

## **\*\*Pure Waters**

### **Thoughts Inspired of Heaven**

1. The words of man are many, can be found everywhere, and they get you nowhere spiritually. The pure words of God touch the heart, reveal all secrets, and give peace. Major on them if you want reality.

2. It's easier to devote your self to the words, thoughts and spirit of man as his books please the flesh and pride... but the end is circles; you go round and round with no real spiritual growth at all, for they are mostly words of emptiness, carnal thinking. Some are good for learning physical, technical things and valuable information, but most college studies have very little that is useful in preparing for the millennium.

3. The pure waters of My word will satisfy the deepest longing of your soul for they are spirit and they are life; they will touch your soul and reveal to you My will. My

Word grows your soul, My words give life, energy, wisdom and power to have the mind of God.

4. These words... ‘Come unto Me all you that labor... I will give you rest’, ‘Be still and know that I am God’, hold the perfect peace that you need. They are a catalyst for communing with Me and learning from the ancients. I am able to impart to you more than you know. As you get quiet your angels and the Holy Spirit will speak to you.

5. I have more than you could ever imagine, depth of soul; reality of spirit; confidence of heart, and knowing God. These things are well worth your sacrifice to seek Me out as I will transform you into the image of God.

6. Shall I give you more? Can you handle the full revelation of truth, of the love of God...that you are precious to Me, and that I desire your heart and communion as much as you desire Mine and the Fathers?

7. The Father is way beyond comprehension of the human mind, but His ways are not past finding out for a road was made for you... My life, My words and My spirit. Do you realize how important I am and the power in My name? Have you tested it? Have you fully realized what you have in knowing Me?

8. When I take the chisel to scrape off a piece of you, I always pour on the oil of comfort to give the grace to take it. That way you not only become a fighter, but a

loving one. Yes it hurts at first, but I do all things well and out of love for you. I'm making you into a tool and a jewel of great price.

9. Do you see the clear, cold, fresh waters of the mountain stream? Clean enough to drink? So are the waters that come from My mouth, they are the refreshing of your soul, the cleansing of your mind and as you take them in, **they will flow out of your belly as rivers of living water.**

10. The keys to the kingdom that I released to My disciples are also for you who serve Me, who live for Me today. As you tap into My Living Words, the stream will be there for you to drink. Drink ye all of it. When you read and make that connection to Me in spirit, stay and take all you can get from Me.

11. When you feel dirty, like a failure after some mistakes or getting out of it, that is the time to come to Me and let Me straighten it all out. As you resist the temptation of condemnation and come to Me anyway, you will receive a blessing that will erase all sins, mistakes and failures.

12. You will never have My full power until you give to the lost My words, love, and truths consistently and for that is the reason for My death. Be a faucet that pours on other souls around you, forsaking yourself, taking on My Spirit and being My love, My joy, My strength in any way that is good, possible and fruitful. That is My road to fulfillment

13. Sometimes in the midst of a battle when you weren't able to fill your heart with My Word, you'll just have to swing your club and beat down the devil, plow through the storm the best you can. It's better than giving up but better yet... stop everything, tune in to Me, get recharged, then fight on.

14. Those who read the word with their mind can be Bible teachers. Those who read the Word with a hungry soul, can become prophets that hear My voice. No matter how much head knowledge you have, it is nothing compared to knowing Me in spirit and in truth. All growth comes from a soul absorbing My Spirit through My Word.

15. Today probably won't be your last, but it may be the last chance to live Me, to seek Me for My will. Each day the you neglect Me, you grow further away until you lose the desire even to try.

15 b. Love begets love and as you seek Me with all your soul, you find the meaning of life. Your time is well spent when being in My presence as you will touch others lives with My magic touch. You find can be exciting. Blessings are there for those **who take up My call immediately.**

16. It does take effort, desperation, concentration to love God, to know the Father and to know Me, but as you do, you find the real purpose and meaning in life, and you begin the road to being the answer, being the love of God to the world. It also gets easier as you grow your spiritual muscles.

17. I love fighters. I love those who fight for truth and get it out. That's what I did every moment I lived on earth, especially during the last 3 years. It was an all out declaration of War on Satan and his kingdom. He knew it, he tried to stop Me at every turn, and when he couldn't, he had Me killed. Then My Father turned it into the biggest blessing humanity has every received... eternal salvation through My blood.

18. Children are such a blessing and Heaven is full of kids. In fact you will be the age of your spirit not the age of your body in most cases. Those who did little for Me on earth, will be as children that need guidance, growth and training even here on this side. You will not know everything and be perfect on this side. But you will be perfect in spirit, in heart.

19. Your children are the heritage of the Lord. They are in your care, but belong to God. Always remember that they ultimately are not 'yours' to avoid the trap of being overly protective, overly strong, and overly concerned about their lives. Put them in His hands in prayer and then do the best you can. Train up a child in the way they should go and when older they will not depart from it.

## WHO ARE YOU!

20. If it is true that those who have received Jesus are His future Kingdom on Earth, and those who served Him while in this life will be His government, His ministers, then we need to prepare for that job. First

of being filled with His power, **being** His love and truth... then cleaning up and organizing the world according to His plans. Working together in unity for the good of all, using all our talents and things learned on earth to make a happy, blessed, productive world of people that have learned their lesson.

21. Let today be the first day of a new life of living for Jesus, His Words and reaching the lost, feeding those souls who are hungry for more, to be strong soldiers. Forget your past problems. Grab a hold of God and start a new life. The whole world needs you.

22. As you take in the Waters of the Word let it wash you clean. Sure it hurts a little, but don't you feel great after a nice bath. Yes the Spirit of Truth convicts and shows where you have been off or wrong, but that's the process of cleaning.

23. When you have called on Jesus from a heart that is filled with His Words, in tune with His Spirit, there is nothing He will not do or show you. He will answer the sincere soul, one filled with the Word and willing to do it. Come into His presence, and put your mind into His Spirit and be One.

24. No force of the Enemy can hinder you when you wield the sword of the Spirit the Word of God from a whole heart. Stir yourself up and fight. Resist the enemy and he will flee. Stand up to him and sock him with the Word.

25. Use your Sword, the Word of God in prayer to rebuke the Devil and any negative spirit clouding your own negativity. Fight the good fight. Lay hold on eternal life. That is your job.

26. When you feel like you are in over your head and are drowning in troubles, you can find great peace as you settle your soul on Jesus and a good feeding on The Word.

27. Your carnal mind, your logical philosophical thinking is your enemy. The carnal mind likes to feel good about how much it knows, how much knowledge it has, where as a God filled mind just wants more of God, as that is the only thing that actually changes anything and truly satisfies the soul.

28. Regeneration, Transformation and Re-Creation are the goals that produce new people that can be trusted with the power of God to clean up the world. We have a big job to do, and will take a millennium to get it done. Start with yourself. Get sparkling clean.

29. Escape all the negative thinking, the discouragement, hopelessness and frustration with a good dose of the Words of God. They will melt the ice, wash away the negatives, and bring you a restored, strengthened heart and clean mind.

30. My invisible crown of Life and Power is a spiritual one that others can see when you wear it. Each day of living for Me, each day of your service for Me and

others, adds to the beauty of that crown. It only costs you your self.

31. If the righteous are barely saved what will be the end of the wicked? But the reverse is also true; if the world goes on and on in its sin and there is mercy and patience for them, then how much more mercy and patience will there be for those who love the Lord and serve Him.

32. It was all done in Love. Never give up, there is always an answer. The Father created it all out of love for His people to grow in, to learn to love, just as He loves. God's kind of fun is His work of love. He gets pleasure when we learn to love. Connecting to Jesus in spirit is love.

33. Sometime it's a real fight and we have to put everything we've got into our prayer, into claiming His Word, in fighting the battle of the spirit to win it. Spiritual soldiers fighting all of hell to bring a victory.

34. Praising the Lord for the good, the bad and the ugly is the surest and quickest way to get a victory, and the best victory, for praise puts it all in His hands with thankfulness. **The true steel of faith is praise.**

35. The people of faith, who walk by faith, who walk in belief, have strengths, peace of mind, joy and answers to life that others do not have. You also have an eternity as victors with Jesus and all the people of faith in history. You have it all, for the small price of giving your life to Him.

### 38. Pure Water Prophecy (inspired of Jesus)

Right now you are experiencing the upside down-backwards world of hell on earth, where the rich and powerful rule, and those with authority wield power over the people. In My kingdom the opposite will be reality; those who lived for Me and others will rule, while those who believed and those who receive Me will be the citizens of My kingdom; the wicked will be your servants or in hell.

39. Those who abused their power, who believed not Me nor had a fear of God, but used their wealth and power to destroy the earth, to destroy My creation including people, will not even be in My kingdom. Some may be reclaimed after a long journey. Eventually the goal is for those who receive to be healed and reclaimed.

40. Let that reality sink into your hearts, for then you will have the right perspective and vision for your life, what you should do, and the decisions you make, for you are on the right side of the future. You will be leaders in My Kingdom, for that is what you are now.

41. It is My desire that you learn to tap into Me to receive the Holy Spirit who will lead and guide you into all truth. For then you open up to receive directly from Me, thoughts, prophecies, inspirations, answers and faith to live. Chip away at it with small attempts and eventually you will get it.

42. As you are consistent in this, you will also receive the pure waters of My Words that are given to you to enrich your faith, to enlighten, to empower for I know you can be trusted to use it to strengthen others. This will become not only the joy of your life, but the supply of your needs and protection.

43. In war, if the soldiers are all bottled up in 'camps', always in training and never released to the front, then the war is lost or many of the battles are lost. Too long My soldiers have been hiding out in their 'camps', church buildings, while the war rages out in the front lines of life, with many souls being ravaged by your enemies of the nether world.

44. The War is very real and I have called you soldiers of the Cross, and that cross is emblazoned in your hearts with Love. My obedience was out of Love and creates a greater love, that of laying down our lives for another. Love and you cannot lose.

45. For those who take up My Cross, much will be given, for I have it to give. You will experience what others think impossible, and you will know Me in greater closeness, as you do My will.

That includes keeping your own soul deeply fed, feeding your children, loved ones, friends, as well as those out in the world who are struggling to find answers. Do this, and all is yours.

46. Do not be discouraged by those who are not ready yet or those who are not receptive, but just give seeds of loving truth, and you will be My hands and My heart

to a world lost in hopelessness, meaninglessness, despair, brokenness, and suffering.

Be Me, be My voice, My heart, and I will be there for YOU. (end of message)

## Scriptures on the Next Life

### Luke 16:19- 15

There was a certain rich man, which was clothed in purple and fine linen, and fared sumptuously every day:

**20**

And there was a certain beggar named Lazarus, which was laid at his gate, full of sores,

**21**

And desiring to be fed with the crumbs which fell from the rich man's table: moreover the dogs came and licked his sores.

**22**

And it came to pass, that the beggar died, and was carried by the angels into Abraham's bosom: the rich man also died, and was buried;

**23**

And in hell he lift up his eyes, being in torments, and seeth Abraham afar off, and Lazarus in his bosom.

**24**

And he cried and said, Father Abraham, have mercy on me, and send Lazarus, that he may dip the tip of his finger in water, and cool my tongue; for I am tormented in this flame.

**25**

But Abraham said, Son, remember that thou in thy lifetime receivedst thy good things, and likewise Lazarus evil things: but now he is comforted, and thou art tormented.

## 26

And beside all this, between us and you there is a great gulf fixed: so that they which would pass from hence to you cannot; neither can they pass to us, that *would come* from thence.
