- Regardless of who is teaching, or what they are teaching, it is the job of the hearer to discern what is truth.

- I will even share experiences I am uncertain about.
 - I will identify those items.

Hebrews 13:2 ESV

Do not neglect to show hospitality to strangers, for thereby some have entertained angels unawares.

My Belief

- This happened to me roughly 1-2 months after surrendering my life to the Lord.
- A man hitchhiking.

My Belief

- A man hitchhiking.
- It was out of the norm.
- I was unaware of what was happening at the time.
- I followed the leading of Holy Spirit.

Trusting Others

- The Upper Room – our prayer room.
- People crossing the threshold would report a sudden feeling of being drunk.

- People crossing the threshold would report a sudden feeling of being drunk.
- An angel at the door.
 - An angel inside as well.
 - I was told about these two angels:

- An angel at the door.
 - An angel inside as well.
 - I was told about these two angels:
 - One inside, one outside
 - Cleaning us off as we enter the room
 - Sword slashing off the cords and webs and string

Trusting Others

- Because I knew those telling me these things, their character, their integrity, and their track record with what they had told before,

Trusting Others

- Because I knew those telling me these things, their character, their integrity, and their track record with what they had told before,
 - I received what they told me as true.
 - I had no personal knowledge or experience.
 - I did not deny or belittle what they said.

 - As if the floor dropped as I entered.

- Angels are welcome there.

Words From Others

- This can be:
 - A word of knowledge.
 - A prophetic prayer.
 - I've experienced both.

Words From Others

- This can be:
 - A word of knowledge.
 - A prophetic prayer.
 - I've experienced both.
- Some may not agree with these things.
 - That's okay.
 - Truth is important.
 - Seek truth.
 - I was uncertain about these things.
 - I still use caution in what I accept, even in my own experience.

Words From Others

- In October of 2017, an intercessor was talking with me.
 - New angels and spirit beings will be with you
 - They are Mine (the Lord's)
 - This was a time of a new walk for me.

Words From Others

- A week later, I was selling a car to a friend of a friend.
 - This friend of a friend was led to pray for me after hearing of this new walk the Lord was leading me into.

Words From Others

- A week later, I was selling a car to a friend of a friend.
 - This friend of a friend was led to pray for me after hearing of this new walk the Lord was leading me into.
 - Two warfare angels now assigned to me.
 - Use them. (how?)
 - Not here to bless me, but to kill the enemy.
 - As we will see in future looks at angels, they have specific purposes.

Words From Others

- The next day, at an inaugural event, someone I had just met wanted to pray for me after we had a conversation.

Words From Others

- The next day, at an inaugural event, someone I had just met wanted to pray for me after we had a conversation.
 - Two new angels assigned to me.
 - Large angels.
 - Were these the two referred to from the previous evening?

Words From Others

- In June of 2018 I was once again speaking with an intercessor.

Words From Others

- In June of 2018 I was once again speaking with an intercessor.
 - You're also going to be assigned a new angel.
 - A protection angel.
 - Huge. With a big sword.

Side Note

- The importance, or value, of journaling.
 - Review of past events.
 - For encouragement.
 - For correction.
 - For teaching.

Seers in the Spirit Realm

- Again, some may disagree with these things, or not believe in them.
- That's okay.

Seers in the Spirit Realm

- There were those who saw the Upper Room angels.

Seers in the Spirit Realm

- Prayer at the riverside park.
 - Prayer for our city.
 - Lord, send your warring angels.
 - The seer jumped in excited surprise.

Seers in the Spirit Realm

- Those two examples I hold to as truth.
 - By the stirring of my spirit.

Seers in the Spirit Realm

- Those two examples I hold to as truth.
 - By the stirring of my spirit.
 - By these things happening more than once in my experience.

Seers in the Spirit Realm

- Those two examples I hold to as truth.
 - By the stirring of my spirit.
 - By these things happening more than once in my experience.
 - Maybe these things aren't to be solely relied upon for discernment.
 - But they are not to be discarded without consideration.
 - They are also pieces to this great puzzle, or mystery, of these things we may not fully understand.

Seers in the Spirit Realm

- This next one I hold loosely.

Seers in the Spirit Realm

- This next one I hold loosely.
 - The seer involved has proven reliable in the past.
 - This account is outside of me, not essential to me.

Seers in the Spirit Realm

- A portion of what was shared with me:
- I always get to see from time to time of all the angels raising their hands in excitement! Asking the Lord, “Please Lord, pick me!” They are all excited. Why? Angels do not have a testimony. Their testimony is our testimony. So you have lots of angels wanting to be a part of your testimony. Not including the warring angels and other specific angels assigned to specific duties.

Seers in the Spirit Realm

- I honestly don't know what to think of it at times.
 - Is it to be encouraging?
 - Is it flattery?
 - Is it truth or imagination?

One More Angel Story

- Someone praying over me said I was being given a Worship Angel.
 - This was an angel that was to help me when in worship.

One More Angel Story

- Someone praying over me said I was being given a Worship Angel.
 - This was an angel that was to help me when in worship.
 - I had to wonder about this one.
 - How does that work?
 - What was to happen?
 - Frankly, I was unsure about this, but I did not cast it aside.
 - I asked God about it in my prayer time.

One More Angel Story

- One day, not long after that word, I noticed something physical happening while worshipping that I had never noticed before.
 - Here is the picture:

Exodus 17:11-12 ESV

Whenever Moses held up his hand, Israel prevailed, and whenever he lowered his hand, Amalek prevailed. But Moses' hands grew weary, so they took a stone and put it under him, and he sat on it, while Aaron and Hur held up his hands, one on one side, and the other on the other side. So his hands were steady until the going down of the sun.

One More Angel Story

- Rather than two others with me, it is an angel.
- As if two giant hands, one covering either wrist and forearm, are holding me.

One More Angel Story

- Rather than two others with me, it is an angel.
- As if two giant hands, one covering either wrist and forearm, are holding me.
- This happens only when I am worshipping with my hands raised.
 - I find it to be encouraging.
 - I find it to be confirming of many things to me.
 - God's word of being with me.
 - Prophetic words over me.
 - Etc.
 - I seem to be raised to another level in worship when this happens.

Conclusion

- I have been assisted and protected, many times, in many ways.
- Angels are all around me. (nothing special about me)

Conclusion

- I have been assisted and protected, many times, in many ways.
- Angels are all around me. (nothing special about me)
- Angels see that God's word is carried out concerning His plans for me, as I walk with Him.

- Next time we will look at Scripture and see some of what God tells us directly concerning angels.
