

Introducing the **WOW**
Weapons of War
Ammunition for Spiritual War

1. We are engaged in the war for humanity not just the nation. It is the spiritual war for each soul on earth that is God's main concern, for souls are eternal but this life will pass away.
2. People are dying spiritually all around us because they do not have words of life and

power, words of spirit and conviction, of comfort, joy, peace and love. They need us to bring it to them... that is our commission by Jesus Christ.

3. We are not only supposed to win and strengthen those that believe, but we like the good shepherd must go out into the mountains and find that one lost sheep... as Jesus said, I came not to call the righteous, but the sinners to healing, for the righteous didn't need Him, but the sinners needed and loved Jesus.

4. There are many souls around you that you meet or know that do not have a good spiritual feeding or even the knowhow of how to find Jesus and salvation. They may have been turned off but the church system, or the self righteous, condescending, critical attitudes that drove them away.

5. Jesus loves them and wants to bring them back to HIM. In fact He commanded us to go and seek that which was lost, to preach the kingdom to every person, to bind up the wounds of the broken hearted and set them free with the Spirit and Word of God.

6. In some cases we can give people a New Testament or a tract, but there are many others who need a deeper feeding who may not understand the Bible very well and may not read it... so...

7. I am making a series of pamphlets with audio mp3's on a wide variety of subjects for anyone to use to feed others, to give othes a chance to know the Lord. These do not have my name on them and you can use all or part of it, to give to others.

8. Perhaps these will give you ideas on how to make your own tracts or feeding materials. I'm just doing these for those who can't and who need inspirational material to get the gospel out. Our job is to reach the world.

9. Each week there will be a new WOW, Weapon of War- ammunition for the spiritual battle for souls. I pray these are a blessing to you, and you are. Going to find as you consistently send these out or your own, people will eventually really appreciate it and look forward to them.

10. That could result if growing your ecclesia and base of people that appreciate what you do.

11. God bless you as you give to those in need truth.

Go you and preach the gospel to every creature.

And He sent them to preach the kingdom of God and to heal the sick.

And in every house, they ceased not to teach and preach Jesus Christ.

For the preaching of the cross is to them that perish, foolishness, but unto us who are saved it is the power of God.
