRECT FROM THE U.N. ITSELF!!! The documents WERE NOT DOWNLOADED OFF THE INTERNET...They were sent DIRECTLY TO ME PERSONALLY BY THE U.N., and these documents described precisely how “they” (the Globalists) were going to kill off 95% of the world’s population. ONE method the documents described included the deliberate spread of disease (covid-19 as just one example) and the use of toxic vaccines to “fix” the problem. Another population reduction method the documents discussed was to dilute the potency of fertilizers sold to farmers so their crops would produce less food—thereby causing more people around the world to die of starvation. Yet *another* aspect was the deliberate spread of wars to kill off as many people as possible. Ultimately, it is planned that all aspects of life are to be disrupted so severely that people cry out for a Government solution, and the ‘solution’ given will be the Antichrist.

These U. N. documents promoted a world-wide totalitarian governmental system with ONE GUY AT THE TOP (even though the reference to him was very obscure and would be missed by a common person not specifically looking for it.) On page 88 of another of the U.N. documents which is supposed to

only be handed out to Presidents, Prime Ministers and U.N. diplomats, it is clearly stated “Mankind’s problems can no longer be managed by national governments; we need World Government.”

Over the last 2 years I have been specifically praying for the purpose of disempowering a Scottish woman (the Director of the “World Governing Council”) who issues decrees for nation’s leaders to follow and whose job it is to “*prepare the way* for the Antichrist.” But alas...it appears that the preparations have been completed, for it seems the Antichrist has been installed as of April 24, 2020.

That does not mean that he will be visible for all to see in the immediate future...It may be a few years yet...At this time it appears he may be busy finalizing his bureaucratic structures behind the scenes before actually showing up; AND, it is possible the Lord may undo his efforts and the efforts of the Globalists to bring him to public view. Just because “they” have installed him as of 4/24/2020 doesn’t mean the Lord will allow it to be successful. He may say “No...it isn’t time” and render their efforts null and void. If the Lord voided their efforts, the Devil would choose another candidate and try again later; but the one chosen to be the Antichrist at *this* time was hundreds of years in the making, I honestly don’t think the Lord would want to allow “things” to be strung out another several hundred years while the Devil manipulates the genetics of several additional generations and duplicates the occult procedures used to bring about the birth of the person who is chosen to be the Antichrist at THIS time.

Why did THIS one take hundreds of years? According to someone who is familiar with these things; supposedly the Antichrist is made up of a blending together of the genetics of the 13 Illuminati bloodline families, the purpose being to maximize and concentrate the giftedness of the 13 families into the one particular individual who is to fill the AC position.

The Illuminati families feel they are special “right out of the box” with their wholehearted belief that they are of the line of Cain (who killed his brother Abel), and Cain (they wrongly believe) was the product of a sexual union between Satan and Eve (Eve being ‘beguiled’ in their minds has sexual connotations), and because of that supposed sexual union which made Cain a “hybrid human” and NOT the son of Adam (although scripture clearly refutes that notion), the Illuminati families feel that they are special and have three strands in their DNA rather than the two found in ‘normal’ humans, and due to being the offspring of Fallen Angels and human women—they are smarter and more capable and therefore have a right to “rule over” the rest of humanity. It is amazing what can be justified on the basis of a lie!

Especially gifted children out of the Illuminati families are trained very early in life to do certain occult activities with each other to increase and focus their power for the purpose of opening spiritual “gates” or “portals” in order to travel through the various dimensions, ultimately for the purpose of someday holding those “gates” open that demonic hordes that have been decreed by God to be “stuck” on earth until the Day of Judgment (see Enoch 15: 8-12) can leave earth and travel through the portals into heaven and make the attempt to overwhelm God and wrest the Universe from His control.

These occult activities have been proven to indeed yield certain results like the forming of tornados of fire out of thin air, which have been witnessed and testified to (witnessed by former CIA Director John Brennan for one!), which in the minds of the Illuminati families proves the rightness of the practice of crossbreeding between the families for the purpose of concentrating and blending the genetics from all 13 families, developing especially gifted individuals that could do the miraculous actions described in Revelation chapter 13, verse 13: (referring to a SECOND beast) **“He performs great signs, so that he even makes fire come down from heaven on the earth in the sight of man.”**

Continuing into the next verse: **“And he (the second beast) deceives those who dwell on the earth by those signs which he was granted to do in the sight of the beast....”**

I’m sure your question at this point is; “so how do we stand against this?” Brethren, we have been given gifts and anointing through the Holy Spirit, and authority and a commissioning by the Lord Jesus which many of us to our shame refuse to embrace and some of us have even ENGINEERED DOCTRINES in order to excuse ourselves from the infilling of the Holy Spirit! Do you realize that by refusing the empowerment and gifts of the Holy Spirit, you are also refusing God’s original commissioning to Adam to protect and defend all that is Good? You are willfully removing yourself from the fullness of what man was originally created to do and be! Do you think the Lord will praise you for that? (Take special note of Dr. Michael Lake’s comment on Adam’s commissioning on the next page.)

Let’s put Adam’s commissioning and what Jesus did to restore it into a more clear historical perspective: The first century Apostles and the early Church Fathers made heavy use of the book of Enoch. As an aside, you might want to read Enoch chapter 15, which is quoted and called scripture by Jesus in Matthew 22:29 in His answer to the Sadducees about the woman with 7 husbands, found nowhere else in any scripture but Enoch 15.

The book of Enoch chapter 10 verse 15 outlines the punishment for the 200 angels which made a pact to “hang together” for when God would eventually take issue with them for the sin of descending to Mt. Hermon for the purpose of taking human wives and producing children (Read Genesis 6:1-8).

Essentially, these 200 fallen angels took human wives and polluted the genetics of humanity to the point where God had to save Noah, his wife and children via a Flood because they were the only ones left that were not genetically altered by the activities of the ‘fallen ones.’

For this act of rebellion, God pronounced judgment upon the 200 angels. The punishment for the 200 ‘fallen ones’ was that they had to watch their giant/Nephilim children kill each other off, after which-- starting with Enoch’s generation, God decreed that the 200 were **“to be bound for 70 generations underneath the earth, even until the day of judgment is consummated”** (Enoch 10:15). Now read Luke 3:23-37. Count the number of generations from Enoch to Jesus, with Enoch starting out as generation #1). Note that Jesus is THE 70th GENERATION FROM ENOCH!

‘To consummate’ means ‘finish, complete in every detail.’ The Redemptive act of Jesus had to be completed in every detail before the 200 exceptionally wicked fallen angels could be released from Tartarus (see 2 Peter 2:4) due to the havoc those powerful beings could raise amongst believers that could not be given “all authority” or granted the Holy Spirit’s power until after Jesus had risen from the dead, with His rising thus ‘finishing or completing’ the judgment of God on sin, after which, “all authority” and the Holy Spirit’s empowerment was then able to be given to all believers that would accept it. (See Matt: 28:18, Col. 2:10, Luke 24:49 **“stay in the city ‘til you’ve been clothed with power...”** and 1 Corinthians 12: & 14:1).

This Enoch passage seems to be indicating that those 200 fallen angels *were so potently wicked and intent on destruction*, they had to be bound in Tartarus in order to protect humanity from the utter destruction the fallen angels could potentially inflict before the time Jesus could COMPLETE judgment on sin through His death and resurrection; after which He could then give His AUTHORITY and HOLY SPIRIT GIFTING, thereby PROTECTING AND EMPOWERING all who come to believe, ENABLING them to EFFECTIVELY JOIN in the fight to establish His Kingdom on earth. Those 200 angels (now released) are likely involved in today’s efforts to initiate the “New World Order” & install the AntiChrist!

Man was CREATED to stand in defense of what was right even before sin entered the Garden! In Genesis 1:22 and 1:28, God's directive to Adam was to "fill the earth and replenish it." According to Dr. Michael Lake, "replenish" (Strongs word #4390, "le-ma-le"), didn't mean to "fill again," but for Adam to be given his PRE-FALL MANDATE from God to be anointed and consecrated as high priest over his family--revealing God and His Truth to his family and with this calling Adam was armed and empowered with spiritual authority and a military mindset with all the "weapons of warfare" both PHYSICAL and SPIRITUAL sufficient for the job of forever defending "the turf" (God's Precepts, Creation, and Truth itself) and everything and everybody in it FROM ALL EVIL FOREVER (which Adam failed at and Jesus had to re-establish). Adam's calling and ability to engage in spiritual warfare to defend all that is Good was crucial for Jesus to *re-establish in us*, for as the time of the Antichrist approaches, one can expect a dramatic 'crank-up' of demonic activity (see para. 1 - 4 on pg 6) so WE TOO need to be FULLY ARMED!

The solution I am proposing as a response to the stepped up activity of Satan and the church's impotence is to call believers together into "Solemn Assemblies" or "Gatherings" for the purpose of deep and broad-spectrum REPENTANCE (2 Chron. 7:14; Joel 2: 12-17; Ezekiel 9:4-6; and James 4: 8&9); and those with proven gifting and verifiable fruit that clearly demonstrates their depth of experience and solid commitment should gather as "Special Forces" prayer teams to conduct spiritual warfare and plead with God for *worldwide reformation*, not merely local revival, and not only in America! The Globalists have decided that *this* is "THE TIME" and have committed themselves to the final effort to seize global control, corrupt and pervert all that is good, reduce the world's population & install the AC.

We on the other hand, need to submit ourselves completely to God and be willing to be commissioned to respond aggressively in prayer and defensive action. Luke 21 verse 26 says: **"...the powers of the heavens will be shaken..."** In other words, in the 'last days' things will be greatly stirred up spiritually...like what we are now starting to see. There will be great conflict and spiritual warfare; with believers--(who, if they are willing to accept it, have been given 'all authority' and the Holy Spirit because Jesus finished and 'completed the Redemptive Act in every detail')—believers empowered by Jesus' Redemptive Act will be called to aggressively stand against Principalities and Powers, rulers of darkness, demons, and the "ideas that exalt themselves against God," and **"WHEN these things start to happen, look up and lift up your heads, because your redemption draws near!!!"** (Luke 21:28)

I have to say; it does not sound like it is OK for us to just sit around twiddling our thumbs waiting passively to be delivered from earthly difficulties via a Rapture while avoiding the call for spiritual warfare and getting almost nothing done!!! We were CREATED FOR and CALLED TO spiritual warfare!

Which brings up a point...I think we had better explore the origins of "The Secret Rapture" which seems to have gone far to disempower the Church. It is my opinion that because human beings have such a propensity to be lazy and to shirk responsibility whenever possible, that IN NO WAY would Jesus have said anything which would have given us any excuse whatsoever to become inactive and 'lay down on the job.' He made absolutely NO mention of any 'Rapture.' But He DID say **"And ye shall be hated of all men for My Name's sake, but he that endureth to the end shall be saved."** (Matt 10:22) What is there to endure if we are going to be raptured out of all the trials He speaks of? Why **"be strong in the Lord and in His mighty power."** (Eph. 6:10) Or why **"Be on the alert. Stand Firm in the faith. Be men of courage. Be strong."** (1 Cor. 16:13). Or why **"...be strong and do exploits."** (Daniel 11:32 King James)

Bible scholars such as John Walvoord former President of the Dallas Theological Seminary, Dr. Ryrie who translated the Ryrie Bible, and Dr. Walter Martin (known as the "Bible Answer Man"), as well

as Tim Lahaye and Thomas Ice all admit that there is NOT ONE VERSE in the whole bible that talks about a secret Rapture. The expectation of the Church over the entire 1800 years that preceded the “secret rapture idea” which popped up around the year 1830 was that we would be persecuted by the Antichrist himself, and rescued out of that situation by Jesus’ 2nd Coming which EVERYONE WOULD SEE.

The “secret rapture theory” was started by a 15 year old girl named Margaret MacDonald who prophesied the idea one Sunday in church...and that SAME Sunday, she also prophesied that a man who held Socialist political views named Robert Owen (who later moved to Indiana) was the Antichrist (which was obviously wrong.)

The young prophetess Margaret MacDonald was a part of the Rev. Edward Irving’s church in Glasgow, Scotland. Pastor Irving was later determined to be “off the rails” with his teachings and was de-frocked because he taught that Jesus had a SINFUL NATURE.

Some of the ‘prophets’ in that church admitted to faking the prophetic gift and the ‘words’ given, and Pastor Irving admitted that they were inspired by Satan. Another ‘prophetess’ in Irving’s church (a friend of Margaret MacDonald) practiced ‘automatic writing’ which is a satanic occult activity.

The Rev. Darby who was despotic, occultic, and perpetually dividing the Body of Christ with his argumentative attitude, with bad fruit displayed everywhere he went and division as part of what he insisted on; stole the rapture idea and took credit for the ‘revelation’ himself; and C. I. Scofield, even though he had NO biblical training whatsoever, wrote and edited the ‘Scofield Reference Bible’ (which promotes the Rapture theory), and was paid by the head of the Satanist Rothschild Illuminati family to distribute the Scofield Bible throughout the United States, in which he (Mr. Rothschild) seems to have succeeded in his plan to use the Rapture theory to disempower the Church and thereby thwart its mission as given by Jesus in Matthew 28: 18-20 and Mark 16: 15-18.

By the way, Mr. Scofield also stole his mother-in-law’s entire savings, abandoned his wife and children and spent 6 months in jail for forgery. All this was AFTER his ‘conversion to Christ.’

Does this speak of the holiness and purity of the Lord Jesus? Who would you find to be more believable...Jesus through whom the entire Creation was made and spent all eternity in Heaven with His Father before coming to earth and who’s goal was to reveal the Truth and save lives? Or the self-serving and erroneous characters that formulated and pushed the ‘Rapture theory’ and lied their way to fame?

There is not one hint of a “pre-tribulation rapture” in any of the books of the Septuagint or the Apocrypha as included in the original King James Bible of 1611. The book of 2 Esdras which has been canonized every-time-it-was-evaluated over the last 25 centuries and held by the Jews in as high esteem as the book of Isaiah doesn’t speak of a rapture before any tribulation...it reflects the same theology and statements as were made by Jesus in Matthew 10:21, 22: **“...brother will deliver brother to death, and a father his child; and children will rise up against parents and cause them to be put to death. 22 And you will be hated by all for My names sake. But he who endures to the end will be saved.”** 2 Esdras puts it this way: in chapter 16 verses 68-73 it reads: **“A great horde will descend on you; they will seize some of you and make you eat pagan sacrifices. Those who give in to them will be derided, taunted, and trampled on. In place after place and in all the neighborhood there will be a violent attack on those who fear the Lord. Their enemies will be like madmen, plundering and destroying without mercy all that still fear the Lord. They will destroy and plunder their property, and throw them out of their homes. THEN it will be seen that my chosen people have stood the test like gold in the assayer’s fire.”** Does that sound like you are going to escape by the means of a PRE-Tribulation Rapture?

2 Esdras was written by Ezra the prophet while a captive of the Medes during the reign of Artaxerxes, King of Persia, and his book 2 Esdras which was canonized every time it was put to the test also reflects what is said in the book of Revelation (New American Standard Bible of 1977): Revelation states that **“the winepress was trodden outside the city, and blood came out from the winepress, up to the horses bridles, for a distance of 200 miles.”** (Rev 14:20). 2 Esdras 15:36 puts it this way: **“...blood, shed by the sword, will reach as high as a horse’s belly, a man’s thigh, or a camel’s hock.”**

There is much more I could say on this topic, but suffice it to say; whether there is a Rapture or not, WE ARE CALLED TO OCCUPY UNTIL HE COMES AGAIN...not sit and twiddle our thumbs. If you would like to study this issue yourself, I would suggest going to www.goodfight.org and order the DVD “Left Behind or Led Astray” which is an excellent summary and expose` on the topic and will save you much time in your research. By the way...Kirk Cameron who starred in the original “Left Behind” series became a ‘post-tribulationist’ after studying the issue.

As I have stated in other articles I have written, when Martin Luther was asked what he would do if he knew that Jesus was coming again in a couple weeks, his response was “I’d plant a tree THIS week...” as in, he would be found going about THE LORD’S business when He came in His Second Coming, not be like the ‘unprofitable servant’ who buried the talent the master gave him and he was cast to the **“outer darkness where there is weeping and gnashing of teeth.”** (Matthew 25: 24-30)

That is what WE should be doing...being productive both in our lives and aggressive in our faith. “So”, you ask...“are we finally going to get to the prophecy the Lord gave you 24 years ago?” Yes...

Remember the issue addressed by the Prophecy was what God’s opinion was on America’s spiritual condition and the Prophecy provided the platform which revealed His warnings to us to “turn around” or He would allow great difficulties to come upon us. Since His original call was for me to ask HIM what HIS opinion was on the research I had done on the “New World Order,” one can guess that the Globalists plans to install their “New World Order” (now called “The Great Reset”) would be used by the Lord as a disciplinary measure to correct America.

This is what the Lord said: [and take note...MOST of these scriptures will be fulfilled literally!]

A Word of Prophecy to the Church and the Nation

Introduction:

One function of a prophet was to reveal to society what God was thinking and was about to do. In both the Old Testament *and* the New, before God did anything, He would first tell His servants the prophets (Amos 3:7). Prophets were forever giving *warnings*. The prophets before us prophesied of war, disease, famine and pestilence (A New Testament example of this is Acts 11:28). It was a standard the Lord set up that everyone understood. If a prophet prophesied peace, the burden of proof was upon that prophet to prove that the Lord had sent him (Jer. 28:1-17). The messages of the prophets were always intended to bring people back to intimate fellowship with God. If the people took the message to heart and repented, God would pour out His blessing again. Throughout history however, people have disbelieved the words given by prophets, ridiculing them, arguing with them, even cutting them in half (Isaiah) or crushing their heads with stones (Zechariah) to stop their messages; but God always carried through with the promised consequences if the people did not repent.

Words from God out of the ancient past establish or maintain principles that may seem old to those who think He does not understand modern economics or how human emotions work, but God does not change; His principles are immutable, as are the consequences for violating them. We may think that we are more sophisticated than our predecessors, but the human heart is just as rebellious as it has always been, so warnings are still necessary and God still inspires men and women to prophesy.

This particular prophecy was given to me by the Lord August 6, 1996 on the eighth day of intense, focused prayer. Then it was tested by Scripture for 7 months before it was actually delivered. Those with degrees in theology on both the master's and doctoral level have read and judged this prophecy. Missionaries, bible teachers, Christian university professors, pastors of various denominations, boards of elders, radio hosts with international ministries, and other experienced prophets have as well, and not one objection was raised by any of them; all agreed it was valid.

The way the prophecy came about was that I had prayed to the Lord for help to come across pertinent information which would enable me to determine whether the "New World Order" posed any real threat to people; Christians particularly. Satisfied with my findings, I determined to "take a break" from the obnoxious information, and for a year and a half, I blissfully put it out of my mind. The Lord came to me one day though, and informed me that He wanted me to ask Him what HIS conclusions were on the matter, so in obedience to His call, I proceeded to pray. On the eighth day He answered, and I immediately wrote down what the Lord witnessed to my heart. After almost 11 ½ years, (on February 24, 2008,) at God's specific direction, I added some things which slightly clarify the original intent of what was said, and increase its specificity. (Those items are designated with brackets "{ }").

The Lord gave me a very gracious gift beginning the day the prophecy was given. On August 6th, and for six days thereafter (for a total of seven days), the Lord covered and filled me with a powerful presence of His Holy Spirit. I felt as if I was constantly walking 18 inches off the floor, and for *seven days* I experienced *sinless perfection and profound peace*. I had not asked for it...it hadn't even entered my mind that it was possible as I had never heard of such a thing, but the Lord did that for me probably as an "attaboy" as well as to impress me with the Prophecy's IMPORTANCE and give me assurance that the prophecy was absolutely true. **"I AM THE LORD..."** He says in Isaiah 44:24 & 26; **"who confirms the word of His servant, and performs the word of His messengers;"**

Do not figure on being raptured before this "correction" gets too uncomfortable. The Second Coming will take place precisely when God chooses; but God is coming back for a bride without spot or wrinkle (Ephesians 5:25), not for one that hardly knows Him, minimizes His precepts, and presumes on His grace.

I hope this word helps you to more fully understand God's mind concerning our present condition. It is intended to confront apathy and reveal our future if we continue to *insist* on doing things *our way*, while those who heed the warnings will be empowered to make wiser decisions to meet future needs!

The prophecy of August 6, 1996 is as follows:

Children of the Lord {give heed to my words}! I have heard the prayers {of those who weep and wail over the sins committed in the Church and your nation (Ezek. 9:4),} and am coming to execute justice on the earth (see Is 26:9 and Ps 119:126). The righteous will see it and understand, and the pure of heart will be comforted, for I am coming to *cleanse* the Temple, the Body of Christ, {and re-establish

integrity in your nation}.

As the Son of Righteousness learned obedience through His many sufferings, (Hebrews 5:8) so shall the Church be reminded of her mission, for I am bringing difficulties upon your nation... all that touches you will be affected--not one stone shall be left unturned, for like Israel of Old did I establish you in the wilderness; like Israel of Old did I nurture you {and cause you to prosper}... and like Israel of Old have you gone off a-whoring.

I formed you as a nation for this purpose, that you may be an engine of evangelism to help fulfill my Great Commission and to be an example of Righteousness lived out before the nations that they may see the wisdom of my precepts. But what have you done? There is not one of my precepts that you have not violated, not one of my principles you have not ignored!

So I called for drought in one area and mildew in another to encourage you to return to me, but you did not listen (Amos 4:9).

Then I sent severe storms and noxious leaders that your groans would remind you from what heights you have fallen, but you put up with the discomfort rather than turn to me.

I've allowed internal strife and a hint of "terror" but you still have not turned to me. {In My kindness I've even poured prosperity upon you in order to shame you into repentance, but you continue to presume upon my grace}. Therefore I will touch your bread supply, and you will pay the highest of prices for everything you need (Ezek 14:13)}. If you continue to resist My compassionate correction, I will unleash the jealousy of many nations to plunder you (Lam 5:2) unless you fill your churches as before Desert Storm (of 1991)... for if my "holy ones" repent I may turn and leave a blessing instead of a curse (Joel 2:14).

But when I touch your houses and land, tell me... will you go running after *them* to recover what you have lost? Or {having recognized your sin}, will you run to Me... to the shelter of *my* arms, {to plead for forgiveness and mercy?}

Listen to me... if Daniel, Job, and Noah were standing before me, they would save nothing of their possessions, nor sons and daughters by their righteousness, but *their* lives *only* would they preserve by their righteousness. Nevertheless some survivors *will* be left to you, both sons and daughters, and when you see {the change in} their conduct and their actions, you will be comforted concerning the trials I have brought upon you. Yes, you will know that I did not do in vain whatever difficulties I brought your way (Ezek 14:13-22 condensed).

{If grape pickers came to you, would they not leave a few grapes? If thieves came during the night, would they not steal only as much as they wanted? But *I* will strip you *bare*. I will uncover your hiding places so you cannot conceal yourselves. Your children, relatives and neighbors will perish and be no more. This is what the Lord says: "If those who do not deserve to drink the cup must drink it, why should *you* go unpunished? You will not go unpunished, (but unless you repent quickly,) you must drink the cup I give you" (Jeremiah 49:9-12)}.

{The earth mourns and fades away,

The world languishes and fades away;

The haughty people of the earth languish.

The earth is also defiled under its inhabitants, because they have transgressed the laws,
Changed the ordinance,

Broken the everlasting covenant.
Therefore the curse has devoured the earth,
And those who dwell in it are desolate.
Therefore the inhabitants of the earth are burned, and few men are left. (Is. 24:4-6)
“The earth is shaken exceedingly,
The earth shall reel to and fro like a drunkard,
And it shall totter like a hut;
Its transgression shall be heavy upon it...” (Is. 24:20)
... “For behold, the Lord comes out of His place
To punish the inhabitants of the earth for their iniquity;
The earth will also disclose her blood,
And will no more cover her slain.” (Is. 26:21)

“In that day the LORD with His severe sword, great and strong,
Will punish Leviathan the fleeing serpent,
Leviathan that twisted serpent;
And He will slay the reptile that is in the sea.”} (Is. 27:1)

Flee to *Me*, the Resurrection and the Life. {Admit your guilt and plead with me to renew you, then trust in my power to keep you}. But this trial will surely come, for you are lukewarm, and content in your complacency. Need I remind you that; “No one, having put his hand to the plow, and looking back, is fit for the Kingdom of God?” (Luke 9:62)}

Remember... all the law and the prophets are contained in this: That you
“Love the Lord with all your heart and with all your soul and with
all your strength (Deut 6:5), and love your neighbor as Yourself” (Mark 12:31).

Also: it is decreed that “**the knowledge of the Glory of the Lord will fill the earth as the waters cover the sea!**” (Habakkuk 2:14, supported by Is 11:9, Dan 2:35, Zech 9:10, Micah 4:1, Ezek 47:1-12)

“I tell you the truth, until heaven and earth disappear, not the
Smallest letter, nor the least stroke of a pen, will by any means
Disappear from the law until everything is accomplished” (Matt 5:18).

For... “The word of the Lord endureth forever” (1Peter 1:25).

So determine for yourselves what road you will take, a road to destruction or the road to Life. Choose ME, choose LIFE! {Turn from your sin and come quickly, for these trials are right at the door!}

The Dream (Of 2/17/1997)

©Copyright, The Sheepprophet™, 2/17/1997 and 2009

Introduction: The prophecy came about because the Lord wanted me to ask Him what HIS conclusion was on the research I had done concerning the “New World Order.” In the process of doing

the research, the Lord had gotten actual United Nations documents into my hands through miraculous means. These documents were secret at the time and not admitted even to exist. Even in that secret document, the scientists who authored it were not willing to admit that they really were hoping to reduce the population of the world from six billion down to a mere 200 million people, not the 1 billion to 1.5 billion that they had cited in their articles, and not the 500 million cited on the “Georgia Guidestones.” Since that time, the document has been published. It is known as “The Biodiversity Assessment.” One key component of that plan is known as “Agenda 21” (now called “Agenda 2030”) which is now in the process of being implemented worldwide. The new International zoning standards a town might implement and new “Comprehensive Plan” are both a part of Agenda 21. These “plans” run counter to the Lord’s plan for the world. One can construe through the Lord’s answer through “The Prophecy” found on page 12, that the New World Order was indeed a threat to the peaceable pursuit of life as He had intended it to be, and He wanted to alert us to it so we could choose otherwise and work to oppose these “plans;” and He would have to bring discipline upon the Church, and judgment upon the U. S. and the world as a whole in order to deal with the New World Order and bring it to an end.

Five months after having received the prophecy I began to be concerned about just how the prophecy would affect me *personally*, and in January 1997 I began to inquire of the Lord concerning that issue. After about a month of prayer, through miraculous means, the Lord gave me Jeremiah 39:16-18 as an answer:

**“Thus saith the Lord of Hosts, the God of Israel; Behold, I will bring my
Words upon this city for evil, and not for good; and they shall be
Accomplished in that day before thee. (17) But I will deliver thee in
That day, saith the Lord: and thou shall not be given into the hand of the men
Of whom thou are afraid. For I will surely deliver thee, and thou shall not fall
By the sword, but thy life shall be for a prey unto thee: because thou hast put
Thy trust in me, saith the Lord.” (Jeremiah 39:16-18)**

This answer was so precise, and through it I gained a great deal of comfort. But about a month after having received this answer, for some reason I became unusually afraid and started to ask the Lord for confirmation that He intended for me to take the Jeremiah scripture and apply it to myself *personally*. I began to pray intensely in the early afternoon of 2/16/1997.

After several hours of intense prayer, I began to press the Lord even more forcefully for an answer. With great racking sobs and immovable insistence I continued what now (to my everlasting shame) had become an assault upon heaven. Having exhausted myself with the intensity of the effort in my prayers, at about 9PM I finally went to bed and slept. At 3:00AM that morning the Lord gave me the following dream, and with it He also gave me a great leanness of spirit which I had to endure for a year and a half, because the Lord was displeased with my attitude, and through that I learned you don’t mistreat and disrespect God with the force of your demands. I didn’t know how far to “push it” with God, so I gave it my utmost, but to my everlasting shame and sorrow, in the process I had disrespected God; He was not pleased and He let me know it!

He did indeed give me an answer, but keep in mind, this answer from the Lord concerning His protection of me through extremely difficult times is a specific answer for *me* and other people should

not necessarily take this as a blanket answer for themselves. However, everyone can benefit from the warnings and gain insight from the situations and symbolism described.

God's plan differs from individual to individual. God designed each one of us as a unique individual for His own specific reasons, endowing us with our own special abilities and gifts, assigning a niche for each of us and giving us varying and different tasks; so we each contribute a little bit to the whole of His will in all its various aspects. (See Ephesians 2:10)

Though for the true Christian our destination is all the same, (heaven) and *the only way to get there* is through accepting Jesus as our Savior and "enduring to the end" (Matt 10:22), the situations we find ourselves in, assignments we are given and circumstances of our deaths will all be different.

Remember the apostle Peter while on the beach with Jesus, looked back and saw John following, and asked, "What about this man?" Jesus replied, "**If it is my will that he should remain until I come, what is that to you? Follow Me!**" (John 21:20-22)

The dream is as follows:

I was walking down a well manicured, quiet and peaceful residential street in an affluent, comfortable suburban town, trying to get to the town's business center. The homes and yards I was passing were perfect, nothing out of place. Curiously, there were no cars to be seen, either on the street or in the driveways belonging to the houses, and strangely enough, there was no visible human activity.

But while walking through that neighborhood I soon came upon a gathering of about seven people standing in the street near the sidewalk, watching a man prepare one of the houses for demolition. To outward appearances, the house looked just fine, seeming to be in as good condition as the rest of the well manicured houses in that residential neighborhood, so I joined the small gathering of people to watch the unusual sight.

The demolition man was dressed in a red plaid flannel shirt and blue jeans. His hair and full beard were perfectly white, and every hair was in place. The demolition man was very sure of himself...very experienced, unhurried, absolutely focused on what he was doing, and every movement had purpose. He calmly, deliberately laid explosive charges at strategic points of the house. The several other people that had gathered on the sidewalk were calmly watching him as well, and we all agreed (without saying anything to each other...we just "knew"), that what the man was doing was the right thing, and very necessary. The time came to detonate the explosive charges, which he did, and the house started to fall in on itself in a very orderly fashion, section upon section, wall upon wall, like dominoes. There was little dust, almost no noise. Finally there was only one wall still standing, and the group of seven people and I held our breath, wondering if the wall would fall, and it did...slowly and precisely. We marveled as we noted that the house and all its pieces had fallen into a *neatly stacked, perfectly square pile* (a cube shape.)

I then continued walking down the street, as I was trying to get to the center of town. It was a delightfully warm sunny day in the middle of spring. The temperature was perfect, with a light, refreshing breeze. There were trees on both sides of the road, with no houses, and the uplifting presence of the Lord was deeply felt in my soul.

Even though my family had lived in that town since 1640, at that moment I couldn't tell where I was, and didn't know in which direction to go to get to the center of town. I felt somewhat unsure of

myself, but there was no sense of panic. I knew deep inside that I was generally going in the right direction, so I just left it up to the Lord to guide me, and I proceeded in faith.

When I came to a turn in the road, I found I was no longer walking, but I was riding a bicycle. I soon came to an intersection with a red traffic light. The amount of traffic at this light was very sparse, consisting of three cars, with another car partly visible in my peripheral vision as it left the intersection (3-1/2 cars?) The intersection was sunny, warm and peaceful. The Holy Spirit was abiding on me with His uplifting presence. When the light turned green I proceeded forward straight through the intersection, then went a very short distance, maybe 100 yards, and came to another intersection. At this particular intersection, the road no longer proceeded straight ahead; one was forced to turn either right or left. When the light turned green, I turned left as I went through the intersection, still not knowing exactly where I was going, but trusting God and feeling His peace.

About a half mile down the road, the street made a sudden transition from being pleasantly wooded, with not a single house, to suddenly having lots of buildings which comprised the town's central business district. I found I was walking and not riding a bicycle anymore. I turned left onto the street which circled the block that comprised the center of town, and then made a right turn to enter into the very center of the business district. Another person driving towards me in a red foreign car turned to his left onto that same street. The driver looked calm and intent on getting to wherever he was going. As I proceeded down the street, I could see that the center of town had been subjected to some sort of conflict event; however, there was essentially no rubble in the streets. The many buildings all had pockmarks from bomb shrapnel and stray bullets, but were all still standing. The streets and parking lots were full of bomb craters, but again, there was no dust or debris. There were absolutely no living people anywhere to be seen, but there were many corpses out of sight *inside* each of the buildings, and the feel or sense of death was everywhere. Somehow I knew that everything had happened only a couple minutes earlier. I looked around me and felt a sense of deep sorrow; but was calm and safe, the presence of the Lord abiding on me despite the circumstances.

As I obviously wasn't going to be able to accomplish anything that I had intended to do in town that day, there was no reason to stay, so I turned around and left. I walked back to the road that circled the town's business district and stopped at a quaint little general store that was facing outward, away from the town's center. I went in to use the phone to call the fire department in the next town, as the one in this town was destroyed. I asked the clerk for the phone and she looked at me somewhat puzzled, not knowing of the devastation that was visible immediately outside the back door of her store. Only the block comprising the business district at the very center of the town was affected, as if a precision surgical strike of some sort had been done, leaving everything else, even as close as the inner edge of the sidewalk that borders the block, untouched and unaffected. Upon calling the fire department in the next town, I discovered that they didn't know that anything had happened either, but they sent their trucks to help. When they arrived, there was no hubbub: no alarms sounding from the fire trucks, no crowds, and the fire department went quietly and purposefully about the business of dealing with the situation. It was particularly notable that there were no police anywhere to be found.

I then awoke and prayed, asking the Lord if this was just a crazy dream, or if this was a dream in answer to my prayer earlier that day. After praying a while I had to conclude that due to the great peace abiding upon me throughout the dream despite all circumstances, contrasted with all the violence that had been done to the center of the town, the dream *did indeed* reflect the elements of the

Jeremiah 39 scripture which spoke of the destruction of Jerusalem while protecting Ebed Melech, the individual who loved God. I therefore had to conclude the Lord was indeed confirming the scripture to me as an individual and He intended that I should apply it to myself.

But the dream went much further than just answer my question about myself:

- 1.) God had revealed to me that he did indeed intend to bring judgment upon America in order to bring about the correction of the heart attitudes of both those within the church, and those outside of Christ who reside in this once very great nation...that we indeed had come to a place as a nation where God had to take corrective action.
- 2.) The house being destroyed early in my dream represented America, God Himself was the demolition man, and like the house was taken down, God Himself was going to carefully, calculatedly and precisely orchestrate America's trials and redemptive correction.
- 3.) The devastated center of the town was connected to the takedown of the house, in that everything that is so secure, predictable, and that America takes for granted is to be seriously affected or destroyed in some way, and as a result, physical violence would erupt in various places, but not everywhere, and not to the same degree in every locale or situation. It was the safe and secure home life (represented by the house that was being demolished), and the business district that was so dramatically affected...it appears that the Lord meant to get the idea across that He intended to allow the economy to be "hit" with difficulties serious enough to inspire civil unrest. There were many dead people, but they were ALL inside buildings and out of sight. Were people being confined in their homes due to a quarantine, or maybe martial law? [Lockdown? {inserted May 8, 2021}]. Somehow their numbers had been reduced by a dramatic degree and human activity was very low.
- 4.) The orderliness of the demolition of the house and the fact that it stacked itself into a perfectly square cube is very remarkable, and a key aspect of the dream, fraught with meaning. This was a dream from God in direct answer to my prayers. I had no control over it. God was revealing what He wanted me to see and understand. God is a God of order, not of chaos. The *orderly* way the demolition man caused the house to fall in on itself is confirmation that it was God Himself behind America's disciplinary correction. The house falling so slowly and precisely into a perfectly square cube means that God does not intend to destroy America, but purify and remake America through lengthy and intense difficulties so she will exist until the Millennium, and become one of those nations who (in Revelation 21:23) walks in the Light, and those American citizens who are alive at that time and walk in purity before the Lord will be participants in the "New Jerusalem" of Revelation 21:16, which descended from Heaven in the form of a cube, from which Jesus will rule with righteousness, and into which the glory and the honor of the nations will be brought.

Israel was called into existence by God in the Old Testament and was to be the platform by which God revealed Himself to the entire world. America is the only nation in New Testament times that was originally and deliberately founded on biblical principles and for that same purpose. The Lord intends to restore Israel when the "times of the Gentiles are fulfilled." After America's corrective discipline is complete, it seems that the Lord will restore America so we can *again* be a "light on a hill" (Matt 5:14-16) like in our nation's

early history, and once again become an example to other nations in the application of God's principles; with the difference *this* time of people being willing (nay...*demanding*) to apply God's principles to *all* aspects of everyday life and the institutions that affect that life! (Remember in the day of the Judges of Israel, the people REJECTED the direct rule of God over them and said "**NO! We must have a KING to rule over us like all the other nations!**" (1 Sam. 8:19, 20 and 1 Sam 12:12), but after her trials, America will come to her senses as per 2 Chronicles 6:37, 38, and be willing to be ruled by God Himself, and adhere to His Precepts.

5.) In this dream, at every intersection in the road, a LEFT TURN was chosen except for a quick little turn to the right, just before the economic devastation was encountered. [This probably means America will go progressively more socialist/communist in its political expression with each succeeding Administration (starting with the Clinton/Biden administration in 1992), eventually resulting in economic and social devastation under pseudo-president Biden just after a short time after the country had turned "right" under Trump! (comment added Sept 11, 2021)]. But if I am interpreting this dream correctly--with the takedown of the house in the peaceful neighborhood that was transformed into a cube--it seems that after America's correction and restoration, America (and subsequently the whole world) will finally come to understand and recognize the true fruit of bad policies and abuse by worldly self-serving kings and rulers and finally, after thousands of years of suffering; under the rulership of Jesus reigning with the martyrs raised in the "First Resurrection," [see Revelation 20:4,5.] people will be willing to apply God's principles to all of life and be willing to be ruled directly by God Himself, and America will be a key advocate of God's PERFECT governmental system administered through the New Jerusalem (the Cube in this dream was symbolic of the New Jerusalem), from which Jesus rules the entire world!

But just another thought...with this "Dream," was God also telling me that America's correction was going to be a part of the "Great Tribulation" itself, and the 1000 year Millennium is to begin after America's correction is complete? [7/19/21--If the Antichrist was indeed installed 4/ 24/20, one could imagine that this interpretation may be true!]

6.) The Lord will sustain the faithful with the peace that only He can give, and will gather some of His followers (the Remnant and others of His choice) into certain geographic areas of the nation where there will be "less stress." (Remember the rural/wooded areas away from the center of the devastated town were untouched and the people largely unaware that anything had happened even though the level of human activity was *very* low.)

God will protect whomever He chooses, but during the "time of America's correction" there will be many who will be uprooted by the difficult times. Because of the intensity of the trials "**the love of many will grow cold**" (Matt. 24:12), but I felt the Lord impressing on me that for a *remnant**, the following will be true..."**a thousand may fall at your side, ten thousand at your right hand, but it will not come near you,**" ...and for some; "**you will only observe with your eyes and see the punishment of the wicked.**" (Psalm 91:7,8)

This is not to say that the righteous will be stress free, but God's help to make it through will be there, even if it is only you and your life that has been preserved, with no possessions remaining to you like with Daniel, Job, and Noah as described in the Ezekiel 14:13-22 verses quoted in "The Prophecy" of August 6, 1996....**God's grace is sufficient, for "My strength is**

made perfect in weakness,” says the Lord. And in the words of Paul: **“Therefore I take pleasure in infirmities, in reproaches, in needs, in persecution, in distresses, for Christ’s sake. For when I am weak, then I am strong.”** (2 Cor. 12:9, 10)

“Behold, the eye of the Lord is on those who fear Him, on those who hope in His mercy, To deliver their soul from death and to keep them alive in famine.” Ps 33:18,19

**“Though the fig tree may not blossom, nor fruit be on the vines;
Though the labor of the olive may fail, and the fields yield no food;
Though the flock may be cut off from the fold, and there be no herd in the stalls-
Yet I will rejoice in the Lord, I will joy in the God of my salvation.” Hab. 3:17,18.**

And: Those who trust in the Lord are like Mt. Zion, which cannot be shaken, but endures forever,” Ps 125:1

Dream: “Of Chipmunks and Sheep”

©Copyright January 23, 2011, Gary J. Holcombe, the Sheepprophet™

I had been praying for confirmation from the Lord as to whether I was correctly interpreting various events as being indicators of coming judgment upon our nation, and in the early morning hours of January 23, 2011, I had a dream. I cannot place its setting, which seems not to be important, but it seemed new and unfamiliar to me. In the dream, I was staying at a large grey house, in a neighborhood where the houses were somewhat far apart, but arranged in a circular manner that allowed the placement of a large roughly triangular 12 acre pasture to be in the center of them all, and for all of the houses, the grassy field would have been their back yard, as the front of the houses were all facing away from this area. This open triangular area was surrounded by a new and very well built sheep fence of woven wire, and the pasture itself consisted of gently rolling hillocks. Here and there were tall, leafy trees which provided shade from the pleasantly warm sun.

Upon setting out to explore this area, I thought to myself “what a nice place for sheep,” and I decided to find the owner of this pasture to ask his permission to use it. I must have done so even though the details of it are not in my dream, because presently I stood there enjoying the scene of a couple hundred sheep in the pasture, all calmly grazing on the succulent grass.

After watching them for awhile, I grew bored and went into the house and fell asleep on the sofa in the living room. The house was in disarray, a tired house worn inside and out and not well maintained. Even though the sun shone brightly outside, the living room was somewhat dark and had a musty smell which was reminiscent of a room I disliked in my grandmother’s house. I had nowhere to go, and I didn’t seem to have any purpose in my life, I just existed. It was like I was a child with no responsibilities, free to go in and out of the house at my own whim, so after I woke up from my nap on the sofa, I wandered aimlessly outside as I had nothing else to do.

The sheep were all grazing, lying down or gamboling in the sun. Even with this beautiful pastoral scene the fulfillment and joy of watching and caring for the sheep had left me. I looked at them without really seeing them, and went on to another part of the yard where there was a small three sided outbuilding (a two-hole privy or outdoor bathroom) with a large spruce tree which had grown up through the roof which had crumbled and fallen in. What once had been the door and front side of the privy had been removed at some point, so certainly no-one would want to put the building to its original use, as one would be exposed to every passerby that happened along!

There were some chipmunks in this three-sided shack which I decided to feed. As I held out a little piece

of bread for one of them, it darted toward my hand with an alarming ferocity, fast like a weasel in its movements. It looked like it was going to tear my fingers off along with the bread, so I quickly pulled my hand back, dropping the bread in order not to get bitten. The chipmunk attacked the bread and ravenously ate it. The chipmunk looked strange, much skinnier than normal... somewhat lizard-like, and was covered with scales like an alligator. These were not the cute, innocent and friendly little creatures that one would expect, but in addition to looking different, had an aggressive and cravenly malevolent attitude about them.

I decided to leave the unpleasant chipmunks to themselves and wandered about the sheep pasture a bit to allow the pastoral scene to restore in me a sense of peace. Nonetheless I went a second time to the shack to try to feed the chipmunks, and had the same result as before--a somewhat scary encounter with the lightning fast and nasty little things--so I left them to themselves and again wandered off to the back of the house where there was a protected area, a covered porch with open sides where I had a panoramic view of everything going on in the back yard, including the large plot of land where the sheep grazed peacefully.

Looking to my right I saw a large and motley group of persons come dancing toward me down a narrow path out of the woods and along the fence that bordered the pasture. A strange group they were; nymphs and dryads, dancers and actors from many different countries, all dressed in brightly colored costumes. Giant scantily clad sumo wrestlers wove expertly through fauns and midgets and they all whirled and danced in concert with each other. Impossible dance moves appeared to be done with the utmost of grace. While the scene appeared happy and spontaneous, in reality, their moves were all carefully scripted and rehearsed and their faces did not reflect joy, but a peculiar harshness and anger which was hidden, but still discernable. At the same time there were some dancers leading in the front of this unlikely troupe that were acting lewdly with each other, doing shameful and perverse things as they all danced along the wooded path that now had expanded into a rather wide and open grassy road.

Yet a third time I went back and tried for a "happy" feeding session with the chipmunks...again without success. Looking at the sheep again, they had clustered themselves into three loosely associated groups, and of the couple hundred of them that were in the pasture, a handful of them out of each of the three groups were rolling like pigs in a black, sticky sewer-smelling mud which had just started bubbling up from the ground in three different locations. Sheep don't ever wallow like pigs, and in the 'natural' cannot even safely roll over, but these sheep were taking great delight in rolling over and over again in the sewer-like muck, like dogs that have found a dead, highly decomposed animal, and were rolling in it in order to get the stench all over them. These sheep were rolling so much in the muck that you could not see that they were sheep anymore, as the stinky, black mud was completely filling their wool and making them look like very fat black sausages.

I then walked past the three--sided building again on my way to the back door of the house. A friendly and trusted neighbor who nonetheless had come *uninvited* onto the property was doing something at the three-sided shack without my permission. I couldn't tell what he was doing. I decided not to walk back to the house but instead turned left and walked over to where the neighbor was. His presence gave me a sense of unease, but I said nothing because he was just getting ready to leave. He ignored me and left without saying a word.

Since I was already there at the shack, I tried for the fourth time to have a satisfying episode with the chipmunks, and failed yet again, but then I looked up and noticed that the free and breezy boughs of the huge spruce tree growing through the roof of the three-sided shack were now all pulled together and tightly bound, like a Christmas tree that had been cut and tightly tied and made ready to be loaded on a truck to be taken to some parking lot vendor to be sold during the Christmas season. The fact that the tree limbs were all bound together was strange enough, but what was even odder was that there were a couple dozen meat hooks tied into and cleverly hidden in the branches, and I immediately had the sense that there was a dark and untimely end planned for the peaceful and unsuspecting sheep.

Walking back into the house, I felt the need to change my clothes, so I pulled down the shade in the window of the bedroom in order to provide privacy, but as I did so, I saw that the shade was instead more like a

very open weave screen which would not provide any privacy at all, rather, I would be naked for the whole world to see! “Look at this,” I said to my wife, who was standing nearby. Inspecting the screen-like shade, I could see that it was not tattered and torn, but nevertheless very old with a lot of dusty cobwebs. The 3/8 inch square open weave of the shade certainly wouldn’t keep any bugs out, nor would it darken the room if you wanted to take a nap, so together with the lack of privacy, the shade was completely and utterly useless. The bottom pull stick was very grimy and broken in a couple different places and had small nails that had been bent over in someone’s inexpert attempt at a repair. “Looks like this dates from around 1910 and very poorly constructed as well,” I remember thinking.

I then looked out the window through the shade that provided no privacy, in the direction of the lawn in front of the house and saw that the narrow wooded path that the colorful troupe had danced down, (which had later turned into a sunny wide grassy road), had now become a wide and very dry *dusty* road like one might expect to see in a movie where cowboys are herding cattle in the old wild West. As I looked, I could see that this road continued on past the front of the house, winding its way through a barren desert canyon devoid of vegetation; a stark contrast to the nicely watered and lush green pasture which lay *behind* the house. The dry road became progressively more rock-filled and climbed higher and higher as it wound upwards through a waterless canyon, and I knew (even though I was asleep and dreaming,) that the Lord was telling me that our nation’s future was going to be dry and difficult—a hard uphill battle, like that dry, dusty road. Then the dream came to an end.

This dream has a common thread of aberrant characteristics. Things are not as they seem! The way things have been in the past are not how they are in the present. The elements of each of the phases of the dream are out of character with the nature of the animal or situation described. Nothing in this dream was as you should expect. Chipmunks aren’t aggressive and don’t attack people, sheep don’t act like pigs, sumo wrestlers don’t dance with nymphs and dryads, one does not find meat hooks bound and hidden in the boughs of trees, and window shades intended for our privacy don’t expose everything.

As I prayed and thought about this, it occurred to me that these strange departures from what the expected normal *should* be, is a commentary on life as we see it on the surface, versus what’s *really* going on “*behind* the scenes.” Our American government, the societal structures and institutions that surround us have departed from their original biblical foundations, and are now built on lies, and lies sustain them, but we are so comfortable and familiar with things as they *appear*, and so lacking in the knowledge of how things *really are* under the surface, that we can’t discern the false and therefore accept it without question as being normal and proper. God’s mercy, however, is such that He gives multiple warnings and opportunities to wake up and become aware of those issues that displease Him, and uses various means including dreams in the attempt to make us aware of and stimulate us to repent and correct those issues, and if we fail to heed His warnings, we pay the price such as what we see in Jeremiah 18:7-17.

As is typical of prophetic dreams, many features are symbolic, often using widely understood symbols common to biblical literature, while some symbols are understood mainly by the particular recipient of the dream.

In this dream God had initiated the original peaceful, abundant scene depicted at the start. (A triangular field-symbolic of the Trinity... 12 acres-God’s perfect number of completeness, the new sheep fence=God’s claim on and established boundaries of the new nation {America} that He had called into being, and the inhabitants {the original Pilgrims} were called by God to occupy and be the “sheep of His pasture”), but some ne’er-do-wells came in with and after the original Pilgrims that had no love for the Truth, and in time due to our trusting natures coupled with our lack of vigilance (symbolized by the nap on the sofa) those who were corrupt derailed God’s original plan for the nation and succeeded in getting us to forget and turn our backs on its foundational ideals (the front of the houses turned *away* from the 12 acre field). In addition, the common people, (having been safe and secure for so long), took God’s blessings of security and prosperity for granted. As a result, the need for vigilance was forgotten and we neglected and frittered away our national calling (the well worn house in disarray).

The good beginning, freshness and fullness of the Spirit God gave us at the start of our nation has been

taken for granted and defiled with our personal neglect and national sins. The fruit of obedience to God is always expressed in God's blessing upon our relationships with one another, in productive efforts to provide for ourselves, and peace within the society and with the nations around us. But if and when the ethics and Godly principles that were such a part of our nation's early history are forgotten, they are inevitably displaced by systems that operate in opposition to God's principles, which always lead to a gradual deterioration of *all* aspects of life, resulting in the removal of God's sanction and the incurring of God's wrath through economic difficulties, social stress, wars, and even national destruction. (See Jeremiah 18:7-17).

In our inattention, wrong decisions were made which allowed our favorable situation to deteriorate. The normally cute and friendly little chipmunks represent the beginnings of little sins or diversions from our original calling that seem so innocent or innocuous that we pay them little mind, but those very same little sins later grow into aggressively dangerous situations. Like huge oak trees that grow from a little acorn, seemingly insignificant decisions eventually grow into very big situations that get out of control (the mature spruce tree grown through the roof of the 3-sided shack.)

Having neglected true fellowship with the Lord in our rush to accumulate wealth, the chipmunks (representing the everyday person) had become aggressive and self centered, grabbing for the accumulation of material wealth which cannot satisfy, leaving us craven and starved in Spirit (thin, and lizard-like). Having persisted in our craven attitudes, we developed a tough hide, covered with thick, alligator-like scales through which God's loving corrections couldn't penetrate, and as a result of our "kicking against the pricks" (Acts 26:14) and insisting on having our own way, God allowed judgment to fall, creating life circumstances so difficult that a normally good humored and peaceful people became viciously aggressive and turned to violence in order to meet their needs.

Historically, our nation has been given FOUR opportunities through serious and profound Revivals (and several minor ones) to repent, "come to Jesus," and return to the national mandate given by God to the Pilgrims.

In the "Chipmunks and Sheep" dream my four visits to the chipmunks represent four major Revivals which have occurred in our nation's history, giving the chipmunks four major opportunities to repent, gently accept the bread (God's grace) and once again become the sweet little creatures God created them to be, but what was the result? My offering of food was met with a vicious attack which is a reflection of the true present condition of our nation's attitude, starved in spirit and preoccupied with the fulfilling of its own lusts and in doing things *their* way! God's blessing has been taken for granted, and we have turned away from God after each of the four opportunities (Revivals) and have chosen to fall back into "normalcy" which is in effect, a denial of God and His desire to empower you for CONSISTENT AND ON-GOING RIGHTEOUSNESS!

If we don't heed the Lord's warnings, these unpleasant circumstances described in this dream will indeed come to pass. Many aspects of this dream are true already. Others are in their final stages of development, but we will experience it all --to one degree or another--if we don't repent and choose to be ruled by God in every aspect of our lives as well as society as a whole.

When I prayed and specifically asked the Holy Spirit what the colorful troupe represented which were appearing to participate in spontaneous dance (the nymphs, dryads, dancers, actors and Sumo wrestlers,) I was told they are the "melting pot" of peoples which is America (as well as the United Nations). The Troupe was lead (governed) by perverse and diabolical entities who engaged in lewd acts and carefully scripted pre-planned maneuvers intended to pervert and derail God's plan for America and the nations, while substituting their own Godless agenda. Appearing benevolent and non-threatening, national and world leaders are well along in their plans to lead an unsuspecting world down a wide, seemingly pleasant (sunlit and grassy) road while in truth subjecting it to various nefarious plans of illicit control, carefully excluding the true knowledge of God and with malicious intent, willfully violating His principles, with the fruit of these acts eventually resulting in the dry, dusty cowboy road... **a way that seems right to a man, but the end thereof is death!"** (Prov. 16:25)

The trusted neighbor who nonetheless came onto my property uninvited and ignored me even though I was standing very near to him represents intrusive government that before this point could be relied on to not be

a threat to my sovereignty or my rights, but now inserts itself into my personal affairs, leaving me ill at ease and unsure of its motives.

One of the acts of the “trusted neighbor” was to install meathooks and bind the boughs of the spruce tree growing through the roof of the shack. I believe this means the attempt will be made by our own government to eradicate Christianity, and marginalize, then persecute Christians like they did the Jews in Germany under Hitler.

The goal of the wicked is to fulfill the lusts of their flesh, enrich themselves at the expense of others and create utter destruction, especially of Christians and Christian-based systems (the meat hooks disguised in the branches of the tree were primarily for the elimination of the Christians,) which stand as the only remaining impediment to the ultimate fulfillment of the demonically empowered lusts of the wicked in their quest to seize the wealth and resources of the earth and to rule with an iron hand.

Feeling the need for a change of clothes, (symbolizing repentance) I attempted to pull the shade down for modesty’s sake, for we and our nation have gone wayward, permitting our society’s sanctity to be violated. In God’s coming judgment, we will be laid bare, symbolized by the open weave screen that can hide nothing. All things done or uttered behind closed doors will be shouted from the rooftops. (Luke 12:2, 3) There will be no hiding of our personal and national sins and the whole world will see the judgment of the Lord upon us.

Through prayer I discerned that we as a nation have so grievously sinned that God considers the land defiled, as evidenced by the black sewer-smelling mud suddenly bubbling up from the pasture in three different places. If we as a nation don’t *truly repent* and turn to God and if we continue to be unwilling to stand and defend all that is good, those few wicked persons who control three of the most influential institutions affecting our lives will be allowed to express the fullness of the depravity of their souls; some with deliberate plans to plunder and impoverish humanity; some with the insatiable desire for complete and total governmental control; while others, due to incorrect doctrines and lack of conviction, will make the name of Jesus a stench in the nostrils of the common person. The three influential institutions, each denoted by a handful of sheep that delighted in rolling in the sewer mud, represent the corrupt banking system, overreaching government, and the apostate church.

Although as of the time of this dream (Jan. 2011), it isn’t quite obvious to the common person in *this* country, abundance and blessing has ended...both in the Spirit, and in the physical, and unless we repent and spread our hands to heaven (as in 2 Chronicles 6: 28-31, 2 Chron. 7:14, Isaiah 55:6,7 and James 4:8), what we can expect in the future before us is barrenness of soul (Isaiah 29:9-16), shortages, stress, heartache, deprivation and unmet needs (the dry, barren and rocky cowboy road), until we repent and the Lord finishes His judgment upon our bad choices (“**when the power of the holy people is finally shattered**” {Daniel 12:7}), at that point forgiving and restoring us as a nation (“**I will restore to you the years that the swarming locust has eaten.**”) Joel 2:25.

Life is precious. Each person was created to fellowship with God, marvel at His truth and be blessed and provided for by the abundance of His creation and be sustained by His goodness. God’s natural law tells us that to defend life, liberty and stand for truth is in line with God’s character and goals for mankind. According to the 16th century theologian, Martin Luther, to be *unwilling* to stand strong and defend the weak and the powerless is to *throw the fight*, and in so doing we share the guilt of the oppressor. Lack of action on our part says in essence that life, family, love, truth, liberty, mercy, compassion, true justice, honest banking, integrity in the educational system, the accurate and truthful preaching of the full gospel of God, and salvation through faith in Jesus are not valuable enough to defend. By our inaction we condemn future generations to ignorance, poverty, and slavery.

We who know the Lord must ask Him to empower us to “**do exploits,**” as in Daniel 11:32, and help us to do our part, however small, to stand for all that is right and good, “**putting on the whole armor of God, that we may be able to stand against the wiles of the devil, for we do not wrestle against flesh and blood, but against principalities, against powers, against spiritual hosts of wickedness in high places**” (Eph. 6:11, 12).

With the Lord’s help, the situation is not totally beyond our ability to rectify, (symbolized by the not tattered but merely dusty screen). With God’s help, we could wipe the dust off if we tried; but to this point we lack the necessary strength inspired by biblical conviction to put forth the effort. God would moderate some of the

potency of the judgments for us in the United States if we would repent and put in a credible effort to apply biblical principles and God's moral standard to the various systems that touch our lives. God would amplify our efforts, making them bear fruit, and would cover (forgive) our sins, reestablishing a window shade that would protect our modesty if we would simply agree with God, change our mind as to what is acceptable, and truly repent of the wrong attitudes of our hearts, put aside those things that offend God, and pursue Him with our whole heart and all our strength. **"This is not difficult nor beyond you to do,"** Moses said of the Old Testament law. (Deut 30:11-19 NIV) How much easier should it be for us to *overcome* in the *New Testament*--we to whom "all authority" (Matthew 28:18) and the *empowerment of the Holy Spirit* has been given!

This dream "Of Chipmunks and Sheep" is a picture of the good beginning, unhealthy present condition, and unpleasant/difficult future of our nation. It is a prophetic warning to change our mind about things and to return to God with a whole heart, begging Him to re-teach us His ways, reestablish us in His truths concerning *ALL THINGS*, and help us apply them to *ALL OF LIFE*, lest we suffer the consequences.

With our lack of diligence in the things of God, our national attitude has deteriorated to the point that God may allow the fruit of our bad decisions to come to full expression, with life becoming like the dry waterless rock-filled road [signifying severe and lengthy economic and social difficulties], making life extremely hard and burdensome for the common person; [which IS the plan of the Globalists with their "Great Reset"] and even allow evil persons to rise to power which will engage in a severe persecution of true believers like that of the early Roman Empire (the meat hooks hidden in the huge spruce tree).

You might ask, "Can it really be as bad as you say? I don't see it!" Yes, it *IS* that bad. *Because* we can't see it is one reason why judgment is assured, as well as why a return to a God-centered, accurate and comprehensive education is so necessary. The less you know, the less you understand, and the easier it is for malevolent entities (both human and non-human) to rise to power and deceive, control and rule over you. And as has been stated by past historians; "If you remove from the people the knowledge of their history, you can lead them *anywhere!*"

Jacob's Dream (from www.stevequayle.com)

© Greg, Steve Quayle, January 16, 2007

Brother Steve: I wanted to share something with you that I find amazing. My son, Jacob, had a vision/dream this January 13th, early AM.

If I may, I would like to preface the vision with Jacob's background. He is physically disabled and spends most of his day listening to the Bible on CD, praying and otherwise studying the word. He doesn't watch the news and has heard your radio show only once and that was several months ago. (He first told me that God talks to him when he was 3 or 4 years old.) He teaches at the church every time he gets the chance and gives what he believes is a "word from God" to different church members as he feels led. He was born with water on the brain and has a ventricular shunt and is legally blind. He is only 4'10" tall and I am amazed when the big strong guys in the church melt when it comes to sharing God's word but Little Jacob even goes into prisons to teach as if he were 10 feet tall.

Jacob hasn't read any similar prophecies on your web site or anywhere else. This is the reason I wanted to share it with you. He hasn't been influenced by anything outside the direct word of God.

Jacob's vision/dream in his own words is as follows and was mostly recorded by him with only a little help from me because he is almost blind.

"In this vision/dream, the first thing I saw was large camouflaged helicopters. They were the

type used to carry marines. They were the double-bladed ones that are very large in size. This was in a city that seemed to be New York. Also, I saw in the same place a skyscraper type building totally demolished right in the middle of the chaos. People were everywhere in the street looking on. There were cars piled up and soldiers everywhere. The soldiers were in different uniforms and of different colors and nationalities.

Now later in the same vision I saw an airplane crash right into the Golden Gate Bridge. This airplane looked like an airliner. It was huge. During all this I heard a voice, not very loud, more like monotone. It said, "'Iran' here in America?" Then I saw clouds in the shape of the letters U.S.A.

Again in the same vision I saw soldiers in a large field beheading a massive crowd of people. This was really graphic. They were not your typical soldiers in camouflage and helmets. These were dark-skinned men wearing street clothes. Some wore hats, some didn't. This went on for a while. They had long heavy swords and I also saw a guillotine. There was blood and dead bodies scattered all over the place."

Jacob was extremely upset and said that it was as if he was in the midst of each event. He said that he thought to himself, "I have to be asleep and dreaming because this can't really be happening, and I tried to wake myself up and couldn't. It wouldn't stop."

As I stated before, I wanted to share this with you because I don't want anyone to face this, if it is authentic, without prior knowledge.

Praise God for His mercy...Greg

In Conclusion: ©April 5, 2021, Gary J. Holcombe, the Sheepprophet™

What lies in our future? Stress and difficulties of every sort and at every level of existence. Why? Because "The Church" has become like the Church of Laodicea of Revelation 3 and has not taken its responsibility to be "salt" seriously, has "lost its savor;" and as a result, (for a time) we will be "ground underfoot" (Isaiah 63:3) God's intentions are not to destroy our nation though...but to WAKE US UP!

He formed and established America to be a "light to the world" by standing for Truth in all its aspects, the result of which would be obvious blessing of the American society as a whole which the whole world could see and properly interpret due to the obvious historical testimony of our founding.

Like Israel, God called us into being and established us in an obvious way through the Mayflower Pilgrims in 1620, and confirmed America's calling through Jonathan Winthrop with his "Covenant" made with God in 1636 spoken in his message "A Model of Christian Charity," thus setting the tone and context for what our personality and calling as a nation was to be, "a light to the nations and "a city set on a hill." But we have "waxed fat," gotten rebellious, and like Israel, have turned away from our original calling.

God does not want to destroy us, *but bring us to repentance* so He can again use us to affect the whole world for righteousness and forestall the acts of the Devil; however, for us to be restored to that original calling--due to our apathy--God will allow various intense difficulties for the purpose of purifying us and getting us to "come to our senses" (2 Chron.6:37).

I don't know when these things will come to pass...the time of difficulty warned of with the Prophecy of 1996 seems to be starting *now*...it may be later, but it appears that "the time is short" when

you consider all the events and circumstances plus factor in the actual plans of the Satan-worshipping “bad guys” who may possibly have installed “the Antichrist” in April 2020, with THEIR intent that he be revealed and take power sometime around 2024-2030. Remember, I’m NOT setting dates...I’m simply letting you know what the thinking, goals, and actions of the “bad guys” are, which could potentially help you to better interpret decisions being made in the political arena or new legislation that may affect you and need to be resisted, *or*, if nothing else, to stimulate you to do a little “prepping.”

With regard to this “Prophecy” given to me in 1996; if not NOW, it will likely come to pass sooner rather than later, and “he who is wise” would do well to make preparations to meet future needs, as the plans of the “bad guys” is to not only reduce the world’s population by various means, but also destroy supply chains, replace the world’s financial system and initiate a digital money system in its place with an artificial intelligence system that tracks your every move and every purchase, administers social rewards and punishment, and if you do not accept this system into your life, you will not be able to buy, sell, or travel anywhere, and ultimately “it’s the FEMA camps for YOU!” (Luke 21:12)

We can only hope that the predictions of the return of Donald J. Trump after proving widespread voter fraud will indeed come true. It seems the Lord installed him for the purpose of agitating the “Deep State” and their satanic system; to force them to reveal themselves so we could see and all rally to defeat their wickedness, re-establish integrity in our nation, and be stimulated to re-assume our Mark 16 calling.

My opinion is that we (the Church) did not meet God’s expectations with regard to the degree of repentance He desired to see in us during the four years that “The Donald” was in the Presidency, in which the corruption in our leadership was exposed and we had an opportunity to repent of our past as a nation. An ‘awakening’ is now stirring, but for the most part, we had been **“weighed down with carousing, drunkenness, and the cares of this life”** and ‘that day’ has **“come upon us unexpectedly”** and **“as a snare on all those who dwell on the face of the earth.”** (Luke 21:34, 35) Our response should be to embrace deep 2 Chronicles 7:14 repentance and ask the Lord for empowerment to walk in a HIGHER AND MORE CONSISTENT LEVEL OF RIGHTEOUSNESS; thoroughly scrutinize our Gov’t officials and policies, PERFECT/PURIFY our Constitution and hold people to account that violate it, double down in our commitment to ENGAGE IN EFFECTIVE SPIRITUAL WARFARE and prepare to RESIST TYRANNY.

Again...what I am asking for and hoping to see is a GATHERING of people willing to admit that their commitment to the Lord has not been what it should be, and are willing to engage in deep and profound repentance, with committed prayer warriors [the “Remnant of the Remnant”] willing to engage in specific targeted prayer asking the Holy Spirit to inspire a wide-spread turning away from the Church’s errors and apathy; to pray deliberately to thwart every aspect and timing of the plans of the devil and interject whatever positive/uplifting/encouraging and helpful influences we can into society, asking the Lord to help us to bring others to Christ for the final Great Harvest—re-anoint us like the first century Apostles to aggressively spread the Gospel and defeat the devil using every means that the Lord empowers us for that we may once again become “the salt of the earth” and thereby preserve our nation as well as our individual lives and families.

The devil’s activity has cranked up...we should aggressively “crank-up” our response!

Such a “Special Forces” team has been formed here in Aroostook County, Maine, and people from across the nation are invited to do the same in their own locality. Everyone everywhere can pray for the big national and international issues on their local conference call or group meeting as well as

cover their local issues. Email me at garyjh@startmail.com for instructions as to how to participate in the Aroostook County “Special Forces” prayer time.

Even though there is no question in my mind that the Lord fully intends on judging this land at this point, we still need to ardently hope for Reformation and revival in our own hearts and work toward it by truly repenting, humbling ourselves, and taking effective action. As of the time of “The Prophecy” of 1996, the difficulties were not necessarily “locked in” as the word of the Lord at that time was “Choose ME...choose LIFE!” which implies the ability to avoid at least SOME difficulties through genuine repentance. But the door is closing and will certainly close if we do not respond adequately to the Lord’s admonition through this “word.” There are many in America’s political system, in Congress and in the military leadership that as of late (2020) have *openly* been advocating a “purge” of Republicans/Conservatives/ Christians and those refusing to take “The Shot.” Those advocating the socialist/communist social system are fully intent on eventually placing those who resist into “re-education camps” which you will never leave. All constitutional protections will be and are even now being ignored by many members of Congress as well as State and local governments.

And NO...you are NOT to just throw up your hands and say “oh well...Romans 13 says we must submit, even though the government in power is BAD!” THAT IS A GROSS MISINTERPRETATION! The government that is to be obeyed is the one that PRAISES GOOD BEHAVIOR AND PUNISHES BAD! (Contact me for an article I wrote with references on that topic if you doubt me). [Note: As of about 8/8/2021+ or - , there was such a reaction to the idea of “Strike Force Vaccination Teams” that would go house-to house that the Biden administration abandoned that idea...however, “they” are still hoping to implement a program to put anti-vaxxers into FEMA camps from which the objectors will never leave.]

I know this essay is not bringing a pleasant word, but it does follow the standard spoken of by Jeremiah the Prophet in Jeremiah 28: 1-17 that those who come with a message of PEACE are the ones who have the burden of proof to show that their word is from God. God’s usual practice is to issue WARNINGS! Again...do you think the Lord would have given me a gift of 7 days of sinless perfection if the warning given in the 1996 prophecy were NOT TRUE???

SO...Rise up warriors...REPENT, GET ACTIVE, GATHER TOGETHER for spiritual warfare, and pray to slow down the Devil’s timetable! We need more time to prepare!

According to Dr. J. Edwin Orr, we should do as the early American preacher Jonathan Edwards advised: (paraphrased) “If people of *different* Christian denominations were willing to talk to each other despite their differences, and agree to meet all together in prayer at times that were OUTSIDE THE NORM and which take EXTRA EFFORT to get there to participate, the Lord would extend His grace to the participants and revisit them with Revival.”¹

Will you join me in this ‘Work’ to bring reformation and healing to America, gathering people together to pray for God’s help to GENUINELY REPENT OF OUR PAST DECISIONS/LIFESTYLES; restoring America to her original calling as a light to the world as well as pray to hinder the progress of the Antichrist? If you are a pastor or gifted in intercession and experienced in spiritual warfare...I want to talk to you, and hope you will be willing to join our “Special Forces” prayer time 7PM Tuesday nights. Feel free to email me at garyjh@startmail.com Thanks! Gary J. Holcombe (“The Sheepprophet”™ April 5, 2021)
