### **More on Heavenly Thought Power & Spiritual Intimacy**

1. Salvation is the most intimate relationship anyone could have. As Jesus has said, Behold, I stand at the door of your heart and knock; if anyone open the door **I will come into them** and sup with them and they with me. (Revelations 3:20). That is as intimate as you can get, having the Spirit of Jesus Christ **in you**.
2. 'For know you not that your bodies are the temple of the Holy Spirit which is in you, which ye have of God, and ye are not your own? For ye are bought with a price: therefore glorify God **in your body**, and **in your spirit**, which are God's.' I Cor 6;19,20).
3. For the temple of God is holy, which temple ye are . (1Corinthians 3:17). That is why Jesus Christ **is so radical**, so different and hated by the religious leaders of His day, because He was teaching that anyone could become the temple of God, the kingdom of God, if they believed in Him, were born again and filled with the Holy Spirit. That went

contrary to their whole religion that depended on the temple, the building and them as the teachers of the Law.

4. That is also why God wreaks out His judgments on those who persecute His temples, His walking temples of His Holy Spirit,, His eyes, the apostles and prophets of His Word, because **He lives in us**. God in us, the only way for sin to end and for us to have a total transformation of our beings, becoming the temples of the Living God. That is why we are called the Bride of Christ, for we have received the King, the bridegroom into our souls, like a bridegroom goes into his bride... a spiritual union.

5. Therefore is Heavenly Thought Power not only possible, but inevitable for we have Christ living in us. That is why eternal salvation is such a big thing, such an important thing and why we are commanded to preach the good news, the gospel of the kingdom of God that can live IN us. That is the whole purpose of eternal salvation: we become the temple of God, and we are connected by love, for God is love. We have a love relationship with the Creator of the Universe, the Father.

6. Religion, laws and rules are not enough to keep us close to God during our journey on earth. Only LOVE is strong enough to keep our connection to Him. Only Love is strong enough to keep us in this world and give us the desire to seek Him and be close to Him... for God is Love. The line of connection we have with Jesus Christ is a chord of love. Nothing else is strong enough  
He laid down His life for us out of love and commands us to love one another and why He commands us to love the Lord with all our hearts and neighbor as ourselves.

7. For Love is strong as death; if a man would give all his heart for love he would be utterly condemned.

(Ecclesiastes- Perhaps that is why Jesus was despised, hated and rejected; for He gave all for the Love of God and it was too much for the religious Jews who couldn't believe such a person was the Messiah or a prophet. They were expecting a great king to lead them against the Romans and become a strong nation again... but God was giving them something much better... a way out of their sinful nature, to be possessed of God and not just following the Law.

8. So with **Jesus Christ IN us**, and with the **Holy Spirit IN us**, we are the TEMPLES OF GOD, and **Heavenly Thought Power** is easier to understand, for we are intimately connected as the bride of Christ. He can speak to us anytime and we can have a conversation with Him all during the day, and we can develop a close friendship with the King who is always in us, who knows every thought. So our goal in life is not trying to be a good person keeping the Law, but being filled with the power of God so that we have HIS GOODNESS in us, to be His intimate temples in spirit.

9. We can now acknowledge Him in us, praise Him, talk to Him, and as we absorb His word into our souls, He is magnified and His power becomes strong in us, for we are the temples of God. We are the walking kingdom of God... **for the Kingdom of Heaven is within you**. And when he was demanded of the Pharisees, when the kingdom of God should come, he answered them and said, The kingdom of God cometh not with observation (can't see it, it's spiritual: Neither shall they say, Lo here! (It's over here) or, lo there! (it's over there), for behold, the kingdom of God is within

you. (Luke 17:20,21). We are the Kingdom if we have the King in us... **for Jesus IS the Kingdom**, we receive the Kingdom of Heaven in our hearts when we believe and receive Him.

10. Therefore we have communion with the Lord and can have His words speak to our thoughts as we acknowledge Him and ask Him to speak to us. We can develop this relationship to the point of receiving exact, specific details of what to do, where to go, how to do things and even information that can help us win the battle. In fact the life of a Christian should be developing this close intimate relationship of communing with the Lord all during the day, as we obey Him to share His kingdom with others.

11. You may think, but how could Jesus speak to all of us at the same time, how can He be in us all and talk to all of us at the same time. One analogy is that of the internet. The power comes from the internet company to each home through a wire into our computers. Just as we are connected by His Spirit Wire, the Holy Spirit. We can all have a portion of His power in us as we believe (drink) Him and His Words into our being.

The electric company produces the power and that power is sent to each home by wires connecting everyone to the power source.

12. Each of us who are saved **has a direct channel to the Lord** for we have the Holy Spirit in us, and are connected to Him. He can send out a message to all of His people at the same time, or a very specific one with a unique message that is just for us. The line of the Eternal salvation is a 'Spirit Phone' in us; the Holy Spirit is the wireless that connects us

to Heaven. We can receive direct calls now since we have received Jesus and the Holy Spirit.

13. Accepting this relationship of close intimacy with the Lord is the secret of our empowerment, for as we acknowledge His presence in us, it grows, and He is able to give to us more of His thoughts. You look to Jesus and talk to Him, acknowledge His presence in you, and your relationship is activated, and you will hear His thoughts in yours. He is speaking to you directly on the Spirit Smart Phone personal messages. We create a friendship and love relationship on our smart phone with Jesus Christ.

14. Let this mind be in you which was also in Christ Jesus. (Philipians 2:5)

You will keep us in perfect peace as **our minds are stayed on You**, because we trust in You. (Isaiah 26:3).

To whom God would make known what *are* the riches of the glory of this mystery; **which is Christ in you**, the hope of glory. (Colossians 1:27)

Trust in the Lord with all your heart and lean not to your own understanding. In all your ways, **acknowledge Him** and He WILL DIRECT YOUR PATH. (Proverbs 3:5,6)

15. Let the Word of Christ dwell in you richly. Casting down imaginations and every high thing that exalts itself against the knowledge of God and **bringing every thought to the obedience of Christ**. (2 Cor. 10:5) As you have therefore received Christ Jesus the Lord so walk **you IN HIM**, rooted and built up in Him as you have been taught, abounding therein with thanksgiving. (Col 2:6).

That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me. (John 17:21)

16. What a joy and incredible miracle it is every time we hear the voice of the Lord either through His word or in prayer or in dreams. When He speaks to our thoughts directly it is the best thing in this world, and at first a bit startling, to realize He knows our every thought. That compels us to stay obedient to Him and stay closer to Him so we can hear from Him more....

If we abide in Him and His words abide in us we shall ask what we will and it shall be done for us. (John 15:7) I am the vine you are the branches, He that abides in Me and I in him the same brings forth much fruit, for without Me you can do nothing. (John 15:5) We have to stay grafted into the stem or trunk of the 'tree' to receive the water to grow, or we wither.

**LETTING THE KING SPEAK TO YOU**

17. If this is new to you or are just beginning this life style of talking directly to the Lord during the day and letting Him speak to you through your thoughts or in your heart, then here are a few 'prayers' or things you can say to Him to start you out. Letting the voice of the Lord speak to you as you are reading the Word is a good start. This is good training in receptivity and accepting His voice.

The more you ask for it and suck on the spirit through the Word, the more the voice of the Lord will speak to your heart. Then you will be accustomed to the Lord speaking to you so it won't be too much of a jump when He speaks to your thoughts.

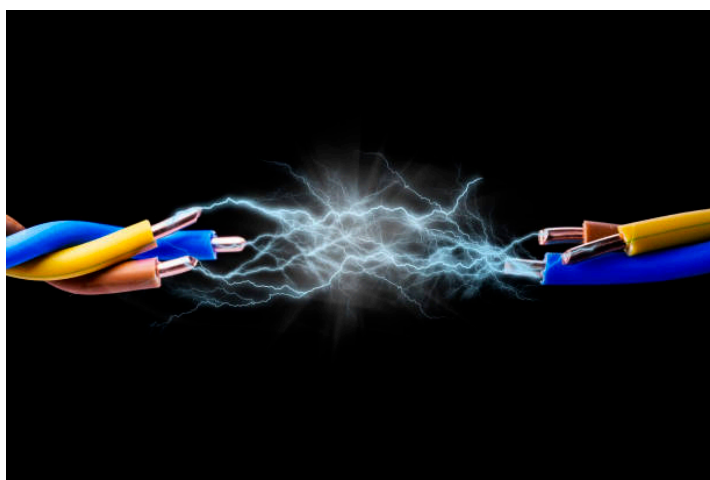

18. You can say something like this: "Jesus I acknowledge You; I know You can hear my every thought and word. I come into Your presence with thanksgiving and into your courts with praise. Thank You for saving Me, thank You for our communication. Please speak to me anything you would like to give. (OR) please speak to me about this decision. What do You think is best to do. Help me to make the best decision in Jesus name. Thank You for answering.'

19. The more you ask, thank Him, praise Him and wait on Him the more He will begin to speak to you. Expect the Lord to answer because you have asked. Claim His promises, Ask and you shall receive; knock and it shall be opened to you, seek and you shall find. (Mathew 7:7)  
This is the confidence we have in Him that if we ask anything in His will He hears us, and **if we know He hears us we know we have what we desired of Him.** (I John 5:14,15)

20. This is developing an intimate relationship with Jesus, the steps to being fully possessed of Him and the key to living in miracle land. As we are faithful to stay close to the Lord and walk with Him, He rewards us with His thoughts and His voice of the Word. The end result is melding with the mind of God just like the trans-humanists want to meld with machines. They want to be connected and use the human mind as the internet of all things, but God has a much better way. For as we meld with His mind, He can **create** through us. The same person who created the world can think through us and to us... so that we become mini creationists of His word.

21. Mankind's greatest achievements are but a cheap imitation of the real spiritual reality of **God in us**. They may eventually download info and learn languages quickly, and be connected with each other, being connected to the internet directly, but we will be able to understand the language of God, know His thoughts, and speak His thoughts which are creative energy that can heal or do any miracle needed. **We can download God into our being** and **have His mind**, as much as we can take and are faithful with.

22. **We become GOD'S INTERNET that receives and sends out his signal to the world.**

**We download God into our being** so that we can have a mind superior to those possessed of Satan's trans-humanist linked-to-computer brains. They have the internet of things, and we have the downloads of God.

23. Think His thoughts, know His mind, by seeking and asking Him for it. **He will download into you. Then we will be His Super Spirit Soldiers** that have the mind of Christ and can download anything we need directly through the Holy Ghost. We become the bride of Christ and you know any man will fight for his bride and children more than anyone. When we marry Jesus in spirit and truth we become Mrs. Jesus the bride, and as we stay close, walk in Him, hearing His thoughts, He will manifest Himself in us fully. **This is the route of the end time warriors of the End... the super spirit soldiers of Christ.**

### **A Spirit Download- words of prophecy**

24. When you pray, Thy Kingdom Come, Thy Will Be Done, in essence you are calling on God to download His power, info, kingdom and truth into your soul and in others. Your receptivity muscles are weak and flabby because you have been taught to talk at God, but not to receive from Him. You do well to practice receptivity to My voice and the voice of the Holy Spirit, for that creates the intimate relationship with Me that you need to survive and thrive.

25. So the next time you pray the Lord's prayer think of this analogy and perhaps you can change the prayer to a modern one which this world can understand:  
Grand Master Creator of All, download into my soul all that I need. You are great, You are the power of the universal

internet and I need info and power to make it. Your Kingdom Come. Give me Your download of power that I can manifest your kingdom in my life that others can see Your power.

26. Jesus, You are in Me. I have the Holy Spirit in Me. I look to you, acknowledge You and ask You to speak to me right now. I need to hear Your voice Your thoughts that give life, power, joy, victory, overcoming power. In Jesus name.

Lord, I know You are there and hear me. Thank You for keeping me. I look to You and ask for Your thoughts. Help me to have a receptive believing spirit and mind to accept Your Spirit and thoughts.

### **The Key to HTP and the Greatest Hindrance**

27. The key to hearing the thoughts of Christ in our heart is in the powerful word... believe. As we realize that believe literally means **to drink in to our soul** then we have the key to receiving the power of God. For many, the word believe is a light kind of mental recognition that Jesus is the Son of God but without the receiving part. Believe means to drink into our soul which baptizes us with power to become a new person... where all things are changed. Faith is born through **believing** the Word of God, drinking in and absorbing the Word of God.

28. But as many as **received Him** to them gave He **POWER** to become the sons of God event to them that **believe** on His name. Behold I stand at the door and knock, if any man **OPEN** the door, **I will COME INTO** him and **SUP** with him and he with me. (sup with means to have intimate talk time

while eating). For this is the **work of God** that you **BELIEVE** on Him whom He has sent. **Believe** on the Lord Jesus Christ and thou shalt be saved.

29. For by grace are you saved through **faith** and that not of yourselves, it is the gift of God not of works lest any one should boast. (Ephesians 2:8) That if you will confess the Lord Jesus and **believe** that God raised Him from the dead, you will be saved. (Romans 10:9) For he that **believes** in Me as the scripture says, out of his soul (belly) shall come rivers of living water. (John 7:38)

for if ye **believe** not that I am he, ye shall die in your sins. (John 8:24) For he staggered not at the promise through unbelief but was strong in faith giving glory to God. (Romans 4:20)

30. For they who have **believed** have entered into His rest. (Hebrews 4)

**Hindrances to Acquiring the Heavenly Thought Power**

It is the religious spirit that blocks receptivity and drinking in Jesus. The religious spirit is more closely described as, 'our own goodness and our own works'.

As is frequently said, there are only two religions in the world, those who are based on works' and the one based on, believing... the God-only-can save-you-kind, through receiving it. That was the revelation of Martin Luther that started the whole return to God movement of the Reformation... that you only needed to believe in Jesus to be saved. This was a great revelation at the time because the church system taught the opposite, that you had to do penance, confess, and work to gain salvation.

31. The simplicity of the gospel (good news) destroyed the power of the false church system of the day. Just believe, receive and know Jesus Christ in your soul. That is what the good news of the kingdom is all about, having the kingdom within you by believing and receiving Jesus in your soul. And every one that confesses that Jesus has come in the flesh (YOUR flesh) is of God and is saved. If we believe that the spirit of Jesus Christ has come into us then we are saved, and that means anyone.

32. The religious spirit is arrogant pride thinking we can be good when Jesus said only God is good. No matter how many good things you do you are not good enough, for only believing and receiving Jesus into our hearts gives us His goodness. That is as intimate as you can get, receiving the Son of God into your soul by believing in Him and His name. We are married to Christ in spirit for God is Love, and His Son given to save us, and become His close intimate bride, Him in us.

33. Jesus wants to speak to you directly, intimately, about anything and everything. As we cultivate this hearing His thoughts and voice through His word, in prayer, in prophecy and other ways, we begin the creation of a channel that can hear His direct thoughts leading us specifically. We are then ready for His FULL DOWNLOADS of Power that will rock this world with great miracles and fruit. Are you ready to download God. Get ready, it's coming.

34. Our consistent cultivation of hearing His voice and His thoughts prepares us for full possession of the Holy Ghost, and the gift of heavenly thought power, the mind of Christ in us, through loving the Lord with all our souls.

35. Try practicing believing. Get quiet, read some of His Word, then just focus on Jesus, calling on Him, and STAY your mind on Him with not thinking other things, and see how long you can keep it... by praising, quoting scripture and just talking to Him....  
Then let Him talk to you.

**36. We are going to receive some of the heaviest earth shaking downloads of God because it is the time of the End. As the flood of evil rises, it will be met with the power of God IN US. We will download the power and word of God for the world.**
